- (a) **(Letter of Offer)**: it is satisfied with the form and content of that Letter of Offer;
- (b) **(Seller letter)**: it has received a letter (copied to each Rating Agency) from the Seller which, in a manner satisfactory to the Trustee, explains how the SMART Receivables identified in the schedule to that Letter of Offer are marked on the SMART Receivable

5.3 Manager's direction

The Manager must not issue a direction to the Trustee pursuant to clause 8.2 of the Master Trust Deed unless the Manager:

- (b) **(No breach by Seller of representations)**: is not actually aware that any representation or warranty made or taken to be made by the Seller in relation to the Letter of Offer (or any SMART Receivable identified in it) in any Transaction Document is incorrect in any material respect on the Cut-Off Date specified in that Letter of Offer as if repeated on that Cut-Off Date with reference to facts and circumstances then subsisting;
- (c) **(Breach of obligations by Seller)**: is not actually aware that the Seller in relation to the Letter of Offer (or any SMART Receivable identified in it) is in breach in any material respect of any of its obligations under this Deed (unless that breach has been remedied to the satisfaction of the Manager);
- (d) **(Insolvency Event for Seller)**: is not actually aware that an Insolvency Event has occurred in relation to the Seller (unless that event has been remedied to the satisfaction of the Manager); and

5.4 Satisfaction and notification of Conditions Precedent

The Trustee and the Manager must use reasonable endeavours to cause the conditions precedent in Clause 5.1 to be satisfied prior to the Closing Date and the conditions precedent in Clause 5.2 to be satisfied prior to the Closing Date specified in the Letter of Offer. On satisfaction of the conditions precedent set out in Clauses 5.1 and 5.2, the Trustee must, on the Closing Date specified in the Letter of Offer notify the Manager and each Rating Agency that such conditions precedent have been satisfied.

6.4 Servicing Fee

The Trustee will pay the Servicer in respect of each Monthly Period on the following Distribution Date, in accordance with the terms of this Deed and the Master Sale and Servicing Deed, a fee for servicing the SMART Receivable Rights as set out in the letter from the Trustee dated on or about the date of this Deed or as may otherwise be agreed between the Servicer, the Manager and the Trustee and notified by the Manager to each Rating Agency.

6.6 Goods and Services Tax

Notwithstanding any other provision of this Deed, the Master Trust Deed or the Master Sale and Servicing Deed, but subject to Clauses 6.7 and 6.8, if any of the Trustee, the Manager, the Servicer or the Seller becomes liable to remit to a Governmental Agency an amount of GST in connection with a supply by it in connection with the Series Trust under any Transaction Document:

- (a) **(No reimbursement):** that GST must be borne by the Trustee, the Manager, the Servicer or the Seller, as the case may be, on its own account and neither the Trustee, the Manager, the Servicer nor the Seller is entitled to any reimbursement of that GST (other than to the extent to which any such GST amount forms part of the agreed fee payable to the Trustee, the

Manager, the Servicer or the Seller, as the case may be, in accordance with the Transaction Documents) from the Assets of the Series Trust; and

- (b) **(Definition of Tax):** the definition of "Tax" in clause 1.1 of the Master Trust Deed shall not include any such GST where that definition applies in relation to the Series Trust.

Nothing in this Clause 6.6 prevents an adjustment, in accordance with this Deed, of the fees payable to the Trustee as a result of a GST Tax Change (as defined in Clause 6.7).

6.7 Adjustments to fees payable to Trustee

- (a) **(GST Tax Change):** For the purposes of this Clause, **GST Tax Change** means:
 - (i) the abolition of GST;
 - (ii) any increase or decrease in the rate of GST; or
 - (iii) any amendment to the GST Legislation.
- (b) **(Effect of GST Tax Change):** In ascertaining the effect of a GST Tax Change on the Trustee, any associated abolition, reduction or other change in Taxes reducing, directly or indirectly, the costs (including general overhead costs) of the Trustee will be taken into account.
- (c) **(Adjustments):** Following any GST Tax Change, the fees payable to the Trustee under this Clause 6 will, subject to Clause 6.7(o), be adjusted according to the procedure in this Clause 6.7 so that, from the commencement date or dates of the GST Tax Change, the Trustee is neither economically advantaged nor disadvantaged in relation to the supplies provided by it under this Deed by the effect of the GST Tax Change.
- (d) **(Notice):** At any time within 12 months after a GST Tax Change has come into effect, the Trustee may, by written notice to the Manager, and the Manager may, by written notice to the Trustee, require the commencement of negotiations by the Manager and the Trustee in accordance with the succeeding provisions of this Clause 6.7.
- (e) **(Time bar):** If neither the Trustee nor the Manager issues a notice under clause 6.7(d) within 12 months after a GST Tax Change has come into effect, then each of the Trustee and the Manager will be taken to have unconditionally and irrevocably waived its rights under Clause 6.7(c) in relation to that GST Tax Change, and no adjustment for that GST Tax Change will be made.
- (f) **(Negotiations):** Within 28 days after receipt of a notice under Clause 6.7(d), the Manager and the Trustee will confer at least once to negotiate in good faith with a view to agreeing on any adjustments to the fees payable to the Trustee under this Clause 6 which will satisfy the Trustee's rights and the Manager's rights under Clause 6.7(c).
- (g) **(Give effect to outcome of negotiations):** Subject to Clause 6.7(o), if the negotiations result in the parties agreeing on any adjustments to the fees payable to the Trustee under this Clause 6, the Trustee and the Manager will, as soon as possible, do all things necessary to give effect to the agreement reached, including adjusting any payments of such fees which have previously been made under this Deed after the commencement date or dates of the relevant GST Tax Change.

- (h) **(Negotiations unsuccessful):** If, within 28 days after the first conference under Clause 6.7(f), the Manager and the Trustee are unable to agree fully, the Manager or the Trustee by written notice to the other, may require any matter relating to the Manager's and the Trustee's rights under Clause 6.7(c) to be referred to expert determination under this Clause 6.7.
- (i) **(Appointment of expert):** The Manager and the Trustee may appoint any independent consultant who is experienced in indirect taxation to be the expert. If, within 28 days after receipt of a notice under Clause 6.7(h), the Manager and the Trustee are unable to agree on an expert, then the Manager or the Trustee must submit the dispute as to the identity of the expert to The Institute of Arbitrators & Mediators Australia (**IAMA**) and request IAMA to nominate the expert in accordance with schedule A of IAMA's Expert Determination Rules.
- (j) **(Expert determination):** The expert will decide on adjustments which will satisfy the Manager's and the Trustee's rights under Clause 6.7(c). The expert will act as an expert and not as an arbitrator and his or her decision will, in the absence of fraud or bias but notwithstanding error, be final and binding on the Manager and the Trustee.
- (k) **(Procedure):** The Manager and the Trustee may agree on any procedure for the expert determination, including the adoption in whole or part of any expert determination rules published by a dispute resolution agency, professional body, law firm or any other person. If the Manager and the Trustee cannot agree, the expert will determine the procedure to be followed in the expert determination. However, unless the Manager and the Trustee otherwise agree:
 - (i) the expert may inform himself or herself in any way he or she sees fit, including by engaging other consultants, without being bound by the rules of evidence;
 - (ii) each of the Manager and the Trustee will have the right to present its case and to answer the case against it; and
 - (iii) the expert will give reasons for his or her decision.
- (l) **(Costs of expert):** The Manager and the Trustee will pay the costs of the expert in equal shares.
- (m) **(Scott v Avery clause):** The Trustee will not be entitled to commence any action or proceeding relating to any GST Tax Change until the procedures outlined in this Clause 6.7 relating to that GST Tax Change have been completed.
- (n) **(Continue to Perform):** Notwithstanding that the procedures outlined in this Clause 6.7 are operating, the parties will continue to perform their obligations under this Deed.
- (o) **(Notice to Rating Agencies):** The Manager must notify each Rating Agency of any adjustment to fees pursuant to this Clause 6.7.

6.8 Adjustment to fees payable to Manager

- (a) **(Management):** Subject to Clause 6.8(b), the Manager may from time to time agree to adjust the Management Fee. Any adjustment to the Management Fee pursuant to this Clause 6.8(a) will be effective following notice in writing of the same by the Manager to the Trustee.

- (b) **(Rating Notification)**: Any adjustment to fees pursuant to this Clause 6.8 is subject to the issue by the Manager of a Rating Notification in relation to that adjustment.

7. MANAGER DEFAULT

- (a) **(Manager Default)**: The occurrence of any of the following events constitutes a Manager Default:
 - (i) **(Manager does not instruct)**: the Manager does not instruct the Trustee to pay the required amounts to the Investors of the Series Trust within the time periods specified in this Deed and such failure is not remedied within 5 Business Days (or such longer period as the Trustee may agree and as may be notified to each Rating Agency) of notice of such failure being delivered to the Manager by the Trustee;
 - (ii) **(Manager does not prepare Settlement Statements)**: the Manager does not prepare and transmit to the Trustee the Settlement Statements or any other reports required to be prepared by the Manager and such failure is not remedied within 5 Business Days (or such longer period as the Trustee may agree and as may be notified to each Rating Agency) of notice being delivered to the Manager by the Trustee. Such a failure by the Manager does not constitute a Manager Default if it is as a result of a Servicer Default pursuant to clause 4.1(b) of the Master Sale and Servicing Deed provided that, if the Servicer subsequently provides the information to the Manager, the Manager prepares and submits to the Trustee the outstanding Settlement Statements or other reports within 10 Business Days (or such longer period as the Trustee may agree to and as may be notified to each Rating Agency) of receipt of the required information from the Servicer;
 - (iii) **(Breach)**: the Manager has breached its other obligations under this Deed or the Master Trust Deed and such action has had or, if continued, will have an Adverse Effect as reasonably determined by the Trustee after the Trustee is actually aware of such breach, and either such breach is not remedied so that it no longer has or will have such an Adverse Effect, within 20 Business Days (or such longer period as the Trustee may agree to and as may be notified to each Rating Agency) of notice thereof delivered to the Manager by the Trustee or the Manager has not within 20 Business Days (or such longer period as the Trustee may agree to and as may be notified to each Rating Agency) of receipt of such notice paid compensation to the Trustee for its loss from such breach in an amount satisfactory to the Trustee (acting reasonably). The Trustee must, in such notice, specify the reasons why it believes an Adverse Effect has occurred, or will occur, as the case may be; or
 - (iv) **(Misrepresentation)**: a representation made or repeated by the Manager in a Transaction Document proves to have been incorrect in any material respect when made or repeated and, as a result, gives rise to an Adverse Effect, as reasonably determined by the Trustee after the Trustee is actually aware that such representation has proved to be incorrect when made or repeated, and the Manager has not paid compensation to the Trustee for any loss suffered by the Trustee as a result of such incorrect representation in an amount satisfactory to the Trustee (acting reasonably) within 20 Business Days (or such longer period as the Trustee may agree to and as may be notified to each Rating Agency) of notice thereof delivered to the Manager by the Trustee. The Trustee must, in such notice, specify the reasons why it believes an Adverse Effect has occurred.
- (b) **(Rating Notification from MLPL)**: The parties acknowledge and agree that MLPL may issue a Rating Notification for the purposes of clause 20.4(a) of the Master Trust Deed.

8. TERMINATION OF A FIXED RATE SWAP

If at any time a Fixed Rate Swap terminates prior to its scheduled termination date:

- (a) **(Replacement swap)**: the Manager and the Trustee must endeavour to (in the case of the Trustee, to the extent that the Manager has made appropriate arrangements to ensure that it is possible for the Trustee to) within three Business Days enter into one or more swaps which replace the Fixed Rate Swap both on terms and with a counterparty in respect of which the Manager has issued a Rating Notification; or
- (b) **(Other arrangements)**: the Manager must enter into other arrangements in respect of which it has notified each Rating Agency.

9. DETERMINATION AND APPLICATION OF TOTAL PRINCIPAL COLLECTIONS

9.1 Application of Total Principal Collections

On each Determination Date prior to the enforcement of the Security (as defined in the General Security Deed), based on information provided by the Servicer, the Manager must determine whether the Pro Rata Paydown Test is satisfied, or will become satisfied immediately following any sequential payments or allocations, in order to determine the payments or allocations to be made by the Trustee on the following Distribution Date from the Total Principal Collections for the Monthly Period just ended in accordance with Clauses 9.2 and 9.3 and will direct the Trustee to apply, and the Trustee must apply, the Total Principal Collections on that Distribution Date in making the payments and allocations pursuant to Clauses 9.2 and 9.3 on account of principal in the following order of priority:

- (a) **(Pro Rata Paydown Test not satisfied)**: first, in accordance with Clause 9.2, but only to the extent permitted under that Clause 9.2; and
- (b) **(Pro Rata Paydown Test satisfied)**: second, the balance of the Total Principal Collections (if any) available after its application under Clause 9.2, in accordance with Clause 9.3.

9.2 Pro Rata Paydown Test not satisfied

On each Distribution Date prior to the enforcement of the Security (as defined in the General Security Deed), to the extent that the Manager determines that the Pro Rata Paydown Test is not satisfied, the payments or allocations under Clause 9.1 from the Total Principal Collections for the Monthly Period just ended are to be applied by the Trustee in the following order of priority until the Pro Rata Paydown Test becomes satisfied immediately following any such payments or allocations:

- (a) **(Class A Notes)**: first, to make repayments of principal on account of Class A Notes *pari passu* and rateably amongst the Class A Notes until the Stated Amount of the Class A Notes is reduced to zero;
- (b) **(Seller Notes)**: second, once the Stated Amount of the Class A Notes is reduced to zero, to make repayments of principal on account of Seller Notes *pari passu* and rateably amongst the Seller Notes until the Stated Amount of the Seller Notes is reduced to zero; and
- (c) **(Capital Unitholder)**: third, the balance (if any) is to be paid to the Capital Unitholder.

The Trustee will apply the Total Principal Collections towards the repayment of the principal on the Notes in the sequential order of priority set out in this Clause 9.2 until such time that the Pro Rata Paydown Test becomes satisfied. If the Pro Rata Paydown Test is satisfied on a Distribution Date

following application of Total Principal Collections in accordance with this Clause 9.2, the Trustee will apply the balance of any Total Principal Collections remaining on that Distribution Date to the Notes pro rata in the order of priority set out in Clause 9.3.

The obligations of the Trustee to make any payment under each of the above paragraphs is limited in each case to the balance of the Total Principal Collections (if any) available after application in accordance with the previous paragraph or paragraphs.

9.3 Pro Rata Paydown Test satisfied

On each Distribution Date prior to the enforcement of the Security (as defined in the General Security Deed) to the extent that the Manager determines that the Pro Rata Paydown Test is satisfied or has become satisfied after any application of Total Principal Collections in accordance with Clause 9.2, the balance of any Total Principal Collections (if any) remaining after the application of Clause 9.2 on that Distribution Date is to be applied in the following order of priority:

- (a) **(Notes):** first, *pari passu* and rateably towards:
 - (i) the Class A Notes *pari passu* and rateably amongst the Class A Notes until the Stated Amount of the Class A Notes is reduced to zero; and
 - (ii) the Seller Notes *pari passu* and rateably amongst the Seller Notes until the Stated Amount of the Seller Notes is reduced to zero; and

The obligations of the Trustee to make any payment under each of the above paragraphs is limited in each case to the balance of the Total Principal Collections (if any) available after application in accordance with the previous paragraph or paragraphs.

9.4 Master Security Trust Deed and General Security Deed

In accordance with the Master Security Trust Deed and the General Security Deed, on and from enforcement of the Security (as defined in the General Security Deed) this Clause 9 (other than this Clause 9.4) will cease to apply and the Security Trustee will instead make payments and allocations in accordance with clause 13 of the Master Security Trust Deed.

10. DETERMINATION AND APPLICATION OF AVAILABLE INCOME

10.1 Application of Available Income

On each Determination Date the Manager must determine the payments or allocations to be made by the Trustee on the following Distribution Date from the Available Income for the Monthly Period just ended and will direct the Trustee to apply, and the Trustee must apply, the Available Income in making the following payments and allocations on that Distribution Date in the following order of priority:

- (a) **(\$1 to Income Unitholder):** first, at the Manager's discretion, up to \$1 to the Income Unitholder to be dealt with, and held by, the Income Unitholder;

- (d) (**Class A Note Interest**): fourth, in payment towards the Class A Interest due on that Distribution Date plus any Class A Interest remaining unpaid from prior Distribution Dates to be distributed *pari passu* and rateably between the Class A Notes;
- (e) (**Allocation to Liquidity Reserve Balance**): fifth, an amount equal to the aggregate of all Liquidity Reserve Draws remaining unreimbursed from preceding Distribution Dates, to the Liquidity Reserve Balance;
- (f) (**Unreimbursed Principal Draw**): sixth, an amount equal to the Unreimbursed Principal Draw in relation to that Determination Date will be allocated to the Total Principal Collections for the Monthly Period just ended to be applied on that Distribution Date in accordance with Clause 9;
- (g) (**Reimbursement of Defaulted Amounts**): seventh, an amount equal to the Defaulted Amount in respect of the Monthly Period just ended will be allocated to Total Principal Collections for the Monthly Period just ended to be applied on that Distribution Date in accordance with Clause 9.1;
- (h) (**Unreimbursed Charge-Offs**): eighth, an amount equal to any Charge-Offs, other than any Seller Charge-Offs, remaining unreimbursed from all prior Distribution Dates, which amount will be allocated to Total Principal Collections;
- (i) (**Hedge Payment on default**): ninth, in payment towards any Subordinated Termination Payments payable by the Trustee to the Hedge Provider under the Hedge Agreement documenting the Fixed Rate Swap for the Coupon Period ending on that Distribution Date;
- (j) (**Accrued Interest Adjustment**): tenth, to the Seller towards the aggregate of the Accrued Interest Adjustment for all SMART Receivables (if any) as determined by the Manager on the Determination Date immediately following the Closing Date;

- (m) (**Income Unitholder**): finally, the balance to the Income Unitholder (or in accordance with its directions) to be dealt with, and held by, the Income Unitholder.

The obligation of the Trustee to make any payment or allocation under each of the above paragraphs is limited in each case to the balance of the Available Income (if any) available after application in accordance with the preceding paragraph or paragraphs.

10.2 Liquidity Reserve

- (a) (**Allocation from issue proceeds**): The Manager must direct the Trustee, on the Closing Date, to apply such amount of the proceeds of the issue of the Notes towards the Liquidity

Reserve Balance, so that the Liquidity Reserve Balance is equal to the Required Liquidity Reserve Balance. The Liquidity Reserve Balance must be held in the Collections Account. The Trustee must keep a record of the amount of the Liquidity Reserve Balance.

- (b) **(Determining Liquidity Reserve Balance):** The Liquidity Reserve Balance at any time is:
- (i) the aggregate of all amounts previously allocated to the Liquidity Reserve Balance from the proceeds of the issue of Notes in accordance with Clause 10.2(a) and all amounts allocated to the Liquidity Reserve Balance from Collections pursuant to Clause 10.1(e); and
 - (ii) less the aggregate of all amounts of the Liquidity Reserve Balance previously applied as Total Principal Collections or Available Income in accordance with Clause 10.2(c).
- (c) **(Application of Liquidity Reserve):** The Liquidity Reserve Balance must not be withdrawn by the Trustee other than at the direction of the Manager to be:
- (i) applied to Total Principal Collections (in the case of a Liquidity Reserve Balance Excess);
 - (ii) applied as Available Income in accordance with Clause 10.1; or
 - (iii) paid into a new or additional Collections Account opened in accordance with Clause 13.3 or 13.7.

11. CHARGE-OFFS

11.1 Defaulted Amount Insufficiency

If on a Determination Date, the Manager determines that on the following Distribution Date there will be insufficient Available Income to be allocated in full against the Defaulted Amounts (if any) in respect of that Monthly Period (the deficiency being the **Defaulted Amount Insufficiency**) then the following will occur:

- (a) **(Charge-Off first against Seller Notes):** the amount of the Defaulted Amount Insufficiency will first be charged-off on that Distribution Date against the Stated Amount of the Seller Notes (*pari passu* and rateably amongst the Seller Notes based on their Stated Amounts on that Determination Date) so that the Stated Amount of the Seller Notes is reduced from that Distribution Date by that amount, provided that the Stated Amount of Seller Notes cannot be reduced below zero by such charge-offs; and
- (b) **(Charge-Off second against Class A Notes):** the amount of any balance of the Defaulted Amount Insufficiency remaining after the application of Clauses 11.1(a) (because the Stated Amount of the Seller Notes has been reduced to zero) will be charged-off on that Distribution Date against the Stated Amount of the Class A Notes (*pari passu* and rateably amongst the Class A Notes based on their Stated Amounts on that Determination Date) until the Stated Amount of the Class A Notes is reduced to zero.

11.2 Reimbursement of Charge-Offs

If part of the Available Income for a Monthly Period is allocated pursuant to Clause 10.1(h) and Clause 10.1(l) on a Distribution Date, the effect of this will be to reduce the Charge-Offs in respect of the Notes by the amount of the allocation, in the following order of priority:

- (a) **(Reimbursement of Class A Charge-Offs):** first, *pari passu* and rateably to the reduction of the Class A Charge-Offs remaining unreimbursed from all prior Distribution Dates until the Stated Amount of the Class A Notes is equal to the Invested Amount of the Class A Notes; and
- (b) **(Reimbursement of Seller Charge-Offs):** second, *pari passu* and rateably to the reduction of the Seller Charge-Offs remaining unreimbursed from all prior Distribution Dates until the Stated Amount of the Seller Notes is equal to the Invested Amount of the Seller Notes.

Such an increase in the Stated Amount of the Notes is to be regarded as a reimbursement for the purposes of this Deed to the extent of the allocation, notwithstanding that no actual payment may be made.

11.3 Notification to Trustee

The Manager will promptly notify the Trustee in writing of all reductions in the Stated Amounts as a result of any Charge-Offs it has made to such Stated Amounts pursuant to this Clause 11.

12. PAYMENT OF EXPENSES, PRINCIPAL AND INTEREST TO NOTEHOLDERS AND OTHER DISTRIBUTIONS

12.1 All Distribution Dates

On each Distribution Date the Trustee will pay from the Collections Account the amounts referred to in Clauses 9 and 10.1 in accordance with the directions of the Manager pursuant to those clauses.

12.2 Present Entitlement of Income Unitholder

- (a) **(Determination of Net Trust Income):** The Manager must determine the Net Trust Income for the Series Trust for each Financial Year (being an amount not less than A\$1) and for the purpose of those calculations:
 - (i) the Manager may determine whether any receipt, profit, gain, payment, loss, outgoing, provision or reserve or any sum of money or investment in a Financial Year is or is not to be treated as being on income or capital account of the Series Trust (including treating the transfer of amounts from the capital of the Series Trust as income of the Series Trust for any purpose) and whether and the extent to which any provisions and reserves need to be made for the Financial Year;
 - (ii) if no determination is made by the Manager under Clause 12.2(a)(i), an item is to be taken into account in calculating the Net Trust Income if it would be taken into account in calculating the Net Tax Income; and
 - (iii) the Manager must act or direct that the Trustee takes such action as is necessary in each case to ensure (to the extent possible) that any tax liability in respect of the Series Trust in respect of a Financial Year under Division 6 of Part III of the 1936 Tax Act is borne by the Income Unitholder of the Series Trust and not by the Trustee.
- (b) **(Entitlement):** In each Financial Year the Income Unitholder will have an absolute vested interest in, and will be presently entitled to, the Net Trust Income of the Series Trust, notwithstanding the fact that such amount is not paid by the Trustee to the Income Unitholder during that Financial Year pursuant to Clause 10.1(a) or 10.1(m). Any such amount not paid to the Income Unitholder during a Financial Year will be an amount

payable by the Trustee to the Income Unitholder that will be satisfied only from Income Unit Amounts otherwise payable to the Income Unitholder in accordance with Clause 10.1(a) or 10.1(m) on the Distribution Dates following the close of the Financial Year.

- (c) **(Final Distributions):** If in the last Financial Year of the Series Trust, there is an amount payable by the Trustee in accordance with Clause 12.2(b) in respect of the previous Financial Year that has not been satisfied from the Income Unit Amounts otherwise payable to the Income Unitholder in accordance with Clause 10.1(a) or 10.1(m) on the Distribution Dates in the last Financial Year, the shortfall, plus any such amount for the last Financial Year, will be satisfied in full from, and only by, the payment of the excess funds (if any) by the Trustee to the Income Unitholder pursuant to Clause 15.12.
- (d) **(Financial Year):** The definition of Financial Year in clause 1 of the Master Trust Deed does not apply to the Series Trust. Instead, **Financial Year** means a period of 12 months beginning on 1 July, unless the Series Trust is a member of a consolidated group within the meaning of section 703-5 of the 1997 Tax Act, in which case Financial Year means the same period as the 'income year' of the head company of the tax consolidated group for the purposes of the 1997 Tax Act, provided in either case that:
 - (i) the first Financial Year of the Series Trust is the period commencing on the date of the constitution of the Series Trust and ending on the next succeeding 30 June or the last day of the then current period which is the income year of the head company of the tax consolidated group for the purposes of the 1997 Tax Act; and
 - (ii) the last Financial Year of a Series Trust is the period to the date of termination of the Series Trust from the immediately preceding 1 July or the commencement of the then current period which is the income year of the head company of the tax consolidated group for the purposes of the 1997 Tax Act.

12.3 Excess distribution

- (a) **(Deposit with the Income Unitholder):** A payment to the Income Unitholder of the Income Unit Amount pursuant to Clause 10.1(a) or 10.1(m) with respect to a Payment Date will be held by the Income Unitholder as a deposit by the Trustee with the Income Unitholder and will be dealt with in accordance with this Clause 12.3.
- (b) **(Application towards Net Trust Income):** As at the end of each Financial Year, the Income Unitholder will, and will be entitled to, deduct and retain for its own benefit from so much of the deposit standing to the credit of the Trustee pursuant to Clause 12.3(a):
 - (i) first, the amount of Net Trust Income of the Series Trust in which the Income Unitholder has an absolutely vested interest, and to which the Income Unitholder is presently entitled, for that Financial Year pursuant to Clause 12.2; and
 - (ii) secondly, an amount not exceeding the then Subscription Amount notified by the Manager to the Trustee and the Income Unitholder that the Income Unitholder is entitled to deduct as a return of capital in the Series Trust represented by the Income Unit.

To the extent that there is any surplus in the amount so deposited with the Income Unitholder over the aggregate of the amount deducted and retained by the Income Unitholder pursuant to Clause 12.3(b) in a Financial Year, the surplus will be held and dealt with by the Income Unitholder in accordance with this Clause 12.3(b) in the succeeding Financial Year, subject

to any prior application of this Clause 12.3(b) with respect to any additional amounts held by the Income Unitholder as deposits by the Trustee in that succeeding Financial Year.

13. COLLECTIONS ACCOUNT

13.1 Establishment of Collections Account

- (a) **(Establishment):** Before the Closing Date the Trustee must establish the Collections Account with MBL or such other Eligible Depository as the parties may agree on from time to time.
- (b) **(Interest bearing account):** The Collections Account must be an interest bearing account provided that, if it is maintained with MBL, MBL is not required to pay interest with respect to either:
 - (i) any amount deposited in the Collections Account on any day if:
 - (A) the Manager determined (without taking into account any interest that would, but for this Clause 13.1(b)(i)(A), otherwise be payable on any amount deposited in the Collections Account) pursuant to Clause 10.1 on the Determination Date immediately preceding that day that an amount is payable to the Income Unitholder in accordance with Clause 10.1(m) on the Distribution Date following that Determination Date; and
 - (B) an Insolvency Event does not exist in respect of MBL; or
 - (ii) the amount of any collateral paid to the Trustee under a Hedge Agreement from time to time standing to the credit of the Collections Account.

13.2 Conditions for maintaining Collections Account

The Collections Account must not be held with MBL unless:

- (a) **(MBL is an Eligible Depository):** MBL is an Eligible Depository; or
- (b) **(MBL is not an Eligible Depository):** if MBL is not an Eligible Depository:
 - (i) a Standby Guarantee has been entered into to support MBL's obligations to credit to, and to repay from, in accordance with normal banking practice, moneys deposited and to be deposited in the Collections Account; or
 - (ii) the Manager has issued a Rating Notification in relation to the Collections Account being held with MBL.

13.3 Transfer of Collections Account

- (a) **(Obligation to transfer):** If:
 - (i) **(While Collections Account with MBL):** the Collections Account is maintained with MBL but the Trustee becomes aware that the Collections Account cannot continue to be maintained with MBL pursuant to Clause 13.2; or
 - (ii) **(While Collections Account with another financial institution):** the Collections Account is maintained with a financial institution other than MBL and the Trustee becomes aware that the financial institution is no longer an Eligible Depository,

the Trustee must immediately establish a new interest bearing Collections Account with an Eligible Depository and transfer the funds standing to the credit of the old Collections Account to the new Collections Account.

- (b) **(Discretion to transfer):** Provided that Clause 13.2 is satisfied and each Rating Agency has been given prior notice of its intention to do so, if the Collections Account is established with a financial institution other than MBL following the Closing Date, at any time after that date the Manager and the Servicer may agree to establish a new interest bearing Collections Account with MBL and transfer funds standing to the credit of the old Collections Account to the new Collections Account.

13.4 Collections deposited within 2 Business Days

Subject to Clauses 13.5, 13.7 and 13.8, the Servicer and the Seller must deposit into the Collections Account each Collection in respect of the Series Trust received by the Servicer or the Seller, or otherwise payable by the Servicer or the Seller after the Closing Date:

- (a) **(Receipt before the Closing Date):** in the case of each Collection received by the Servicer or the Seller before the Closing Date, on, or within 2 Business Days after, the Closing Date;
- (b) **(Receipt after the Closing Date):** in the case of each Collection received by the Servicer or the Seller on or after the Closing Date, within 2 Business Days after receipt of such Collection; or
- (c) **(Where otherwise payable):** where Collections are not received by the Servicer but are otherwise payable by the Servicer or the Seller in accordance with this Deed, within 2 Business Days of when they fall due for payment to the Trustee from the Servicer or the Seller,

provided that, for so long as MBL is an Eligible Depository and the Servicer is MLPL, the Seller or the Servicer may make the deposits under paragraphs (a), (b) and (c) above within 4 Business Days rather than 2 Business Days.

13.5 While Collections Account with MBL

Subject to Clause 13.7, while the Collections Account is permitted to be maintained with MBL pursuant to Clause 13.2, the Servicer is entitled to retain in an account held with MBL any Collections in respect of a Monthly Period until 10.00 a.m. on the Transfer Date preceding the Distribution Date following the Monthly Period, when it must at that time deposit such Collections into the Collections Account.

13.6 Servicer to pay interest in respect of Collections

Where the Servicer has received Collections but it is not required pursuant to this Deed to deposit those Collections into the Collections Account until a later date, the Servicer must pay interest in respect of those Collections at a commercial rate agreed between the Servicer and the Manager from time to time for the period commencing on (and including) the date on which those Collections are received and ending on (and including) the date on which those Collections are paid or credited to the Collections Account. Such interest that accrues in respect of a Monthly Period must be paid or credited to the Collections Account by the Servicer no later than 10.00 a.m. on the Transfer Date immediately after the Monthly Period provided that such interest will not be payable by the Servicer on that Transfer Date if:

- (a) **(Income Unit Amount):** the Manager determines (without taking into account any interest that would, but for this Clause 13.6(a), otherwise be payable on any amount deposited in the Collections Account) pursuant to Clause 10.1 on the immediately preceding Determination Date that an amount is to be paid to the Income Unitholder in accordance with Clause 10.1(m) on the Distribution Date following that Transfer Date; and
- (b) **(Insolvency Event):** an Insolvency Event does not exist in respect of MBL.

Interest accrued in respect of a Monthly Period pursuant to this Clause 13.6 which is not payable by the Servicer on a Transfer Date will not be carried forward to the next Monthly Period with the intent that the payment obligations of the Servicer in respect of such accrued interest will terminate after such Transfer Date.

13.7 Opening of additional account where Collections Account held with MBL when it is not an Eligible Depository

In the event that:

- (a) **(Collections Account with MBL):** there are Collections deposited with MBL in the Collections Account;
- (b) **(Standby Guarantee):** the Collections Account is permitted to be maintained with MBL pursuant to Clause 13.2(b)(i); and
- (c) **(Collections Account in excess):**
 - (i) the maximum amount available to be claimed by the Trustee under the Standby Guarantee is less than the aggregate of all amounts then deposited and to be deposited into the Collections Account by 10.00 a.m. on the next following Transfer Date; and
 - (ii) the Manager has not, within 2 Business Days of being notified of the above, issued a Rating Notification in relation to the failure to satisfy Clauses 13.7(d) to (f) (inclusive) if amounts continue to be deposited in the Collections Account held with MBL,

then:

- (d) **(New Collections Account):** the Trustee must, upon becoming actually aware of the occurrence of that event, immediately open a new Collections Account with another Eligible Depository;
- (e) **(Amounts in excess transferred):** amounts credited to the Collections Account held with MBL in excess of the maximum amount available to be claimed by the Trustee under the Standby Guarantee must be transferred by the Trustee from that Collections Account to the new Collections Account; and
- (f) **(Subsequent deposits):** all amounts received by, or payable to, the Trustee in respect of the Series Trust must be deposited in the Collections Account held with MBL to the extent that such amounts can be deposited in that Collections Account in accordance with this Clause 13. The balance of such amounts must be deposited in the new Collections Account established pursuant to Clause 13.7(d) and in accordance with Clause 13.4.

13.8 Prepayment of Collections

The Servicer may, in its sole discretion, deposit amounts into the Collections Account at any time in prepayment of its obligation to deposit Collections into the Collections Account in accordance with Clause 13.4. The Servicer will not be obliged to deposit a Collection into the Collections Account pursuant to Clause 13.4 to the extent that it has prepaid its obligation to do so under this Clause 13.8. The Trustee must repay to the Servicer any amounts standing to the credit of the Collections Account which represent prepayments of Collections by the Servicer in accordance with this Clause 13.8 immediately following the earlier of:

- (a) **(Redemption of Notes)**: the date on which all the Notes have been redeemed in full in accordance with the Master Trust Deed and this Deed; and
- (b) **(Termination Event Date)**: the Termination Event Date of the Series Trust.

13.9 Withdrawal of prepayment from Collections Account

The Servicer may on any Distribution Date notified by the Servicer to the Trustee (with not less than 5 Business Days prior written notice from the Servicer to the Trustee) at its discretion, request the Trustee to repay, and upon such request the Trustee will pay, any amount prepaid pursuant to Clause 13.8 then standing to the credit of the Collections Account provided that the Servicer must continue to fulfil its obligation to deposit Collections into the Collections Account under Clause 13.4 to the extent of the repayment made under this Clause 13.9.

13.10 Application towards investment proposal

For the avoidance of any doubt, in giving effect to any investment proposal contemplated by clause 12.2(b) of the Master Trust Deed, the Trustee may apply any funds standing to the credit of the Collections Account at the relevant time.

14. CLEAN-UP AND EXTINGUISHMENT

14.1 Notification of Trigger Event by Manager to Seller

If on any day (unless otherwise required by the Seller) the aggregate Principal Balance of the SMART Receivables, expressed as a percentage of the aggregate Principal Balance of the SMART Receivables on the Closing Date is, or will on the next Distribution Date be, below 10%, the Manager must promptly request the Seller by telephone or orally whether the Seller wishes to exercise its rights pursuant to this Clause 14.

14.2 Response by the Seller

The Seller may at any time after receiving (or after it ought to receive) a request from the Manager pursuant to Clause 14.1, and prior to the Termination Event Date, advise the Manager by telephone or orally, that it will exercise its rights pursuant to this Clause 14. At that time, the Seller may nominate a Distribution Date as the Clean-Up Settlement Date. The Manager must then promptly advise the Trustee of such advice and (if applicable) such nomination by the Seller.

14.3 Determination of Clean-Up Settlement Date

If the Seller advises the Manager pursuant to Clause 14.2 that it will exercise its rights pursuant to this Clause 14:

- (a) **(Clean-Up Settlement Date to coincide with redemption of Notes):** if any Notes have been issued and have not then been redeemed, the Manager must, subject to Clause 14.4(b), direct the Trustee to give a notice in accordance with Clause 4.7(c) to Noteholders that on the Distribution Date nominated by the Seller pursuant to Clause 14.2 (which must be a complying Distribution Date in accordance with Clause 4.7(c)) a redemption of the Notes will occur pursuant to Clause 4.7 (in which case, such nominated and complying Distribution Date will be the Clean-Up Settlement Date); or
- (b) **(Otherwise, date nominated by the Seller):** otherwise, the Clean-Up Settlement Date will be the Distribution Date nominated by the Seller as the Clean-Up Settlement Date pursuant to Clause 14.2.

14.4 Clean-Up Settlement Price

- (a) **(Calculation):** The Clean-Up Settlement Price will be the amount determined by the Manager to be the aggregate of the Fair Market Value (as at the last day of the Monthly Period ending immediately before the proposed Clean-Up Settlement Date) of each SMART Receivable then forming part of the Assets of the Series Trust.
- (b) **(Minimum Clean-Up Settlement Price):** If any Notes have been issued and have not then been redeemed (or deemed to be redeemed) and if the amount of the Clean-Up Settlement Price determined by the Manager (when combined with the other Assets that will be available to the Trustee) is not sufficient to ensure, upon payment by the Seller to the Trustee pursuant to Clause 14.5, that the Trustee would be in a position on the proposed Clean-Up Settlement Date to redeem the Notes in full in accordance with Clause 4.7, the Manager must not give a direction to the Trustee pursuant to Clause 14.3(a). If such amount would be so sufficient, the Manager's direction pursuant to Clause 14.3(a) must be accompanied by a notification to the Trustee of such amount.
- (c) **(Minimum not sufficient):** If the Manager cannot issue the direction referred to in Clause 14.4(b) as a result of such clause, nothing herein prevents the Seller issuing a further advice to the Manager pursuant to Clause 14.2 at a later date, in which case the procedures and provisions of this Clause 14 will thereupon take effect again (including this Clause 14.4(c)), subject to the requirements herein contained.

14.5 Payment of Clean-Up Settlement Price

The Seller must pay to the Trustee, in immediately available funds, the Clean-Up Settlement Price on the Clean-Up Settlement Date.

14.6 Effect of payment of Clean-Up Settlement Price

Upon receipt of the Clean-Up Settlement Price by the Trustee in immediately available funds, the Trustee's entire right, title and interest in the SMART Receivable Rights then forming part of the Assets of the Series Trust is deemed to be extinguished in favour of the Seller with immediate effect from the last day of the Monthly Period which ended prior to the Clean-Up Settlement Date. The Trustee must execute whatever documents the Seller reasonably requires to complete the extinguishment of the Trustee's right, title and interest in such SMART Receivable Rights.

14.7 Costs

The Seller must pay to, or reimburse, the Trustee immediately on demand for all costs and expenses (including, without limitation, legal costs charged at the usual commercial rates of the relevant legal

services provider and any stamp duty and registration fees) arising out of or necessarily incurred by the Trustee in connection with the exercise of the Seller's rights pursuant to this Clause 14.

14.8 Alternative structure

The Trustee must co-operate with the Seller in exercising the Seller's rights pursuant to this Clause 14 in a way other than as set out in this Clause 14 if to do so would materially reduce the liability of the Seller to reimburse the Trustee for any of the costs and expenses set out in Clause 14.7 and provided that:

- (a) **(Clean-Up Settlement Price):** any Clean-Up Settlement Price to be determined pursuant to this Clause 14.8 will be determined by the Manager in accordance with Clause 14.4(a); and
- (b) **(Trustee liability):** any proposed revised exercise of the Seller's rights pursuant to this Clause is permitted in law and does not result in the Trustee being exposed to the risk of personal liability unless the Trustee is satisfied, in its absolute discretion, that the Seller will be able to indemnify the Trustee in respect of such risk in accordance with clause 9.15(a) of the Master Sale and Servicing Deed.

14.9 Alternative funding arrangements to permit redemption

Nothing in this Clause 14 prevents the Manager and the Trustee exercising any other rights and powers conferred upon them by this Deed or the Master Trust Deed (in so far as it applies to the Series Trust) to enable the redemption of the Notes as contemplated by Clause 4.7.

15. TERMINATION OF THE SERIES TRUST

15.1 Co-operation in restructuring of the Series Trust

If the Termination Event Date of the Series Trust occurs as a result of a provision of statute or general law at a time when any Notes issued in respect of the Series Trust have not been redeemed in full then from the Termination Event Date of the Series Trust, the Servicer, the Trustee and the Manager must consult and use their reasonable endeavours (in consultation with the Security Trustee pursuant to the Master Security Trust Deed and the Unitholders in the Series Trust) to amend or vary the terms of this Deed, any other relevant Transaction Document and the Notes in respect of the Series Trust, in such a way so as to minimise any potential losses that the Investors may suffer as a result of the termination of the Series Trust. If such consultations do not result in an agreement between the parties as to the best way in which such restructuring can proceed within 90 days of the Termination Event Date of the Series Trust, then the Trustee must proceed to liquidate the Assets of the Series Trust in accordance with the remainder of this Clause 15.

15.2 Determination of Termination Payment Date

Subject to Clause 15.1, the Trustee must as soon as practicable following the Termination Event Date of the Series Trust, declare on the direction of the Servicer and the Manager, a Distribution Date as the Termination Payment Date, being the Distribution Date by which the Trustee reasonably believes that the sale and distribution of the Assets of the Series Trust will be completed in accordance with this Clause 15. Based on the direction of the Servicer and the Manager, the Trustee may substitute another Distribution Date as the Termination Payment Date if it reasonably believes that the Assets will not in fact be sold and distributed by the then declared Termination Payment Date.

15.3 Realisation of Assets of the Series Trust

Subject to Clause 15.1, upon the occurrence of the Termination Event Date of the Series Trust, the Trustee, at the direction of the Manager, must sell and realise the Assets of the Series Trust (and, in relation to the sale (other than pursuant to Clause 15.5) of any SMART Receivable Rights forming part of the Assets of the Series Trust, the Trustee must obtain appropriate expert advice prior to the sale) and such sale (so far as is reasonably practicable and reasonably commercially viable) must be completed within 180 days of the Termination Event Date of the Series Trust provided that during the period of 180 days from that Termination Event Date:

- (a) **(Fair Market Value)**: the Trustee must not sell the SMART Receivable Rights for less than an amount equal to the Fair Market Value of the SMART Receivables that then form part of the Assets of the Series Trust;
- (b) **(Sale in accordance with Clause 15.4)**: the Trustee must not sell any SMART Receivable Rights unless the sale is on terms in accordance with Clause 15.4; and
- (c) **(Right of first refusal)**: the Trustee must not sell any SMART Receivable Rights unless it has offered the SMART Receivable Rights for sale to the Seller in accordance with Clause 15.5 and the Seller has either not accepted that offer within 90 days of that Termination Event Date or has accepted that offer but not paid the consideration due by the time required pursuant to Clause 15.5.

15.4 Conditions of sale during 180 days

The Trustee must not conclude a sale pursuant to Clause 15.3 (other than pursuant to Clause 15.5) unless:

- (a) **(Equitable assignment only)**: any SMART Receivable Rights sold pursuant to that sale are assigned in equity only (unless the Trustee already holds legal title to such SMART Receivable Rights);
- (b) **(Servicer's rights retained)**: the sale is expressly subject to the Servicer's right to be retained as Servicer of those SMART Receivable Rights in accordance with the terms of this Deed; and
- (c) **(Sale subject to Seller Trust)**: the sale is expressly subject to the rights of the Seller Trust in respect of those SMART Receivable Rights pursuant to this Deed and to the Seller's rights (as beneficiary of the Seller Trust) in respect of those SMART Receivable Rights pursuant to this Deed.

15.5 Right of refusal to Seller

- (a) **(Deemed offer to Seller)**: Subject to Clause 15.5(d), on the Termination Event Date of the Series Trust, if the Trustee holds any SMART Receivable Rights at that time, the Trustee is deemed to irrevocably offer to extinguish in favour of the Seller, its entire right, title and interest in the SMART Receivable Rights forming part of the Assets of the Series Trust in return for the payment to the Trustee of an amount equal to the Fair Market Value (as at the Termination Event Date of the Series Trust) of the SMART Receivables then forming part of the Assets of the Series Trust.
- (b) **(Acceptance by Seller of offer)**: The Seller may verbally accept the offer referred to in Clause 15.5(a) within 90 days after the Termination Event Date of the Series Trust and having accepted the offer, must pay to the Trustee, in immediately available funds, the

amount referred to in Clause 15.5(a) by the expiration of 180 days after the Termination Event Date of the Series Trust. If the Seller accepts such offer, the Trustee must execute whatever documents the Seller reasonably requires to complete the extinguishment of the Trustee's right, title and interest in the SMART Receivable Rights then forming part of the Assets of the Series Trust.

- (c) **(Trustee must not sell):** The Trustee must not sell any SMART Receivable Rights referred to in Clause 15.5(a) unless the Seller has failed to accept the offer referred to in Clause 15.5(a) within 90 days after the Termination Event Date of the Series Trust or, having accepted the offer, has failed to pay the amount referred to in Clause 15.5(a) by the expiration of 180 days after the Termination Event Date of the Series Trust.
- (d) **(Approval of Noteholders):** If the Fair Market Value (as at the Termination Event Date of the Series Trust) of the SMART Receivables then forming part of the Assets of the Series Trust is not sufficient to ensure that, following the acceptance by the Seller of the deemed offer by the Trustee pursuant to Clause 15.5(a), the Noteholders will receive an amount equal to the aggregate on the Termination Payment Date of:
 - (i) **(Invested Amount):** the Invested Amount of the Notes; and
 - (ii) **(Interest Entitlement):** the Interest Entitlement on the Notes,

then the Manager must promptly convene a meeting of Noteholders (in accordance with the Master Trust Deed) to seek the approval of the Noteholders, by way of Extraordinary Resolution, to the deemed offer by the Trustee pursuant to Clause 15.5(a). The deemed offer by the Trustee pursuant to Clause 15.5(a), will be conditional upon an Extraordinary Resolution of Noteholders approving the offer (in accordance with the Master Trust Deed) at the Fair Market Value (as at the Termination Event Date of the Series Trust) of the SMART Receivables then forming part of the Assets of the Series Trust.

15.6 Sale at lower price

If after the expiration of the period of 180 days from the Termination Event Date of the Series Trust the Trustee has not sold the SMART Receivable Rights which form part of the Assets of the Series Trust for the amount determined in accordance with Clause 15.3(a), the Trustee may proceed to sell such SMART Receivable Rights free from the prohibitions contained in Clause 15.3(a) and may, if necessary, sell such SMART Receivable Rights on the terms set out in Clause 14.7 if the terms of that clause are satisfied. If any SMART Receivable Rights are sold for less than the price for those SMART Receivable Rights determined in accordance with Clause 15.3(a), then any such shortfall must be allocated as provided for in Clause 15.11.

15.7 Conditions of sale after 180 days

Upon the expiration of the period of 180 days from the Termination Event Date of the Series Trust, the Trustee may, if necessary (in its reasonable opinion) to sell the SMART Receivable Rights forming part of the Assets of the Series Trust for at least the amount determined in accordance with Clause 15.3(a) in respect of those SMART Receivable Rights:

- (a) **(Perfect title):** take all necessary steps to perfect the Trustee's legal title to the SMART Receivable Rights;
- (b) **(Terminate Servicer):** terminate the rights and obligations of the Servicer in respect of those SMART Receivable Rights; and

- (c) **(Sell SMART Receivable Rights):** sell the legal and beneficial ownership in such SMART Receivable Rights to the prospective purchaser free of the Seller Trust and all rights of the Seller to repurchase such SMART Receivable Rights in accordance with this Deed which rights the Seller is deemed to have waived by its not accepting the offer made to it in accordance with Clause 15.5(a).

15.8 Further Conditions of Sale After 180 days

If the Trustee sells the SMART Receivable Rights forming part of the Assets of the Series Trust pursuant to this Clause 15, the Trustee must use reasonable endeavours to include as a condition of the sale by the Trustee that the purchaser will:

- (a) **(Consent):** consent to the granting in favour of the Seller of mortgages and other Security Interests subsequent to the Mortgages and Collateral Security assigned to the purchaser;
- (b) **(Enter into priority agreements):** enter into priority agreements with the Seller, in the form then specified in the Servicing Standards, limiting the priority of the Mortgages and Collateral Security assigned to the purchaser over any subsequent mortgages and other Security Interests held by the Seller to the then Principal Balance of the relevant SMART Receivable and any interest, fees and expenses on this amount; and
- (c) **(Endeavour to obtain Borrower's consent):** use reasonable endeavours to obtain the consent of the providers of Mortgages and Collateral Securities assigned to the purchaser, and any other relevant person, to the grant of subsequent mortgages and other Security Interests to the Seller.

15.9 Procedures pending winding-up

During the period commencing on the Termination Event Date of the Series Trust and ending on the Termination Payment Date:

- (a) **(Trustee, Manager and Servicer must continue to perform duties):** the Trustee, the Servicer and the Manager must continue to perform their respective roles in accordance with the Master Trust Deed and this Deed in respect of the Assets of the Series Trust;
- (b) **(Collections to continue to be paid into Collections Account):** all Collections must continue to be deposited into the Collections Account in accordance with this Deed;
- (c) **(Proceeds of sale):** all proceeds arising from the sale of Assets of the Series Trust must be deposited into the Collections Account and must be treated for all purposes as if such proceeds were Collections and the Manager must determine (and advise the Trustee) which of such proceeds are to be treated as received on account of Income Collections and the Finance Charges corresponding to such proceeds; and
- (d) **(Trustee must make payments):** the Trustee must continue to make all payments determined by the Manager as required to be made in accordance with this Deed.

15.10 Costs on winding-up of the Series Trust

On the Determination Date prior to the Termination Payment Date, the Manager (in consultation with the Trustee) must in respect of the Series Trust make provision for all Taxes, costs, charges, expenses, claims and demands anticipated to become payable after the Termination Payment Date in connection with or arising out of the administration or winding up of the Series Trust, including the fees of any consultants whom the Trustee, the Seller, the Servicer, the Security Trustee or the

Manager have employed in connection with the administration or winding up of the Series Trust. Such costs (if any) will be treated as Series Trust Expenses by the Manager in making its determinations as to payments to be made on the Termination Payment Date in accordance with Clause 15.11.

15.11 Calculation of final distributions

On the Determination Date prior to the Termination Payment Date, the Manager must determine how the amounts standing to the credit of the Collections Account are to be distributed and must make such determination in accordance with the provisions of clause 13 of the Master Security Trust Deed. After making such determinations the Manager must notify the Trustee of the allocations and payments to be made on the Termination Payment Date.

15.12 Final distributions

On the Termination Payment Date the Trustee must make the payments that the Manager directs it to make pursuant to Clause 15.11.

15.13 Final redemption

All Notes and Units are deemed to be redeemed and discharged in full on the Termination Payment Date provided the payment (if any) due in respect of them from the Trustee pursuant to Clause 15.12 is made to the corresponding Investors.

15.14 Notification to the Rating Agencies

The Manager will promptly notify each Rating Agency of the redemption and discharge in full of all Notes and Units pursuant to Clause 15.13 or any earlier redemption and discharge in full of a Class of Notes.

 - (c) **(Losses):** Any losses with respect to Authorised Short-Term Investments will be borne by the Series Trust.

16.3 Electronic reporting of Pool Data

On each Distribution Date, the Manager, or a person nominated by the Manager, must prepare and arrange for the publication by Reuters and/or Bloomberg L.P. (or another similar electronic medium) of Pool Performance Data in respect of the Monthly Period just ended in a format similar to that used by other asset-backed securities issuers in the Australian market. The Manager is not liable to any person in any manner for the acts or omissions of the person nominated by the Manager for the purpose set out in this Clause 16.3.

16.4 Claim for damages

16.5 Allocation of damages

If an amount is payable to the Trustee by the Servicer, the Seller or the Manager for breach of a representation, warranty or obligation under the Master Trust Deed, the Master Sale and Servicing Deed (including any such amounts payable under clause 6.6 of the Master Sale and Servicing Deed which represent amounts in respect of accrued but unpaid interest on the relevant SMART Receivables in respect of the relevant period) or this Deed or for other damages, such amount is to be treated as a Finance Charge. On each Determination Date the Manager must notify the Trustee of such amount received (if any) in the Monthly Period just ended.

16.6 Additional Expenses

In accordance with clause 16.11(q) of the Master Trust Deed and paragraph (d) of the definition of the term "Series Trust Expenses" in Clause 1.1, the Additional Expenses are incorporated into and form part of the Series Trust Expenses of the Series Trust for which the Trustee is entitled to be indemnified out of the Assets of the Series Trust.

- Unless expressly defined in this Note Transfer or a contrary intention appears, words and expressions used in this Note Transfer have the same meaning as in the Series Supplement.
- The Transferee acknowledges that it has independently and without reliance on the Trustee, the Manager, the Seller, the Servicer, the Bank, the Group or any other member of the Group (including without reliance on any materials prepared or distributed by any of the foregoing) made its own assessment and investigations regarding its investment in the Notes.
- The Trustee issues the Notes in its role as trustee of the Series Trust. Any obligation or liability of the Trustee arising under or in any way connected with the Series Trust under the Master Trust Deed, the Series Supplement or any other Transaction Document (including the Notes) to which the Trustee is a party is limited to the extent to which it can be satisfied out of the Assets of the Series Trust out of which the Trustee is actually indemnified for the obligation or liability. This limitation will not apply to any obligation or liability of the Trustee only to the extent that it is not so satisfied because of any fraud, negligence or wilful default on the part of the Trustee. The Trustee will have no liability for any act or omission of the Manager or of any other person (other than a person whose acts or omissions the Trustee is liable for in accordance with any Transaction Document).
- Where the Transferor and/or the Transferee is a trustee, this Note Transfer must be completed in the name of the trustee and signed by the trustee without reference to the trust.
- Where this Transfer is executed by a corporation, it must be executed either under common seal or under a power of attorney.
- If this Note Transfer is signed under a power of attorney, the attorney hereby certifies that it has not received notice of revocation of that power of attorney. A certified copy of the power of attorney must be lodged with this Note Transfer.
