### This Information Memorandum

This Information Memorandum relates to a debt issuance programme (“**Programme**”) established by Banco Santander, S.A. (“**Banco Santander**” or the “**Issuer**”), under which it may issue Notes from time to time. This Information Memorandum summarises information regarding the Issuer, the Programme and the issue of Notes in registered form in the Australian wholesale debt capital markets. Potential investors in other debt instruments which may be issued by the Issuer under the Programme should refer to any disclosure or offering document relevant to the issue of those debt instruments. This Information Memorandum has been prepared by, and is issued with the authority of, the Issuer.

Terms used in this Information Memorandum but not otherwise defined herein have the meanings given to them in the terms and conditions applicable to the Notes (as set out in section 7 (*Conditions of the Notes*) (“**Conditions**”)) or, if not defined in the Conditions, in section 10 (*Glossary*).

The Issuer accepts responsibility for the information contained in this Information Memorandum (other than the Programme Participant Information).

*The Issuer is neither a bank nor an authorised deposit-taking institution (“ADI”) which is authorised under the Australian Banking Act and the Issuer is not supervised by APRA. The Notes are not obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.*

*The depositor protection provisions in Division 2 of Part II of the Australian Banking Act do not apply to the Issuer. No Notes shall be “protected accounts” or “deposit liabilities” within the meaning of the Australian Banking Act and an investment in any Notes will not be covered by the depositor protection provisions in section 13A of the Australian Banking Act and will not be covered by the Australian Government’s bank deposit guarantee (also commonly referred to as the Financial Claims Scheme).*

*Notes that are offered for issue or sale or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act and issued and transferred in compliance with the terms of the exemption from compliance with section 66 of the Australian Banking Act that is available to the Issuer. Such Notes may only be issued or transferred in, or into, Australia in parcels of not less than A\$500,000 in aggregate principal amount.*

### Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes under the Programme in any country including Australia and countries in Europe and Asia but (subject to the below) not in the United States. The Notes have not been, and will not be, registered under the U.S. Securities Act and, accordingly, the Notes may not be offered, sold, delivered or transferred, at any

time, within the United States or to, or for the account or benefit of, U.S. persons, except in a transaction exempt from the registration requirements of the U.S. Securities Act.

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer or any Programme Participant to any person in any jurisdiction to subscribe for, purchase or otherwise deal in any Notes.

The distribution and use of this Information Memorandum, including any Issue Materials, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about them and observe any such restrictions.

In particular:

- this Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporations Act. Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with ASIC; and
- no action has been taken by any of the Issuer or any Programme Participant Party which would permit a public offering of any Notes or distribution of this Information Memorandum or any Issue Materials in any jurisdiction where action for that purpose is required (including circumstances that would require disclosure under Part 6D.2 or 7.9 of the Corporations Act).

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum and any other Issue Materials, see section 4 (*Selling restrictions*).

### No independent verification

The only role of each of the Programme Participants in the preparation of this Information Memorandum has been to confirm to the Issuer that the Programme Participant Information relating to itself is accurate as at the Preparation Date.

Apart from the foregoing, no Programme Participant Party has independently verified any information contained in this Information Memorandum and each such person disclaims any responsibility, and disclaims all and any liability whether arising in tort or contract or otherwise, for such information. Except to the extent related to the Programme Participant Information, no representation, warranty or undertaking, express or implied, is made, to the fullest extent permitted by law, and no responsibility or liability is accepted, by any of them, in relation to the accuracy or completeness of this Information Memorandum, any Issue Materials or any further information supplied by the Issuer in connection with the Programme or any Notes.

Each Programme Participant expressly does not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise

any Noteholder, any potential investor in Notes or any other person of any information coming to their attention with respect to the Issuer and makes no representations as to the ability of the Issuer to comply with its obligations under the Notes. No Programme Participant makes any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does any Programme Participant guarantee the payment of capital or any particular rate of capital or income return, in each case, on any Notes.

### **Investors to make independent investment decision and obtain professional advice**

This Information Memorandum contains only summary information concerning the Issuer, the Programme and the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes (1) is intended to provide the basis of any credit or other evaluation and should not be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by the Issuer or any Programme Participant Party that any recipient of this Information Memorandum (or any other information supplied in connection with the Programme or the issue of any Notes) should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes, or (2) describes the risks of an investment in any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer and the risks of an investment in any Notes;
- determine for themselves the relevance of the information contained in this Information Memorandum (including all information incorporated by reference and forming part of this Information Memorandum) and any other information supplied in connection with the Programme or the issue of any Notes, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own financial, legal, tax and professional advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

No accounting, regulatory, investment, legal, tax or other professional advice is given in respect of an investment in any Notes or rights in respect of them.

In particular, if any financial product advice is, in fact, held to have been given by the Issuer in relation to Notes issued in connection with this Information Memorandum, it is general advice only. The Issuer is not licensed to provide financial product advice in relation to the Notes. No cooling-off regime applies to investors of Notes.

### **MiFID II product governance / UK MiFIR product governance / target market**

The Pricing Supplement in respect of any Notes may include a legend entitled “MiFID II Product Governance” and/or “UK MiFIR Product Governance”, as applicable, which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to MiFID II and/or the UK MiFIR Product Governance Rules, as applicable, is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance Rules and/or the UK MiFIR Product Governance Rules, as applicable, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules and/or the UK MiFIR Product Governance Rules, as applicable.

### **PRIIPs / IMPORTANT – EEA RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2016/97/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by the EU PRIIPs Regulation for offering or selling the Notes or otherwise making them available to retail investors in the EEA will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

### **PRIIPs / IMPORTANT – UK RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No. 2017/565 as it forms part of UK domestic law by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the EUWA. Consequently no

key information document required by the UK PRIIPs Regulation for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**Notification under Section 309B(1)(c) of the Securities and Futures Act**

### 3. Spanish Bail-In Power

**Law 11/2015 enables a range of actions to be taken in relation to credit institutions and investment firms considered to be at risk of failing. The taking of any action under Law 11/2015 could materially affect the value of any Notes**

The BRRD (which has been implemented in Spain through Law 11/2015, of 18 June, on the Recovery and Resolution of Credit Institutions and Investment Firms (“**Law 11/2015**”) and Royal Decree 1012/2015, of 6 November, implementing Law 11/2015 (“**Royal Decree 1012/2015**”)) is designed to provide authorities with tools to intervene in unsound or failing credit institutions or investment firms (“**institutions**”) to ensure the continuity of the institution’s critical financial and economic functions while minimising the impact of an institution’s failure on the economy and financial system.

The BRRD further provides that any extraordinary public financial support through additional financial stabilisation tools is only to be used by a member state of the EEA as a last resort, after having assessed the resolution tools set out below to the maximum extent possible while maintaining financial stability.

In accordance with Article 20 of Law 11/2015, an institution will be considered as failing or likely to fail in any of the following circumstances: (i) it is, or is likely in the near future to be, in significant breach of its solvency or any other requirements necessary for maintaining its authorisation; (ii) its assets are, or are likely in the near future to be, less than its liabilities; (iii) it is, or is likely in the near future to be, unable to pay its debts as they fall due; or (iv) it requires extraordinary public financial support (except in limited circumstances). The determination that an institution is no longer viable may depend on a number of factors which may be outside of that institution’s control.

As provided in the BRRD, Law 11/2015 contains four resolution tools and powers which may be used alone or in combination where the Relevant Resolution Authority (as defined below) considers that (a) an institution is failing or likely to fail, (b) there is no reasonable prospect that any alternative private sector measures would prevent the failure of such institution within a reasonable timeframe, and (c) a resolution action is in the public interest.

The four resolution tools are: (i) sale of business – which enables resolution authorities to direct the sale of the institution or the whole or part of its business on commercial terms; (ii) bridge institution – which enables resolution authorities to transfer all or part of the business of the institution to a “bridge institution” (an entity created for this purpose that is wholly or partially in public control); (iii) asset separation – which enables resolution authorities to transfer impaired or problematic assets to one or more publicly owned asset management vehicles to allow them to be managed with a view to maximising their value through eventual sale or orderly wind-down (this can be used together with another resolution tool only); and (iv) bail-in by

which the Relevant Resolution Authority may exercise the Spanish Bail-in Power (as defined below). This includes the ability of the Relevant Resolution authority to write down (including to zero) and/or to convert into equity or other securities or obligations (which equity, securities or obligations could also be subject to any future application of the Spanish Bail-in Power) certain unsecured debt claims (including Ordinary Senior Notes and Senior Non Preferred Notes) and subordinated obligations (including Subordinated Notes).

The “**Spanish Bail-in Power**” is any write-down, conversion, transfer, modification, or suspension power existing from time to time under, and exercised in compliance with any laws, regulations, rules or requirements in effect in Spain, relating to the transposition of the BRRD (including BRRD II), as amended from time to time, including, but not limited to (i) Law 11/2015, as amended from time to time, (ii) Royal Decree 1012/2015, as amended from time to time, (iii) the SRM Regulation, as amended from time to time (including SRM II), and (iv) any other instruments, rules or standards made in connection with either (i), (ii) or (iii), pursuant to which any obligations of an institution can be reduced, cancelled, modified, or converted into shares, other securities, or other obligations of such institution or any other person (or suspended for a temporary period).

In accordance with Article 48 of Law 11/2015 (and subject to any exclusions that may be applied by the Relevant Resolution Authority under Article 43 of Law 11/2015), in the case of any application of the Spanish Bail-in Power, the sequence of any resulting write-down or conversion by the Relevant Resolution Authority shall be as follows: (i) Common Equity Tier 1 instruments; (ii) the principal amount of Additional Tier 1 capital instruments; (iii) the principal amount of Tier 2 capital instruments; (iv) the principal amount of other subordinated claims that do not qualify as Additional Tier 1 capital or Tier 2 capital instruments; and (v) the principal or outstanding amount of the eligible liabilities (*pasivos admisibles*) prescribed in Article 41 of Law 11/2015. Any application of the Spanish Bail-in Power under the BRRD shall be in accordance with the hierarchy of claims in normal insolvency proceedings (unless otherwise provided by applicable banking regulations).

In addition to the Spanish Bail-in Power, the BRRD, Law 11/2015 and the SRM Regulation provide for resolution authorities to have the further power to permanently write-down (including to zero) or convert into equity capital instruments such as the Tier 2 Subordinated Notes at the point of non-viability (“**Non-Viability Loss Absorption**”) of an institution or a group. The point of non-viability of an institution is the point at which the *Fondo de Resolución Ordenada Bancaria* (“**FROB**”), the Single Resolution Board established pursuant to the SRM Regulation and/or any other authority entitled to exercise or participate in the exercise of the Bail-in Power from time to time (each, a “**Relevant Resolution Authority**”) as appropriate, determines that the

institution meets the conditions for resolution, or that it will no longer be viable unless the relevant capital instruments are written down or converted into equity, or that extraordinary public support is to be provided and without such support the Relevant Resolution Authority determines that the institution would no longer be viable. The point of nonviability of a group is the point at which the group infringes or there are objective elements to support a determination that the group, in the near future, will infringe its consolidated solvency requirements in a way that would justify action by the Relevant Resolution Authority in accordance with Article 38.3 of Law 11/2015. Non-Viability Loss Absorption may be imposed prior to or in combination with any exercise of the Spanish Bail-in Power or any other resolution tool or power (where the conditions for resolution referred to above are met). In addition, pursuant to BRRD II and the SRM Regulation II certain internal eligible liabilities may also be subject to Non-Viability Loss Absorption.

Condition 5 (“Bail-in Power”) provides for the contractual recognition by Noteholders of the Bail-in Power and the Non-Viability Loss Absorption.

Under Article 281 of Spanish Insolvency Act (*Real Decreto Legislativo 1/2020, de 5 de mayo, por el que se aprueba el texto refundido de la Ley Concursal*) (the “**Insolvency Law**”) read in conjunction with Additional Provision 14.3<sup>o</sup> of Law 11/2015, the Issuer will meet subordinated claims after payment in full of unsubordinated claims, but before distributions to shareholders, in the following order and pro-rata within each class: (i) late or incorrect claims; (ii) contractually subordinated liabilities in respect of principal (firstly, those that do not qualify as Additional Tier 1 or Tier 2 capital; secondly, those that qualify as Tier 2 capital instruments and thirdly, those that qualify as Additional Tier 1 capital instruments); (iii) interest (including accrued and unpaid interest due on the Notes); (iv) fines; (v) claims of creditors which are specially related to the Issuer (if applicable) as provided for under the Insolvency Law; (vi) detrimental claims against the Issuer where a Spanish Court has determined that the relevant creditor has acted in bad faith (*rescisión concursal*); and (vii) claims arising from contracts with reciprocal obligations as referred to in Articles 156 to 158 and 160 to 167 of the Insolvency Law, wherever the court rules, prior to the administrators’ report of insolvency (*administración concursal*) that the creditor repeatedly impedes the fulfilment of the contract against the interest of the insolvency.

Any application of the Spanish Bail-in Power and the Non-Viability Loss Absorption shall be in accordance with the hierarchy of claims in normal insolvency proceedings (unless otherwise provided by Applicable Banking Regulations). Accordingly, the impact of such application on Noteholders will depend on the ranking of the relevant Notes in accordance with such hierarchy, including any priority given to other creditors such as depositors.

The Ministry of Economic Affairs and Digital Transformation published in July 2020 a draft bill for the

implementation of BRRD II in Spain (the “**BRRD II Draft Bill**”) amending, among others, Law 11/2015. Among other changes, according to BRRD II Draft Bill bank deposits which as of the date of this Information Memorandum do not constitute preferred liabilities (*créditos con privilegio general*) in the case of insolvency of the Issuer (mainly, non-eligible deposits and deposits of corporates other than those contemplated under Additional Provision 14.1<sup>o</sup> of Law 11/2015) will be considered preferred liabilities (*créditos con privilegio general*) and will rank senior to Ordinary Senior Notes. It is uncertain when the BRRD II Draft Bill will be adopted and in which terms.

In accordance with Article 64.1.(i) of Law 11/2015, the FROB has also the power to alter the amount of interest payable under debt instruments and other eligible liabilities of institutions subject to resolution proceedings and the date on which the interest becomes payable under the debt instrument (including the power to suspend payment for a temporary period).

The powers set out in the BRRD as implemented through Law 11/2015, Royal Decree 1012/2015 and the SRM Regulation impact how credit institutions and investment firms are managed as well as, in certain circumstances, the rights of creditors. Noteholders may be subject to write-down (including to zero) or conversion into equity on any application of the Spanish Bail-in Power, which may result in such Noteholders losing some or all of their investment. The exercise of any power under Law 11/2015 or any suggestion of such exercise could, therefore, materially adversely affect the rights of Noteholders, the price or value of their investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes.

There may be limited protections, if any, that will be available to holders of securities subject to the Spanish Bail-in Power or the Non-Viability Loss Absorption of the Relevant Resolution Authority. Accordingly, Noteholders may have limited or circumscribed rights to challenge any decision of the Relevant Resolution Authority to exercise its Spanish Bail-in Power or the Non-Viability Loss Absorption.

There remains uncertainty as to how or when the Spanish Bail-in Power and/or, in the case of Tier 2 Subordinated Notes, the Non-Viability Loss Absorption may be exercised and how it would affect the Group and the Notes. The determination that all or part of the principal amount of the Notes will be subject to loss absorption is likely to be inherently unpredictable and may depend on a number of factors which may be outside of the Issuer’s control. Although there are proposed pre-conditions for the exercise of the Spanish Bail-in Power or the Non-Viability Loss Absorption, there remains uncertainty regarding the specific factors which the Relevant Resolution Authority would consider in deciding whether to exercise the Spanish Bail-in Power or the Non-Viability Loss Absorption with respect to the financial institution and/or securities issued or guaranteed by that institution. In addition, as the Relevant Resolution Authority will retain an element of discretion, Noteholders may not be able to refer to

publicly available criteria in order to anticipate a potential exercise of any such Spanish Bail-in Power and/or, in the case of Tier 2 Subordinated Notes, the Non- Viability Loss Absorption. Because of this inherent uncertainty, it will be difficult to predict when, if at all, the exercise of any such powers may occur which would result in a principal amount write off or conversion to equity.

The uncertainty may adversely affect the value of Noteholders' investments in the Notes and the price and trading behaviour of the Notes may be affected by the threat of a possible exercise of any power under Law 11/2015 (including any early intervention measure before any resolution) or any suggestion of such exercise, even if the likelihood of such exercise is remote. Moreover, the Relevant Resolution Authority may exercise any such power without providing any advance notice to the Noteholders.

## 4. Selling restrictions

A person may not (directly or indirectly) offer for subscription or purchase or issue an invitation to subscribe for or buy Notes, nor distribute or publish this Information Memorandum or any other Issue Materials except if the offer or invitation, or distribution or publication, complies with all applicable laws and directives.

Neither the Issuer nor any Programme Participant has represented that any Notes may at any time lawfully be offered or sold, or that this Information Memorandum or any Issue Materials may be distributed, in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale or distribution.

In addition to the above, the following selling and distribution restrictions apply.

### 1 General

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum, Issue Materials or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands come this Information Memorandum, Issue Materials or other offering material are required by the Issuer, the Arranger and each Dealer to comply with all applicable laws and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum, Issue Materials or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and none of the Issuer, the Arranger or any Dealer has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the offer or sale of Notes and on the distribution of this Information Memorandum in Australia, the United States, the UK, Hong Kong, Japan, Singapore, Spain and a prohibition of sales to UK and EEA retail investors as follows.

### 2 Australia

The Information Memorandum has not been, and no prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been, or will be, lodged with ASIC.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum, Issue Materials or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the offeror or its associates) and the offer or invitation does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a "retail client" as defined for the purposes of section 761G of the Corporations Act;
- (iii) such action complies with any applicable laws and directives in Australia; and
- (iv) such action does not require any document to be lodged with ASIC.

In addition, each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will comply with the directive issued by the Australian Prudential Regulation Authority dated 21 March 2018 as contained in Banking exemption No. 1 which requires all offers and transfers to be in parcels of not less than A\$500,000 in aggregate principal amount. Banking exemption No. 1 does not apply to transfers which occur outside Australia.

### 3 United States

The Notes have not been and will not be registered under the U.S. Securities Act.

Terms used in the following four paragraphs have the meanings given to them by Regulation S.

The Notes may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S or in

transactions exempt from the registration requirements of the U.S. Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it, its affiliates and any person acting on its or their behalf will not offer or sell the Notes constituting part of its allotment within the United States, or to, or for the account or benefit of, U.S. persons:

- (a) as part of its distribution at any time; or
- (b) otherwise until 40 days after completion of the distribution, and only in accordance with Rule 903 of Regulation S (the “**distribution compliance period**”).

Each Dealer agreed, and each further Dealer appointed under the Programme will be required to agree, that it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the distribution of any identifiable Tranche of Notes, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the U.S. Securities Act.

## 5. Summary of certain taxation matters

### Australian taxation

*The following is a summary of the Australian withholding tax treatment under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, “**Australian Tax Act**”), at the date of this Information Memorandum, of payments of interest on the Notes and certain other Australian tax matters.*

*It is a general guide and should be treated with appropriate caution. The summary is not exhaustive and, in particular, does not deal with the position of certain classes of Noteholders (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of any person). In addition, this summary does not consider the Australian tax consequences for persons who hold interests in the Notes through Austraclear, Euroclear, Clearstream, Luxembourg or another clearing system.*

*Prospective holders should also be aware that particular terms of issue of any Series of Notes may affect the tax treatment of that Series of Notes. Information regarding taxes in respect of Notes may also be set out in the relevant Pricing Supplement.*

*Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.*

### Australian interest withholding tax

Under Australian laws as presently in effect:

- *interest withholding tax* – so long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act;
- *supply withholding tax* – payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act 1953 of Australia, provided that the Issuer does not issue the Notes, use the proceeds of the Notes issuance or make payments on the Notes in the course or furtherance of an enterprise carried on in Australia; and
- *other withholding taxes on payments in respect of Notes* – so long as the Issuer continues to be a non-resident of Australia and does not issue the Notes at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Australian Tax Act and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia should not apply to the Issuer.

### Other Australian tax matters

Under Australian laws as presently in effect:

- *stamp duty and other taxes* – no *ad valorem* stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue or transfer of any Notes; and
- *GST* – neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply that is outside the scope of GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

### Spanish taxation

*The following is a general description of certain Spanish tax considerations relating to the Notes (without prejudice to regional tax regimes in the Historical Territories of the Basque Country and the Community of Navarre or provisions passed by Autonomous Communities which may apply to investors for certain taxes). It does not purport to be a complete analysis of all tax considerations relating to the Notes. Prospective purchasers of Notes should consult their own tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of Spain of acquiring, holding and disposing of Notes and receiving any payments under the Notes. The information contained within this section is based upon the law as in effect on the date of this Information Memorandum and is subject to any change in law that may take effect after such date.*

### **Individuals with Tax Residency in Spain**

#### *Individual Income Tax (Impuesto sobre la Renta de las Personas Físicas)*

Both interest payments periodically received and income derived from the transfer, redemption or repayments of the Notes obtained by individuals who are resident in Spain constitute a return on investment obtained from the transfer of a person's own capital to third parties in accordance with the provisions of Section 25 of the IIT Law, and therefore must be included in the investor's IIT savings taxable base pursuant to the provisions of the aforementioned law and generally taxed at a flat rate of (i) 19% on the first €6,000; (ii) 21% from €6,001 up to €50,000; (iii) 23% from €50,000.01 up to €200,000; and (iv) 26% for any amount in excess of €200,000.

According to Section 44.5 of Royal Decree 1065/2007, and in the opinion of the Issuer, the Issuer will pay interest without withholding to individual Noteholders who are resident for tax purposes in Spain provided that certain information about the Notes (as described in the section entitled “*Spanish taxation – Information about Notes in Connection with Payments*”) is submitted, notwithstanding the information obligations of the Issuer under general provisions of Spanish tax legislation. In addition, income obtained upon transfer, redemption or exchange of the Notes may also be paid without withholding.

Notwithstanding the above, withholding tax at the applicable tax rate of 19% may have to be deducted by other entities (such as depositaries, custodians or financial entities) provided that such entities are resident for tax purposes in Spain or have a permanent establishment in Spain.

Amounts withheld may be credited against the final IIT liability.

### *Reporting Obligations*

The Issuer will comply with the reporting obligations set out in the Spanish tax laws with respect to Noteholders of the Notes who are individuals resident in Spain for tax purposes.

#### *Net Wealth Tax (Impuesto sobre el Patrimonio)*

Individuals with tax residency in Spain are subject to Net Wealth Tax to the extent that their net worth exceeds €700,000 (subject to any exceptions provided under relevant legislation in an autonomous region (*Comunidad Autónoma*)). Therefore, they should take into account the value of the Notes which they hold as of 31 December in each year, the applicable rates ranging between 0.2% and 3.5% although the final tax rates may vary depending on any applicable regional tax laws, and some reductions may apply.

#### *Inheritance and Gift Tax (Impuesto sobre Sucesiones y Donaciones)*

Individuals resident in Spain for tax purposes who acquire ownership or other rights over any Notes by inheritance, gift or legacy will be subject to the Spanish Inheritance and Gift Tax in accordance with the applicable Spanish regional and State rules. The effective tax rates currently may range between 0% (full exemption) and 81.6% depending on relevant factors (such as previous net wealth or family relationship between the transferor and transferee), and depending on any applicable regional tax laws.

### **Legal Entities with Tax Residency in Spain**

#### *Corporate Income Tax (Impuesto sobre Sociedades)*

Both interest received periodically and income derived from the transfer, redemption or repayment of the Notes are subject to CIT at the current general tax rate of 25% in accordance with the rules for this tax. This general tax rate will not be applicable to all CIT taxpayers and, for instance, it will not apply to banking institutions (which will be taxed at the rate of 30%). Special rates apply in respect of certain types of entities (such as qualifying collective investment institutions).

In accordance with Section 44.5 of Royal Decree 1065/2007, and in the opinion of the Issuer, there is no obligation to withhold on income payable to Spanish CIT taxpayers (which for the sake of clarity, include Spanish tax resident investment funds and Spanish tax resident pension funds). Consequently, the Issuer will not withhold tax on income payments to Spanish CIT taxpayers provided that certain information about the Notes (as described in the section entitled “*Spanish taxation – Information about Notes in Connection with Payments*”) is submitted, notwithstanding the information obligations of the Issuer under general provisions of Spanish tax legislation.

However, in the case of Notes held by a Spanish resident entity and deposited with a Spanish resident entity acting as depositary or custodian, payments of interest under the Instruments or income obtained upon

the transfer, redemption or repayment of the Notes, may be subject to withholding tax at the generally applicable rate of 19%, if the Notes do not comply with exemption requirements specified in the Reply to the Consultation of the Directorate General for Taxation (*Dirección General de Tributos*) dated 27 July 2004 in which case the required withholding will be made by the depositary or custodian.

Notwithstanding the above, amounts withheld, if any, may be credited by the relevant investors against their final CIT liability.

#### *Reporting Obligations*

The Issuer will comply with the reporting obligations set out in the Spanish tax laws with respect to Noteholders who are legal persons or entities resident in Spain for tax purposes.

#### *Net Wealth Tax (Impuesto sobre el Patrimonio)*

Legal entities resident in Spain for tax purposes are not subject to Net Wealth Tax.

#### *Inheritance and Gift Tax (Impuesto sobre Sucesiones y Donaciones)*

Legal entities resident in Spain for tax purposes which acquire ownership or other rights over the Notes by inheritance, gift or legacy are not subject to the Spanish Inheritance and Gift Tax but must include the market value of the Notes in their taxable income for Spanish CIT purposes.

#### **Individuals and Legal Entities with no tax residency in Spain**

##### *Non-resident Income Tax (Impuesto sobre la renta de No Residentes)*

- *With permanent establishment in Spain*

If the Notes form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, the tax rules applicable to income deriving from such Instruments are, generally, the same as those previously set out for Spanish CIT taxpayers. See the section entitled “*Spanish taxation – Taxation in Spain – Legal Entities with Tax Residency in Spain – Corporate Income Tax (Impuesto sobre Sociedades)*”. Ownership of the Notes by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

- *With no permanent establishment in Spain*

Both interest payments received periodically and income derived from the transfer, redemption or repayment of the Notes, obtained by individuals or entities who are not resident in Spain for tax purposes and who do not act, with respect to the Instruments, through a permanent establishment in Spain, are exempt from NRIT.

In order for the exemption to apply, it is necessary to comply with certain information obligations relating to the Instruments, in the manner detailed in the section entitled “*Spanish taxation – Information about the Notes in Connection with Payments*” below as laid down in section 44 of Royal Decree 1065/2007. If these information obligations are not complied within the manner indicated, the Issuer will withhold at the general rate of 19% and the Issuer will not pay additional amounts.

Noteholders not resident in Spain for tax purposes and entitled to exemption from NRIT but where the Issuer does not timely receive the information about the Notes in accordance with the procedure described herein would have to apply directly to the Spanish tax authorities for any refund to which they may be entitled, according to the procedures set forth in the Spanish NRIT Law.

#### *Reporting Obligations*

The Issuer will comply with the reporting obligations set out in the Spanish tax laws with respect to Noteholders who are individuals or legal entities not resident in Spain for tax purposes who act with respect to the Notes through a permanent establishment in Spain.

#### *Net Wealth Tax (Impuesto sobre el Patrimonio)*

Individuals resident in a country with which Spain has entered into a double tax treaty in relation to Net Wealth Tax would generally not be subject to such tax. Otherwise, non-Spanish resident individuals whose properties and rights located in Spain, or that can be exercised within the Spanish territory exceed €700,000 would be subject to Net Wealth Tax, the applicable rates ranging between 0.2% and 3.5%.

However, non-Spanish resident individuals will be exempt from Net Wealth Tax in respect of the Notes which income is exempt from NRIT as described above.

Individuals that are not resident in Spain for tax purposes but who are resident in an EU or European Economic Area Member State may apply the rules approved by the autonomous region where the assets and rights with more value (i) are located, (ii) can be exercised or (iii) must be fulfilled. Non-Spanish resident legal entities are not subject to Net Wealth Tax.

#### *Inheritance and Gift Tax (Impuesto sobre Sucesiones y Donaciones)*

Individuals not resident in Spain for tax purposes who acquire ownership or other rights over Notes by inheritance, gift or legacy, will be subject to the Spanish Inheritance and Gift Tax in accordance with the applicable Spanish regional and state rules, unless they reside in a country for tax purposes with which Spain has entered into a double tax treaty in relation to Inheritance and Gift Tax. In such case, the provisions of the relevant double tax treaty will apply.

If the provisions of the foregoing paragraph do not apply, such individuals will be subject to inheritance and gift tax in accordance with Spanish legislation. The applicable Spanish Inheritance and Gift Tax rate would range between 0% (full exemption) and 81.6%, depending on relevant factors.

However, if the deceased, heir or the donee are resident in an EU or European Economic Area Member State, depending on the specific situation, the applicable rules will be those corresponding to the relevant autonomous regions according to the law.

Non-Spanish resident legal entities which acquire ownership or other rights over the Instruments by inheritance, gift or legacy are not subject to the Spanish Inheritance and Gift Tax. Such acquisitions will be subject to NRIT (as described above), except as provided in any applicable double tax treaty entered into by Spain. In general, double tax treaties provide for the taxation of this type of income in the country of tax residence of the Noteholder.

**Tax Rules for Notes not listed on a Multilateral Trading Facility, Regulated Market or any Organised Market in an OECD Country**

*Withholding on Account of IIT, CIT and NRIT*

If the Notes are not listed on a multilateral trading facility, regulated market or any other organised market in an OECD country on any payment date, interest or income from redemption or repayment obtained by Noteholders in respect of the Notes will be subject to withholding tax at the general rate of 19%, except in the case of Noteholders which are: (a) resident in a member state of the EU (other than Spain) or in a member state of the EEA (other than Spain) which has entered into an effective exchange of tax information agreement with Spain, and obtain the interest income either directly or through a permanent establishment located in another member state of the EU (other than Spain) or in a member state of the EEA (other than Spain) which has entered into an effective exchange of tax information agreement with Spain, provided that such Noteholders (i) do not obtain the interest income on the Notes through a permanent establishment in Spain and (ii) are not resident of, or are not located in, nor obtain income through, a tax haven (as defined by Royal Decree 1080/1991, of 5 July, as amended); or (b) Spanish financial entities which comply with the requirements established in Article 61.c) or Spanish securitisation funds which comply with the requirements established in Article 61.k) of Royal Decree 634/2015, of 10 July 2015 or non-Spanish financial entities acting through a Spanish branch as referred to in the second paragraph of Article 8.1 of the Non-Resident Income Tax Regulations approved by Royal Decree 1776/2004, of 30 July 2004; (c) resident for tax purposes of a country which has entered into a convention for the avoidance of double taxation with Spain which provides for an exemption from Spanish tax or a reduced withholding tax rate with respect to interest payable to any Noteholder which is entitled to benefit from such provisions.

*Net Wealth Tax (Impuesto sobre el Patrimonio)*

See the sections entitled “Spanish taxation – Individuals with Tax Residency in Spain – Net Wealth Tax (Impuesto sobre el Patrimonio)” and “Spanish taxation – Individuals and legal entities with no tax residency in Spain – Net Wealth Tax (Impuesto sobre el Patrimonio)” above.

**Information about Notes in Connection with Payments**

As described above, interest and other income paid with respect to the Notes will not be subject to Spanish withholding tax unless the procedures for delivering to the Issuer certain information and as described below are not complied with.

The information obligations to be complied with in order to apply the exemption are those laid down in Section 44 of Royal Decree 1065/2007 (“Section 44”).

In accordance with Section 44, the following information with respect to the Notes must be submitted to the Issuer before the close of business on the Business Day immediately preceding the date on which any payment of interest, principal or of any amounts in respect of the early redemption of the Notes (each, a “Payment Date”) is due.

Such information comprises:

- (a) the identification of the Notes with respect to which the relevant payment is made;
- (b) the date on which the relevant payment is made;
- (c) the total amount of the relevant payment; and
- (d) the amount of the relevant payment paid to each entity that manages a clearing and settlement system for securities situated outside of Spain.

In particular, the Issuing and Paying Agent must certify the information above about the Notes by means of a certificate in the Spanish language, an English language form of which is available from the Registrar and Issuing and Paying Agent for each Series of Notes.

In light of the above, the Issuer and the Issuing and Paying Agent have arranged certain procedures to facilitate the collection of information concerning the Notes by the close of business on the Business Day immediately preceding each relevant Payment Date. If, despite these procedures, the relevant information is not received by the Issuer on each Payment Date, such Issuer will withhold tax at the then-applicable rate, generally 19% from any payment in respect of the relevant Notes. The Issuer will not pay any additional amounts with respect to any such withholding.

If, before the tenth day of the month following the month in which interest is paid, the Issuing and Paying Agent provides such information, the Issuer, will reimburse the amounts withheld.

**Prospective Noteholders should note that neither the Issuer nor any of the Dealers accepts any responsibility relating to the procedures established for the collection of information concerning the Notes. Accordingly, neither the Issuer nor any of the Dealers will be liable for any damage or loss suffered by any Noteholder who would otherwise be entitled to an exemption from Spanish withholding tax but whose income payments are nonetheless paid net of Spanish withholding tax because these procedures prove ineffective. Moreover, the Issuer will not pay any additional amounts with respect to any such withholding.**

#### **FATCA and Common Reporting Standard**

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, as amended, commonly known as “**FATCA**”, a “foreign financial institution” may be required to withhold on certain payments it makes (“**foreign passthru payments**”) to persons that fail to meet certain certification, reporting, or related requirements. The Issuer is a foreign financial institution for these purposes. A number of jurisdictions (including Spain) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply to foreign passthru payments prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes that have a fixed term and are not treated as equity for U.S. federal income tax purposes, issued on or prior to the date that is six months after the date on which final regulations defining “foreign passthru payments” are filed with the U.S. Federal Register generally would be “grandfathered” for purposes of FATCA withholding on foreign passthru payments unless materially modified after such date. However, if additional instruments that are not distinguishable from previously issued Notes (as described under Condition 20 (“Further issues”)) are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding. Prospective purchasers should consult their own tax advisors regarding how these rules may apply to their investment in the Notes.

**FATCA is particularly complex legislation. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.**

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**CRS**”) requires certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.

*Claims of Noteholders of Senior Notes in respect of interest accrued but unpaid as of the commencement of any insolvency procedure in respect of the Issuer shall constitute subordinated claims (créditos subordinados) against the Issuer ranking in accordance with the provisions of Article 281.1.3º of the Insolvency Law and no further interest shall accrue from the date of the declaration of insolvency of the Issuer.*

*The obligations of the Issuer under the Senior Notes are subject to the Bail-in Power.*

*The Issuer expects that upon insolvency, the payment obligations in respect of principal under the Senior Non Preferred Notes would rank pari passu with any obligations in respect of principal of any second ranking senior instruments issued under the Programme or any other securities with the same ranking issued by the Issuer.*

#### 4.2 Status and ranking of Subordinated Notes

*This Condition 4.2 applies to the Notes only if the Pricing Supplement states that the Notes are Subordinated Notes.*

The payment obligations of the Issuer under Notes which specify their status as “**Senior Subordinated Notes**” or as “**Tier 2 Subordinated Notes**” in the relevant Pricing Supplement) on account of principal constitute direct, unconditional, unsecured and subordinated obligations (*créditos subordinados*) of the Issuer according to Article 281.1.2º of the Insolvency Law and, in accordance with Additional Provision 14.3º of Law 11/2015, but subject to any other ranking that may apply as a result of any mandatory provision of law (or otherwise), upon the insolvency of the Issuer rank:

- (a) in the case of Subordinated Notes specified as Senior Subordinated Notes, for so long as the obligations of the Issuer in respect of the relevant Senior Subordinated Notes constitute Senior Subordinated Liabilities of the Issuer:
  - (i) *pari passu* among themselves and with (A) all other claims for principal in respect of Senior Subordinated Liabilities and (B) any other subordinated obligations (*créditos subordinados*) which by law and/or by their terms, to the extent permitted by Spanish law, rank *pari passu* with the Issuer’s obligations under the relevant Subordinated Notes;
  - (ii) junior to (A) any unsubordinated obligations (*créditos ordinarios*) of the Issuer (including any Senior Non Preferred Liabilities) and (B) any other subordinated obligations (*créditos subordinados*) which by law and/or by their terms, to the extent permitted by Spanish law, rank senior to the Issuer’s obligations under the relevant Subordinated Notes; and
  - (iii) senior to (A) any claims for principal in respect of Additional Tier 1 Instruments or Tier 2 Instruments and (B) any other subordinated obligations (*créditos subordinados*) of the Issuer which by law and/or by their terms, to the extent permitted by Spanish law, rank junior to the obligations of the Issuer under the relevant Subordinated Notes; and

*This status is expected to apply if the Subordinated Notes are specified as Senior Subordinated Notes in the relevant Pricing Supplement.*

- (b) in the case of Subordinated Notes specified as Tier 2 Subordinated Notes and for so long as the obligations of the Issuer in respect of the relevant Subordinated Notes constitute Tier 2 Instruments of the Issuer:
  - (i) *pari passu* among themselves and with (A) all other claims for principal in respect of Tier 2 Instruments, and (B) any other subordinated obligations (*créditos subordinados*) which by law and/or by their terms, to the extent permitted by Spanish law, rank *pari passu* with the Issuer’s obligations under the relevant Subordinated Notes;
  - (ii) junior to (A) any unsubordinated obligations (*créditos ordinarios*) of the Issuer (including any Senior Non Preferred Liabilities), (B) any claim for principal in respect of Senior Subordinated Liabilities and (C) any other subordinated obligations (*créditos subordinados*) which by law and/or by their terms, to the extent permitted by Spanish law, rank senior to the Issuer’s obligations under the relevant Subordinated Notes; and

- (iii) senior to (A) any claims for principal in respect of Additional Tier 1 Instruments of the Issuer and (B) any other subordinated obligations (*créditos subordinados*) of the Issuer which by law and/or by their terms, to the extent permitted by Spanish law, rank junior to the obligations of the Issuer under the relevant Subordinated Notes.

*This status is expected to apply if the Subordinated Instruments are specified as Tier 2 Subordinated Notes in the relevant Pricing Supplement.*

*The obligations of the Issuer under the Subordinated Notes are subject to the Bail-in Power.*

## **5 Bail-in Power**

### **5.1 Acknowledgement**

Notwithstanding any other term of the Notes or any other agreement, arrangement or understanding between the Issuer and the Noteholders, by its subscription and/or purchase and holding of the Notes, each Noteholder (which for the purposes of this Condition 5 includes each holder of a beneficial interest in the Notes) acknowledges, accepts, consents to and agrees:

- (a) to be bound by the effect of the exercise of the Bail-in Power by the Relevant Resolution Authority, which may include and result in any of the following, or some combination thereof:
  - (i) the reduction of all, or a portion, of the Amounts Due on a permanent basis;
  - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
  - (iii) the cancellation of the Notes or Amounts Due;
  - (iv) the amendment or alteration of the maturity of the Notes or amendment of the interest amount payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period; and
- (b) that the terms of the Notes are subject to, any may be varied, if necessary, to give effect to, the exercise of the Bail-in Power by the Relevant Resolution Authority.

### **5.2 Payments of Interest and other outstanding Amounts Due**

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in the Kingdom of Spain and the European Union applicable to the Issuer or other members of the Group.

### **5.3 Notice to Noteholders**

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will make available a written notice to the Noteholders as soon as practicable regarding such exercise of the Bail-in Power. The Issuer will also deliver a copy of such notice to the Agents for information purposes. Any delay or failure to give notice to the Noteholders will not affect the validity or enforceability of the Bail-in Power.

### **5.4 Duties of the Agents**

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority:

- (a) the Agents shall not be required to take any directions from Noteholders; and
- (b) the Agency Agreement shall impose no duties upon any of the Agents whatsoever,

in each case with respect to the exercise of any Bail-in Power by the Relevant Resolution Authority.

## 5.5 Proration

If the Relevant Resolution Authority exercises the Bail-in Power with respect to less than the total Amounts Due, unless any of the Agents is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in Power will be made on a *pro-rata* basis.

## 5.6 Conditions Exhaustive

The matters set forth in this Condition 5 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any Noteholder.

---

## 6 Title and transfer of Notes

### 6.1 Title

Title to a Note passes when details of the transfer are entered in the Register.

### 6.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
  - (i) pay principal, any interest and any other amounts in accordance with these Conditions; and
  - (ii) otherwise to comply with the Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Conditions in respect of the Note.

### 6.3 Ownership and non-recognition of interests

- (a) Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of such Note subject to correction for fraud or proven error.
- (b) No notice of any trust or other interest in, or claim to, any Note will be entered in a Register. Neither the Issuer nor the Registrar need take notice of any trust or other interest in, or claim to, any Note, except as ordered by a court of competent jurisdiction or required by any applicable law or directive. This Condition 6.3(b) applies whether or not a Note is overdue.

### 6.4 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

### 6.5 Transfer

- (a) Noteholders may only transfer Notes in accordance with these Conditions.
- (b) Notes may be transferred in whole but not in part.

### 6.6 Transfer procedures

Interests in Notes held in a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System. If a Note is lodged in the Austraclear System, neither the Issuer nor the relevant Registrar will recognise any such interest other than the interest of Austraclear as the Noteholder while that Note is lodged in the Austraclear System.

### 6.7 Austraclear as Noteholder

If Austraclear is recorded in the Register as the Noteholder, each person in whose Security Record a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the Agency Agreement; and
- (b) the Noteholder does not rely on any fact, matter or circumstance contrary to paragraph (a).

**6.8 Restrictions on transfers**

Transfers of Notes which are not lodged in a Clearing System cannot be made between a Record Date and the relevant Interest Payment Date if a redemption of such Note is to occur during that period in accordance with these Conditions.

**6.9 Effect of transfer**

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Note and the transferee becomes so entitled in accordance with Condition 6.2 ("Effect of entries in Register").

**6.10 CHES**

Notes which are listed on the ASX will not be transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be "Approved Financial Products" for the purposes of that system.

**6.11 Estates**

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

**6.12 Unincorporated associations**

A transfer of a Note to an unincorporated association is not permitted.

**6.13 Transfer of unidentified Notes**

If a Noteholder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Noteholder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

**7 Fixed Rate Notes**

*This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.*

**7.1 Interest on Fixed Rate Notes**

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

**7.2 Fixed Coupon Amount**

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

**7.3 Calculation of interest payable**

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, by the outstanding principal amount of the Fixed Rate Note and by the applicable Day Count Fraction.

## 8 Floating Rate Notes

*This Condition 8 applies to the Notes only if the Pricing Supplement states that it applies.*

### 8.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the "Specified Period" in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

### 8.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

### 8.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 8.2 ("Interest Rate determination"), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

### 8.4 Screen Rate Determination

Where "Screen Rate Determination" is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition 8.4, "**Screen Rate**" means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the "Screen Rate" means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the "**Screen Rate**" means:
  - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
  - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

## 8.5 BBSW Rate Determination

Where "BBSW Rate Determination" is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate. Each Noteholder shall be deemed to acknowledge, accept and agree to be bound by, and consents to, such determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case as described below (in all cases without the need for any Noteholder consent). Any determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case described below will be binding on the Issuer, the Noteholder and each Agent.

In this Condition 8.5, "**BBSW Rate**" means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the "AVG MID" on the Bloomberg or Refinitiv Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at approximately 10.30 am (or such other time at which such rate customarily appears on that page, including, if corrected, as recalculated and republished by the relevant administrator) ("**Publication Time**") on the first day of that Interest Period. However, if such rate does not appear on the Bloomberg or Refinitiv Screen BBSW Page (or, in each case, any replacement page) by 10.45 am (Sydney time) on that day (or such other time that is 15 minutes after the then prevailing Publication Time), or if the (i) Calculation Agent (in consultation with the Issuer) determines that there is an obvious error in that rate or (ii) the rate is permanently or indefinitely discontinued or (iii) the relevant administrator makes a public statement that the rate has been or will be permanently or indefinitely discontinued or (iv) it has or will become unlawful for the Issuer or the Calculation Agent to use the rate, "**BBSW Rate**" means such other successor rate or alternative rate for BBSW Rate-linked floating rate notes at such time determined by the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternate financial institution appointed by the Issuer (in its sole discretion) to assist in determining the rate (in each case, a "**Determining Party**"), which rate is notified in writing to the Calculation Agent (with a copy to the Issuer) if determined by such Determining Party, together with such adjustment spread (which may be a positive or negative value or zero) that is customarily applied to the relevant successor rate or alternative rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for BBSW Rate-linked floating rate notes at such time (together with such other adjustments to the Business Day Convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such successor rate or alternative rate for BBSW Rate-linked floating rate notes at such time), or, if no such industry standard is recognised or acknowledged, the method for calculating or determining such adjustment spread determined by such Determining Party (in consultation with the Issuer) to be appropriate. The rate determined by such Determining Party will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001%).

## 8.6 Interpolation

If the Pricing Supplement states that "Linear Interpolation" applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

---

## 9 General provisions applicable to interest

### 9.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a "Maximum Interest Rate" or "Minimum Interest Rate" for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero.

### 9.2 Step Up Provisions

*This Condition 9.2 applies to the Notes only if the Pricing Supplement states that the Notes are Ordinary Senior Notes.*

If the Pricing Supplement states that this Condition 9.2 applies, the Interest Rate payable on Ordinary Senior Notes will be subject to adjustment from time to time, as set out in the Pricing Supplement.

**9.3 Calculation of Interest Rate and interest payable**

- (a) The Calculation Agent must, in relation to each Interest Period for each Note:
  - (i) calculate the Interest Rate in accordance with these Conditions and the Pricing Supplement; and
  - (ii) as soon as practicable after determining the Interest Rate, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

**9.4 Calculation of other amounts**

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

**9.5 Notification of Interest Rate, interest payable and other items**

- (a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:
  - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
  - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.
- (c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, each other Agent and each stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

**9.6 Determination final**

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest or proven error, final and binding on the Issuer, the Registrar, each Noteholder and each other Agent.

**9.7 Rounding**

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from those calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005% being rounded up to 0.00001%);
- (b) all figures resulting from those calculations must be rounded to five decimal places (with 0.000005 being rounded up to 0.00001); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
  - (i) in the case of Australian dollars, one cent; and
  - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

## 10 Redemption and purchase

### 10.1 Redemption on maturity

Each Note must be redeemed by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

### 10.2 Early redemption for taxation reasons

- (a) The Issuer may redeem all (but not some) of the Notes of a Series, in whole (but not in part) before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if, as a result of a change in, or amendment to, the laws or regulations of a Relevant Jurisdiction, including any treaty to which such Relevant Jurisdiction is a party, or any change in the application or interpretation of any such laws or regulations, including a decision of any court or tribunal, which change or amendment becomes effective on or after the Issue Date of the first Tranche of such Notes:
  - (i) in making any payments on the Notes, the Issuer has paid or will or would be required to pay Additional Amounts as provided in Condition 12.2 ("Withholding tax"); or
  - (ii) in the case of Subordinated Notes and Senior Non Preferred Notes:
    - (A) the Issuer is no longer entitled to claim a deduction in respect of any payments in relation to such Notes in computing its taxation liabilities or the value of such deduction to the Issuer would be materially reduced; or
    - (B) the applicable tax treatment of such Notes changes.

However, the Issuer may only do so if:

- (i) the Issuer has given not less than 15 days' nor more than 60 days' (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded;
- (ii) prior to the publication of any notice of redemption pursuant to this Condition 10.2, the Issuer shall deliver to the Registrar and the Commissioner:
  - (A) a certificate signed by two Authorised Signatories stating that the relevant circumstances giving rise to the right to redeem prevail and describing the facts leading thereto;
  - (B) an opinion of independent legal advisers of national recognised standing or other national tax adviser experienced in such matters to the effect that the relevant circumstances prevail; and
  - (C) in the case of Subordinated Notes and Senior Non Preferred Notes, a copy of the Regulator's and/or Relevant Resolution Authority's consent (if and as required therefor under Applicable Banking Regulations) to the redemption, to the extent required; and
- (iii) no notice of redemption is given earlier than 90 days (or in the case of Floating Rate Notes, 60 days prior to the Interest Payment Date occurring immediately before) the earliest date on which the Issuer:
  - (A) would be obliged to pay Additional Amounts;
  - (B) would no longer be entitled to claim a deduction or the amount of such deduction would be materially reduced; or
  - (C) would be obliged to apply the applicable tax treatment.
- (b) Redemption for taxation reasons under this Condition 10.2 will be subject to the prior consent of the Regulator and/or the Relevant Resolution Authority if and as required therefor under Applicable

Banking Regulations and may only take place in accordance with Applicable Banking Regulations in force at the relevant time.

### 10.3 Early redemption due to Capital Disqualification Event

*This Condition 10.3 applies to the Notes only if the Pricing Supplement states that the Notes are Tier 2 Subordinated Notes.*

- (a) The Issuer may redeem all (but not some) of the Tier 2 Subordinated Notes of a Series, in whole (but not in part) before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if a Capital Disqualification Event occurs as a result of a change (or any pending change which the Regulator considers sufficiently certain) in Spanish law or Applicable Banking Regulations becoming effective on or after the Issue Date of the first Tranche of such Tier 2 Subordinated Notes.

However, the Issuer may only do so if the Issuer has given not less than 15 days' nor more than 60 days' (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.

- (b) Redemption of Tier 2 Subordinated Notes for regulatory reasons under this Condition 10.3 is subject to the prior consent of the Regulator and/or the Relevant Resolution Authority if and as required therefor under Applicable Banking Regulations and may only take place in accordance with Applicable Banking Regulations in force at the relevant time.

### 10.4 Early redemption due to TLAC/MREL Disqualification Event

- (a) If the Pricing Supplement states that this Condition 10.4 applies, the Issuer may redeem all (but not some) of the Notes, in whole (but not in part), before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if a TLAC/MREL Disqualification Event has occurred and is continuing.

However, the Issuer may only do so if the Issuer has given not less than 15 days' nor more than 60 days' (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.

- (b) Redemption of Notes for regulatory reasons under this Condition 10.4 will be subject to the prior consent of the Regulatory and/or Relevant Resolution Authority if and as required therefor under Applicable Banking Regulations and may only take place in accordance with Applicable Banking Regulations in force at the relevant time. In addition, redemption of Tier 2 Subordinated Notes under this Condition 10.4 may only occur after five years from the date of issuance of such Notes or any other minimum period permitted by the Applicable Banking Regulations.

### 10.5 Early redemption at the option of Noteholders (Noteholder put)

If the relevant Pricing Supplement states that a Noteholder may require the Issuer to redeem all or some of the Notes of a Series held by that Noteholder before their Maturity Date under this Condition 10.5, the Issuer must redeem the Notes specified by the Noteholder at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if the following conditions are satisfied:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Noteholder has given not less than 60 days' nor more than 90 days' (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Noteholder to the Note;
- (c) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the Redemption Date is an "Early Redemption Date (Put)" specified in the Pricing Supplement; and
- (e) any other relevant condition specified in the Pricing Supplement is satisfied.

A Noteholder may not require the Issuer to redeem any Note under this Condition 10.5 if the Issuer has given notice that it will redeem that Note under Condition 10.2 ("Early redemption for taxation reasons") or

Condition 10.6 (“Early redemption at the option of the Issuer (Issuer call)”).

#### **10.6 Early redemption at the option of the Issuer (Issuer call)**

If the Pricing Supplement states that the Issuer may redeem all (but not, unless and to the extent that the relevant Pricing Supplement specifies otherwise, some only) of the Notes of a Series (in whole but not in part) before their Maturity Date under this Condition 10.6, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given not less than 15 days’ (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded;
- (c) the proposed Redemption Date is an “Early Redemption Date (Call)” specified in the Pricing Supplement; and
- (d) any other relevant condition specified in the Pricing Supplement is satisfied.

In the case of Subordinated Notes, Senior Non Preferred Notes and Ordinary Senior Notes eligible to comply with TLAC/MREL Requirements, redemption at the option of the Issuer pursuant to this Condition 10.6 will be subject to the prior consent of the Regulator and/or the Relevant Resolution Authority if and as required therefor under Applicable Banking Regulations and may only take place in accordance with Applicable Banking Regulations in force at the relevant time.

#### **10.7 Partial redemptions**

If only some of the Notes are to be redeemed under Condition 10.6 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed.

#### **10.8 Effect of notice of redemption**

Any notice of redemption given by the Issuer or a Noteholder under this Condition 10 is irrevocable.

#### **10.9 Late payment**

If an amount is not paid under Condition 10 when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the Default Rate specified in the Pricing Supplement (or, if no Default Rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder.

#### **10.10 Purchase**

- (a) The Issuer and any of its respective subsidiaries or any third party designated by it, may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may be held, reissued, resold, or at the option of such purchaser, cancelled by notice to the Registrar. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.
- (b) In the case of Subordinated Notes, Senior Non Preferred Notes and Ordinary Senior Notes eligible to comply with TLAC/MREL Requirements, the purchase of the relevant Notes by the Issuer or any of its subsidiaries shall take place in accordance with Applicable Banking Regulations in force at the relevant time and will be subject to the prior consent of the Regulatory and/or the Relevant Resolution Authority, if and as required.

## 11 Payments

### 11.1 Payment of principal and interest

Payments of principal and interest in respect of a Note will be made to each person registered at the close of business on the Record Date as the holder of that Note (or the first person to be registered in the case of joint holders).

### 11.2 Payments to accounts

Payments in respect of the Note will be made in Australia, unless prohibited by law, and:

- (a) if the Note is held in the Austraclear System, by crediting on the payment date, the amount due to:
  - (i) the account of Austraclear (as the Noteholder) in Australia previously notified to the Issuer and the Registrar; or
  - (ii) if requested by Austraclear, the accounts in Australia of the persons in whose Security Record a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Note is not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the relevant jurisdiction or financial centre for the currency in which the payment is made previously notified by the Noteholder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

### 11.3 Other payments

If the Noteholder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in the relevant jurisdiction or financial centre for the currency in which the payment is made in such manner as the Issuer may determine in its sole discretion and in no such circumstances will the Issuer be responsible for, nor will the Noteholder be entitled to, any additional payments for any delay in payment where the Noteholder has not notified the Registrar of an account for payment.

### 11.4 Payments subject to law

All payments are subject in all cases to:

- (a) any applicable fiscal or other laws and directives in any jurisdiction but without prejudice to the provisions of Condition 12 ("Taxation"); and
- (b) any withholding or deduction required pursuant to FATCA.

### 11.5 Payments on Business Days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention. The Noteholder is not entitled to any additional payment in respect of such delay.

### 11.6 Currency of account

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

---

## 12 Taxation

### 12.1 No set-off, counterclaim or deductions

All amounts payable (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Notes by the Issuer will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes unless such withholding or deduction is required by law.

### 12.2 Withholding tax

Subject to Condition 12.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Jurisdiction, the Issuer will pay such additional amounts (and in respect of Subordinated Notes, Senior Non Preferred Notes and Ordinary Senior Notes eligible to comply with the TLAC/MREL Requirements, in respect of the payment of any interest in respect of such Notes only (but not in respect of the payment of any payment of any principal in respect of such Notes)) so that, after making the deduction and further deductions applicable to additional amounts payable under the Conditions, each Noteholder is entitled to receive (at the time of payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

### 12.3 Withholding tax exemptions

No Additional Amounts shall be payable under Condition 12.2 (“Withholding tax”) in relation to any payment in respect of any Note:

- (a) to, or to a third party on behalf of, a Noteholder who is liable for such Taxes in respect of such Notes by reason of his having some connection with the Relevant Jurisdiction other than the mere holding of such Notes;
- (b) to, or to a third party on behalf of, a Noteholder in respect of whose Notes the Issuer does not receive such information as may be required in order to comply with the applicable Spanish Tax Reporting Obligations;
- (c) presented for payment more than 30 days after the Relevant Date, except to the extent that the relevant Noteholder would have been entitled to such Additional Amounts on presenting the same for payment on such period of 30 days;
- (d) to, or to a third party on behalf of, individuals resident for tax purposes in the Relevant Jurisdiction;
- (e) to, or to a third party on behalf of, a Spanish-resident legal entity subject to Spanish corporation tax if the Spanish tax authorities determine that the Notes do not comply with exemption requirements specified in the Reply to a Consultation of the Directorate General for Taxation (*Dirección General de Tributos*) dated 27 July 2004 and require a withholding to be made;
- (f) any Note to, or to a third party on behalf of, a holder of a Note where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or any similar law; or
- (g) any combination of the above.

Notwithstanding any other provision of these Conditions, if the Issuer, or any other person through whom payments on the Note are made, is required to withhold or deduct amounts under or in connection with, or in order to ensure compliance with FATCA, the Issuer shall be entitled to make such withholding or deduction and shall have no obligation to gross up any payment under these Conditions or to pay any additional amount referred to in Condition 12.2(b) (“Withholding tax”) or other amount for such withholding or deduction.

---

## 13 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within ten years (in the case of principal) or five years (in the case of interest and other amounts) from the date on which payment first became due.

## 14 Events of Default

### 14.1 Events of Default for Ordinary Senior Notes

*This Condition 14.1 applies to the Notes only if the Pricing Supplement states that the Notes are Ordinary Senior Notes.*

- (a) Unless otherwise specified in the relevant Pricing Supplement, an event of default in respect of Ordinary Senior Notes occurs if any of the following events (each an “**Event of Default**”) occurs and is continuing:
- (i) **(non-payment)** if default is made in the payment of any interest or principal in respect of the Ordinary Senior Notes of the relevant Series and such default continues for a period of seven Business Days;
  - (ii) **(breach of other obligations)** if the Issuer fails to perform or observe any of its other obligations under or in respect of the Ordinary Senior Notes and (except in any case where such failure is incapable of remedy when no such continuation as is hereinafter mentioned will be required) the failure continues for a period of 30 days following the service by the relevant Commissioner on the Issuer of a notice requiring the same to be remedied;
  - (iii) **(winding up)** if any order is made by any competent court or resolution passed for the winding up or liquidation of the Issuer;
  - (iv) **(cessation of business)** if the Issuer ceases or threatens to cease to carry on the whole or a substantial part of its business, save for the purposes of a reorganisation (except in any such case for the purpose of a reconstruction or a merger or amalgamation which has been previously approved by a resolution of the relevant Syndicate of Noteholders of the Ordinary Senior Notes or a merger with another financial institution in this case even without being approved by a resolution of the relevant Syndicate of Noteholders of the Ordinary Senior Notes, provided that any entity that survives or is created as a result of such merger is given a rating by an internationally recognised rating agency at least equal to the then current rating of the Issuer, as the case may be, at the time of such merger), or the Issuer stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class thereof) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent;
  - (v) **(insolvency proceedings)** if (A) proceedings are initiated against the Issuer under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application made for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer or in relation to the whole or a part of its undertaking or assets, or an encumbrancer takes possession of the whole or a part of its undertaking or assets, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a part of its undertaking or assets and (B) in any case is not discharged within 14 days; or
  - (vi) **(arrangements with creditors)** if the Issuer initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors).
- (b) If an Event of Default occurs and is continuing, the relevant Commissioner, acting upon a resolution of the relevant Syndicate of Noteholders of the Ordinary Senior Notes, in respect of all the Ordinary Senior Notes or any Noteholder (and provided that such Noteholder does not contravene the resolution of the relevant Syndicate (if any)) may by written notice to the Issuer and the Registrar, effective upon the date of receipt by the Issuer and the Registrar, declare such Ordinary Senior Notes to be (when permitted by applicable Spanish law) forthwith due and payable whereupon such Ordinary Senior Notes shall become immediately due and payable at their Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Ordinary Senior Notes to the contrary notwithstanding, unless prior thereto, all Events of Default in respect of the Ordinary Senior Notes shall have been cured.
- (c) If an Event of Default occurs (or, under Condition 14.1(a)(ii), an event which, after notice and lapse of time, would become an Event of Default), the Issuer must promptly after becoming aware of it notify

the Registrar of the occurrence of the event (specifying details of it) and use its reasonable endeavours to ensure that the Registrar promptly notifies the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Ordinary Senior Notes are listed, quoted and/or traded of the occurrence of the event.

- (d) Any notice, including any notice declaring Notes due, in accordance with this Condition 14.1 shall be made by means of a declaration in writing in the Spanish (with an accompanying English translation) or in the English language sent to the specified office of the Issuer and the Registrar together with reasonable proof that such Noteholder at the time of such notice is a holder of the relevant Notes.

#### **14.2 No Events of Default for Subordinated Notes, Senior Non Preferred Notes and certain Ordinary Senior Notes**

*This Condition 14.2 applies to the Notes only if the Pricing Supplement states that the Notes are Subordinated Notes or Senior Non Preferred Notes or if the Pricing Supplement states that Condition 14.1 does not apply to that Series of Ordinary Senior Notes.*

- (a) Save as provided below, there are no events of default under the Subordinated Notes, the Senior Non Preferred Notes and, to the extent that Condition 14.1 (“Events of Default for Ordinary Senior Notes”) has been so specified in the relevant Pricing Supplement as “Not Applicable”, the Ordinary Senior Notes, which could lead to an acceleration of the relevant Subordinated Notes, Senior Non Preferred Notes or those Ordinary Senior Notes.
- (b) However, if an order is made by any competent court commencing insolvency proceedings against the Issuer or if any order is made by any competent court or resolution passed for the insolvency, winding up or liquidation of the Issuer and such order is continuing, then any Noteholder may, unless there has been a resolution to the contrary by the Syndicate of Noteholders, by written notice to the Issuer and the Registrar, declare such Notes to be immediately due and payable, whereupon such Notes will be immediately due and payable at their Redemption Amount, together with accrued interest (if any) to the date of repayment without further action or formality.
- (c) Notwithstanding the above, if default is made in the payment of any interest or principal due in respect of the Notes and such default continues for a period of seven days then:
- (i) the Commissioner, acting upon a resolution of the Syndicate of Noteholders; or
- (ii) unless there has been a resolution to the contrary by the Syndicate of Noteholders (which resolution shall be binding on all Noteholders), any Noteholder in respect of the Notes held by such Noteholder,

may institute proceedings for the insolvency, winding up, liquidation or dissolution of the Issuer but may take no further or other action in respect of such default.

- (d) In addition:
- (i) the Commissioner, acting upon a resolution of the Syndicate of Noteholders; or
- (ii) unless there has been a resolution to the contrary by the Syndicate of Noteholders (which resolution shall be binding on all Noteholders), any Noteholder in respect of the Notes held by such Noteholder,

may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it or any damages.

#### **14.3 Exercise of Bail-in Power not an Event of Default**

Neither a cancellation of the Notes, a reduction, in part or in full, of the principal amount of the Notes or any accrued and unpaid interest on the Notes, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholders to any remedies (including equitable remedies), which are hereby expressly waived.

---

**15 Waiver of Set-Off**

If the Pricing Supplement states that this Condition 15 applies, no Noteholder may at any time exercise or claim any Waived Set-Off Rights against any right, claim, or liability the Issuer has or may have or acquire against such Noteholder, directly or indirectly, howsoever arising (and, for the avoidance of doubt, including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any sort, whether or not relating to such Instrument) and each Noteholder shall be deemed to have waived all Waived Set-Off Rights to the fullest extent permitted by applicable law in relation to all such actual and potential rights, claims and liabilities. Notwithstanding the preceding sentence, if any of the amounts owing to any Noteholder by the Issuer in respect of, or arising under or in connection with the Notes is discharged by set-off, such Noteholder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer and accordingly any such discharge shall be deemed not to have taken place.

For the avoidance of doubt, nothing in this Condition 15 is intended to provide, or shall be construed as acknowledging, any right of deduction, set-off, netting, compensation, retention or counterclaim or that any such right is or would be available to any Noteholder but for this Condition 15.

---

**16 Substitution and Variation**

If the Pricing Supplement specifies that this Condition 16 applies and if a Capital Disqualification Event, a TLAC/MREL Disqualification Event or a circumstance giving rise to the right of the Issuer to redeem the Notes for taxation reasons under Condition 10.2 (“Early redemption for taxation reasons”) occurs and is continuing, the Issuer may substitute all (but not some only) of the Notes (as the case may be) or modify the terms of all (but not some only) of the Notes, without any requirement for the consent or approval of the Noteholders, so that they are substituted for, or varied to, become, or remain, Qualifying Instruments, subject to having given not less than 15 days’ nor more than 60 days’ notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded (which notice shall be irrevocable and shall specify the date for substitution or, as applicable, variation), and subject to obtaining the prior consent of the Regulator and/or the Relevant Resolution Authority if and as required therefor under Applicable Banking Regulations and in accordance with Applicable Banking Regulations in force at the relevant time.

Any such notice shall specify the relevant details of the manner in which such substitution or variation shall take effect and where the Noteholders can inspect or obtain copies of the new terms and conditions of the Notes. Such substitution or variation will be effected without any cost or charge to the Noteholders.

Noteholders shall, by virtue of subscribing and/or purchasing and holding any Notes, be deemed to accept the substitution or variation of the terms of such Notes and to grant to the Issuer full power and authority to take any action and/or to execute and deliver any document in the name and/or on behalf of the Noteholders which is necessary or convenient to complete the substitution or variation of the terms of the Notes.

For the purpose of this Condition 15, “**Qualifying Instruments**” means at any time, any securities denominated in the specified currency of the Notes and issued directly by the Issuer, other than in respect of the effectiveness and enforceability of Condition 5 (“Bail-in Power”), that have terms not otherwise materially less favourable to the Noteholders than the terms of the Notes provided that the Issuer shall have delivered a certificate signed by two Authorised Signatories to that effect to the Registrar and the Commissioner not less than five Business Days prior to (x) in the case of a substitution of the Notes pursuant to this Condition 15, the issue date of the relevant securities or (y) in the case of a variation of the Notes pursuant to this Condition 15, the date such variation becomes effective, provided that such securities shall:

- (a) (i) in the case of Notes eligible to comply with TLAC/MREL Requirements, contain terms which comply with the then current requirements for TLAC/MREL Eligible Instruments as embodied in the Applicable Banking Regulations, and (ii) in the case of Tier 2 Subordinated Notes, contain terms which comply with the then current requirements for their inclusion in the Tier 2 Capital of the Issuer;
- (b) carry the same rate of interest as the Notes prior to the relevant substitution or variation pursuant to this Condition 15;
- (c) have the same denomination and aggregate outstanding principal amount as the Notes prior to the relevant substitution or variation pursuant to this Condition 15;
- (d) have the same date of maturity and the same dates for payment of interest as the Notes prior to the relevant substitution or variation pursuant to this Condition 15;
- (e) have at least the same ranking as set out in Condition 4 (“Status and ranking”);

- (f) not, immediately following such substitution or variation, be subject to a Capital Disqualification Event, a TLAC/MREL Disqualification Event and/or an early redemption right for taxation reasons according to Condition 10.2 (“Early redemption for taxation reasons”), as applicable; and
- (g) be listed or admitted to trading on any stock or securities exchange as selected by the Issuer, if the Notes were listed or admitted to trading on a stock or securities exchange immediately prior to the relevant substitution or variation pursuant to this Condition 15.

For the avoidance of doubt:

- (i) any change in the governing law of the Notes from New South Wales law to Spanish law so that the Notes become again or remain Qualifying Instruments shall not be subject to the requirement not to be materially less favourable to the interests of the Noteholders; and
- (ii) any variation in the ranking of the relevant Notes as set out in Condition 4 (“Status and ranking”) resulting from any such substitution or modification shall be deemed not to be materially less favourable to the interests of the Noteholders where the ranking of such Notes following such substitution or modification is at least the same ranking as is applicable to such Notes under Condition 4 (“Status and ranking”) on the Issue Date of such Notes.

## 17 Agents

- (a) In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any Noteholder.
- (b) Each initial Agent for a Series of Notes is specified in the Pricing Supplement. Subject to Condition 17(d), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.
- (c) Notice of any change of an Agent or its Specified Offices must promptly be given to the Noteholders by the Issuer or the Agent on its behalf.

  - (ii) if a Calculation Agent is specified in the Pricing Supplement, at all times maintain a Calculation Agent.

---

## 18 Meetings of Noteholders

The Meeting Provisions contain provisions (which have effect as if incorporated in these Conditions) for convening meetings of the Noteholders of any Series to consider any matter affecting their interests, including any variation of these Conditions.

The Noteholders of Notes of the relevant Series shall meet in accordance with the Meeting Provisions. The Meeting Provisions contain the rules governing the functioning of each Syndicate and the rules governing its relationship with the Issuer and shall be attached to the Public Deed of Issuance. A set of pro-forma Meeting Provisions is set out in the Deed Poll.

A Commissioner will be appointed for each Syndicate and will be specified in the relevant Pricing Supplement.

---

## 19 Variation

### 19.1 Variation with consent

Unless Condition 19.2 (“Variation without consent”) applies, any Condition may be varied by the Issuer in accordance with the Meeting Provisions.

### 19.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the Noteholders if the amendment:

- (a) is made to give effect to any successor rate or alternative rate for the BBSW Rate as provided in Condition 8.5 (“BBSW Rate Determination”);
- (b) is of a minor, formal, administrative or technical nature;
- (c) is made to correct a manifest or proven error;

- (d) is made to comply with the requirements or a modification of the requirements of any applicable law or directive;
- (e) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision; or
- (f) only applies to Notes issued by it after the date of amendment,

and, in any such case, the Issuer is of the opinion that such amendment will not be materially prejudicial to the interests of Noteholders generally.

---

## 20 Further issues

The Issuer may from time to time, without the consent of the Noteholders, create and issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the Issue Price, Issue Date and the first payment of interest) so as to form a single series with the Notes of that Series.

---

## 21 Notices

All notices and other communications to Noteholders must be in writing. Any such notice or other communication may be given by any of the following means:

### **22.2 Jurisdiction**

The Issuer irrevocably and unconditionally submits, and each Noteholder is taken to have submitted, to the non-exclusive jurisdiction of the courts of New South Wales, Australia and courts of appeal from them. The Issuer waives any right it has to object to any suit, action or proceedings (“**Proceedings**”) being brought in those courts including by claiming that the Proceedings have been brought in an inconvenient forum or that those courts do not have jurisdiction.

### **22.3 Serving documents**

Without preventing any other method of service, any document in any Proceedings in the courts of New South Wales, Australia may be served on the Issuer by being delivered or left with its process agent referred to in Condition 22.4 (“Agent for service of process”).

## 8. Form of Pricing Supplement

*The Pricing Supplement to be issued in respect of each Tranche of Notes will be substantially in the form set out below and will be duly completed to reflect the particular terms of the relevant Notes and their issue.*

**[MiFID II product governance / Professional investors and ECPs only target market** – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended (“**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. *[Consider any negative market]*. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

**[UK MIFIR product governance / Professional investors and ECPs only target market** – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. *[Consider any negative target market]*. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

**[EU PRIIPs Regulation / PROHIBITION OF SALES TO EEA RETAIL INVESTORS** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of [MiFID II / Directive 2014/65/EU, as amended (“**MiFID II**”)]; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently no key information document required by Regulation (EU) No 1286/2014 (the “**EU PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.]

**[UK PRIIPs Regulation / PROHIBITION OF SALES TO UK RETAIL INVESTORS** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No. 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the “**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the EUWA. *The following is an English translation of the pro forma Regulations which will be attached to the relevant Public Deed of Issuance in respect of each Series of Notes. In the event of any discrepancies between this translation and the Spanish language original, the Spanish version of these Regulations shall prevail.*

#### REGULATIONS OF THE SYNDICATE OF NOTEHOLDERS FOR THE ISSUE OF NOTES BY BANCO SANTANDER, S.A.

##### CHAPTER I

**Article 1. Object.** - The object of this Syndicate is to protect the legitimate interests of Noteholders against BANCO SANTANDER, S.A. **Article 3. Duration.** - The Syndicate shall exist until the rights of Noteholders to principal, interest and any other right shall have been fulfilled. The Syndicate shall be automatically dissolved upon the fulfilment of all such rights.

The right to represent shall be conferred in writing for each General Meeting.

**Article 10. Adoption of Resolutions** – The General Meeting shall approve valid resolutions by an absolute majority of affirmative votes in attendance and represented.

    - (A) that on the date thereof Notes of any Series (not being Notes in respect of which a block voting instruction has been issued and is outstanding in respect of the meeting specified in such voting certificate or any adjournment thereof) are registered in the Register maintained by the Registrar in the names of specified registered Noteholders; and
    - (B) that the Noteholder or his duly appointed representative is entitled to attend and vote at such meeting or any adjournment thereof in respect of the Notes represented by such certificate; and
  - (ii) **“block voting instruction”** shall mean a document in the English language issued by the Registrar and dated, in which:
    - (A) it is certified that Notes of any Series (not being Notes in respect of which a voting certificate has been issued and is outstanding in respect of the meeting specified in such block voting instruction and any adjournment thereof) are registered in the Register maintained by the Registrar in the names of specified Noteholders;
    - (B) it is certified that each Noteholder or a duly authorised agent on his or its behalf has instructed the Registrar that the vote(s) attributable to his or its Notes registered in the Register should be cast in a particular way in relation to the resolution or resolutions to be put to such meeting or any adjournment thereof and that all such instructions are, during the period of five days prior to the time for which such meeting or adjourned meeting is convened, neither revocable nor subject to amendment;
    - (C) the total number, principal amount outstanding and the serial numbers (if any) and series numbers of the Notes registered are listed, distinguishing with regard to each such resolution between those in respect of which instructions have been given as aforesaid that the votes attributable thereto should be cast in favour of the resolution and those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and
    - (D) any person named in such document (hereinafter called a **“proxy”**) is authorised and instructed by the Registrar to cast the votes attributable to the Notes so listed in accordance with the instructions referred to in (B) and (C) above as set out in such document.
- (b) A Noteholder may also by an instrument in writing in the form for the time being available from the specified office of the Registrar in the English language (hereinafter called a **“form of proxy”**) signed by the Noteholder or its duly appointed attorney or, in the case of a corporation, executed under its seal or signed on its behalf by its duly appointed attorney or a duly authorised officer of the corporation, appoint any Noteholder (hereinafter also called a **“proxy”**) to attend and act on his or its behalf in connection with any meeting or proposed meeting of the Noteholders.
- (c) Voting certificates, block voting instructions and forms of proxy shall be valid for so long as the relevant Notes shall not have been released or, in the case of a form of proxy, in the name of the appointor but not otherwise and notwithstanding any other provision of this Schedule and during the validity thereof the Noteholder of any such voting certificate, block voting instruction or, as the case may be, the proxy shall, for all purposes in connection with any meeting of Noteholders, be deemed to be the Noteholder of the relevant Series to which such voting certificate, block voting instructions or form of proxy relates and, the registered Noteholder(s) shall nevertheless be deemed for such purposes not to be the Noteholder of those Notes.
- 2 Whenever the Issuer or the relevant Commissioner is about to convene any such General Meeting of Noteholders it shall forthwith give notice in writing to the Registrar of the day, time and place (or way to hold the General Meeting) thereof and of the nature of the business to be transacted thereat, subject to the

regulations of the Syndicate Regulations. Every such General Meeting of Noteholders shall be held in Madrid (or by way of conference call or by use of a videoconference platform) at such time as the Registrar may approve, subject to the regulations of the Syndicate Regulations.

- 3 A copy of the notice shall be given to the Issuer unless the General Meeting of Noteholders is convened by the Issuer and a copy shall be given to the Registrar. Such notice shall be given in the manner provided in the Conditions and shall specify the terms of the resolutions to be proposed and shall include, inter alia, statements to the effect that (without prejudice to the provisions of paragraph 1(a)(i)(A)) registered Noteholders may obtain voting certificates or appoint proxies not later than (except in the case of a form of proxy) five days before the time fixed for the meeting but not thereafter.
- 4 Subject to article 8 of the Syndicate Regulations, the Issuer and the Registrar (through their respective representatives and in the case of the Issuer, save as permitted by the provisions of the Dealer Agreement) and their respective financial and legal advisers shall be entitled to attend and speak at any meeting of the Noteholders. No person shall be entitled to attend (save as aforesaid) or vote at any General Meeting of the Noteholders or to join with others in requesting the convening of such a meeting unless that person is the Noteholder or a voting certificate or a proxy.
- 5 Each block voting instruction and each form of proxy, together (if so required by the Issuer) with proof satisfactory to the Issuer of its due execution, shall be deposited at such place as the Issuer shall reasonably designate not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxy named in the block voting instruction or form of proxy proposes to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Commissioner decides otherwise before such meeting or adjourned meeting proceeds to business. A certified copy of each such block voting instruction and form of proxy and satisfactory proof as aforesaid (if applicable) shall, if required by the Issuer, be produced by the proxy at the meeting or adjourned meeting but the Issuer shall not thereby be obliged to investigate or be concerned with the validity of, or the authority of the proxy named in, any such block voting instruction or form of proxy.
- 6 Without prejudice to paragraph 1, any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Noteholders' instructions pursuant to which it was executed, provided that no intimation in writing of such revocation or amendment shall have been received by the Issuer or by the Commissioner, within 24 hours before the commencement of the meeting or adjourned meeting at which the block voting instruction or form of proxy is used.
