Inventis Limited [ASX: IVT] – Change in Substantial Shareholder Notification

Mrs Debra Ann Noun, one of Inventis Limited's substantial Shareholders, has announced to the Company today the following;

"As the largest shareholder of Inventis Limited, it is my intention, over the next 12 months, to sell down some of my shares for the primary purpose of assisting the Company with its share trading liquidity. This is obviously not a reflection on the current direction or management as I have confidence in both the Company's Board and its Management, and I am comfortable remaining a large shareholder going forward. I currently hold 25.57% directly and 12.85% indirectly (a total of 38.42%). I intend to sell approximately 10% and thus reduce total shareholding to around 25% to 30%, at prevailing market prices over the coming year, with a target average price of 2 cents per share."
