- (a) 13,820,096 shares to the previous shareholders of Acumentis (WA) Holdings Pty Ltd in relation to the Company's acquisition of the remaining 57.8% of Acumentis (WA) Holdings Pty Ltd; and
- (b) 967,243 shares to the Company's corporate advisors Enrizen Capital Pty Ltd in satisfaction of their fees in relation to the acquisition.

#### **ASX Listing Rules**

Resolution 5 seeks the ratification by shareholders, pursuant to ASX Listing Rule 7.4, of this share issue.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

The Company wishes to restore its 15% placement capacity under ASX Listing Rule 7.1 and accordingly, under ASX Listing Rule 7.4, seeks subsequent shareholder approval for the prior issue of securities.

#### **Specific Information Required by ASX Listing Rule 7.5**

For the purposes of ASX Listing Rule 7.5, information is provided as follows:

## **Renewal of Employee Incentive Schemes**

### **Resolution 7 – Renewal of All Employee Share Plan**

#### **Background**

This Resolution seeks Shareholder approval for the Company to renew the employee incentive scheme entitled the “All Employee Share Plan” (**AESP**) which was approved at the 2018 annual general meeting.

The AESP provides an opportunity for eligible employees to acquire up to \$1,000 worth of Shares in the Company. Additionally, the AESP will:

- encourage participation by employees in the Company through Share ownership;
- assist in the reward, retention and motivation of employees;
- align the economic interests of employees with Shareholders by providing an opportunity to earn rewards via an equity interest in the Company based on Shareholder value; and/or
- provide a tax efficient structure for the provision of equity to employees.

It is intended that any shares granted to eligible employees under the AESP will be purchased on market and accordingly will not result in a dilution of existing shareholders holdings.

A summary of the key terms of the AESP is set out in Annexure A, and a copy of the rules of the AESP is available upon request from the Company.

#### **ASX Listing Rules**

Shareholder approval of the AESP is sought for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13), so that Shares issued in accordance with the AESP will be excluded from the calculation of the maximum number of new Shares that can be issued by the Company in any 12 month period (currently 15% of Shares previously on issue) for a period of three years from the date of approval.

If this Resolution is approved by Shareholders, it will have the effect of enabling the securities issued by the Company under the AESP to be automatically excluded from the formula to calculate the number of securities which the Company may issue within any 12 month period under Listing Rule 7.1 (ie the 15% placement capacity) during the next three-year period.

The Company advises that approval for the AESP was obtained from Shareholders under ASX Listing Rule 7.2 (exception 9(b)) at the 2018 annual general meeting.

Since the 2018 annual general meeting, there have been no shares issued under the AESP.

It is intended that any shares granted under the AESP will be purchased on market, however if 25% of eligible employees elected to partake in the AESP for each of the next three years and the Company issued new shares to satisfy these elections the number of shares issued would not exceed 2,000,000.

#### **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote **in favour** of this Resolution.

## Resolution 8 – Renewal of Salary Sacrifice Employee Share Plan

### Background

This Resolution seeks Shareholder approval for the Company to renew the employee incentive scheme entitled the “Salary Sacrifice Employee Share Plan” (**SSP**) which was approved at the 2018 annual general meeting.

The SSP provides an opportunity for employees to purchase Shares in the Company via a salary sacrifice scheme. Additionally, the adoption of the SSP will:

- encourage participation by employees in the Company through Share ownership;
- assist in the reward, retention and motivation of employees;
- align the economic interests of employees with Shareholders by providing an opportunity to earn rewards via an equity interest in the Company based on creating Shareholder value; and/or
- provide a sufficient tax efficient structure for the provision of equity to employees.

Under the SSP, employees will be able to nominate an amount of up to \$5,000 per annum of their pre-tax income that they would like to salary sacrifice to acquire Shares under the SSP.

It is intended that any shares granted to eligible employees under the SSP will be purchased on market and accordingly will not result in a dilution of existing shareholders holdings.

A summary of the key terms of the SSP is set out in Annexure B, and a copy of the rules of the SSP is available upon request from the Company.

### ASX Listing Rules

Shareholder approval of the SSP is sought for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13), so that Shares issued in accordance with the SSP will be excluded from the calculation of the maximum number of new Shares that can be issued by the Company in any 12 month period (currently 15% of Shares previously on issue) for a period of three years from the date of approval.

If this Resolution is approved by Shareholders, it will have the effect of enabling the securities issued by the Company under the SSP to be automatically excluded from the formula to calculate the number of securities which the Company may issue within any 12 month period under Listing Rule 7.1 (ie the 15% placement capacity) during the next three-year period.

The Company advises that approval for the SSP was obtained from Shareholders under ASX Listing Rule 7.2 (exception 9(b)) at the 2018 annual general meeting.

Since the 2018 annual general meeting, there have been no shares issued under the SSP.

It is intended that any shares granted under the SSP will be purchased on market, however if 50% of eligible employees elected to partake in the SSP for each of the next three years and the Company issued new shares to satisfy these elections the number of shares issued would not exceed 3,000,000.

### Directors' recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of this Resolution.

## Resolution 9 – Renewal of Employee Share Option Plan

### Background

This Resolution seeks Shareholder approval for the Company to renew the employee incentive scheme entitled the “Employee Share Option Plan” (**ESOP**) which was approved at the 2018 annual general meeting.

The Company is proposing to adopt the ESOP for the following reasons:

- to assist in the reward, retention and motivation of employees;
- to link the reward of employees to Shareholder value creation; and
- to align the interests of employees with Shareholders by providing an opportunity to employees to earn rewards via an equity interest in the Company based on creating Shareholder value.

Whilst the ESOP includes the ability to issue options as well as performance rights, it is the intention to utilise performance rights only and for any such rights to include service hurdles as well as performance hurdles based on earnings per share growth and total shareholder returns.

A summary of the key terms of the ESOP is set out in Annexure C, and a copy of the rules of the ESOP is available upon request from the Company.

### ASX Listing Rules

Shareholder approval of the ESOP is sought for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13), so that Shares issued in accordance with the ESOP will be excluded from the calculation of the maximum number of new Shares that can be issued by the Company in any 12 month period (currently 15% of Shares previously on issue) for a period of three years from the date of approval.

If this Resolution is approved by Shareholders, it will have the effect of enabling the securities issued by the Company under the ESOP to be automatically excluded from the formula to calculate the number of securities which the Company may issue within any 12 month period under Listing Rule 7.1 (ie the 15% placement capacity) during the next three-year period.

The Company advises that approval for the ESOP was obtained from Shareholders under ASX Listing Rule 7.2 (exception 9(b)) at the 2018 annual general meeting.

Since the 2018 annual general meeting, the Company has issued 1,000,000 performance rights to the Chief Executive Officer as detailed in the ASX announcement dated 15 October 2020 and a further 1,440,000 on 17 September 2021 to executives other than the Chief Executive Officer (who was appointed Managing Director on 10 December 2020).

### Employee Share scheme buy-back

Section 257B(1) of the Corporations Act sets out the procedure for various forms of Share buy-back, including an “employee share scheme buy-back”. In order for the Company to undertake a buy-back of Shares under the ESOP using the employee share scheme buy-back procedure under the Corporations Act, the ESOP must be approved by Shareholders of the Company.

Accordingly, Shareholder approval is being sought under this Resolution to approve the ESOP in order for the Company to undertake a buy-back of Shares under the ESOP using the employee share scheme buy-back procedure under the Corporations Act.

### Directors’ recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of this Resolution.

## Resolution 10 – Approval of the Chief Executive Officer & Managing Director’s participation in the Employee Share Option Plan (“ESOP”) for Long Term Incentive Plan (“LTIP”) purposes

### Background

The Company seeks approval from shareholders to issue up to 240,000 performance rights to the CEO & MD, Mr Timothy Rabbitt, under the ESOP (assuming this is renewed in accordance with **Resolution 9**) in order to establish Mr Rabbitt’s LTIP for 2022. The Company intends to issue the performance rights on 29 October 2021.

If **Resolution 10** is not passed, the Company will not be able to proceed with the issue of performance rights to Mr Rabbitt to establish his 2022 LTIP and will, instead, consider establishing a cash based 2022 LTIP.

On 15 October 2020, 1,000,000 performance rights were issued to Mr Rabbitt relating to his FY2021 LTIP. At that time, Mr Rabbitt was Chief Executive Officer but not Managing Director and accordingly the issue of these performance rights did not require shareholder approval. They were, however, issued under the ESOP that was approved by shareholders at the 2018 AGM.

If **Resolution 10** is approved, any performance rights issued to Mr Rabbitt will have the following vesting conditions:

	Proposed FY2022 Performance Rights	Existing FY2021 Performance Rights <sup>1</sup>
<b>Service Condition</b>	The CEO must remain employed for 3 years (to finalisation of FY24 audit of the financial statements). If the service condition is not met, none of the performance rights will vest.	The CEO must remain employed for 3 years (to finalisation of FY23 audit of the financial statements). If the service condition is not met, none of the performance rights will vest.
<b>Market Condition</b>	50% of the performance rights will vest if the total shareholder return (“TSR”) for Acumentis is at least equal to the TSR for the ASX300 for the period 1 July 2021 to 30 June 2024.	50% of the performance rights will vest if the total shareholder return (“TSR”) for Acumentis is at least equal to the TSR for the ASX300 for the period 1 July 2020 to 30 June 2023.
<b>Performance Condition</b>	The remaining 50% of the performance rights will vest pro-rata based on the earnings per share of Acumentis Group Limited being between 2.5 cents and 3.4 cents for the year ended 30 June 2024.	The remaining 50% of the performance rights will vest pro-rata based on the earnings per share of Acumentis Group Limited being between 2.4 cents and 3.2 cents for the year ended 30 June 2023.

*Note 1: The vesting conditions for the existing FY2021 performance rights are included for comparison purposes only to assist shareholders in considering whether to approve the FY2022 performance rights.*

The Board will retain the discretion to adjust the number of rights that ultimately vest and/or the service condition period if it forms the view that the unadjusted outcome is not appropriate to the circumstances that prevailed over the measurement period.

The Board will retain the discretion to determine that some or all unvested rights held lapse on a specified date if allowing the rights to vest would, in the opinion of the Board, result in an inappropriate benefit to the rights holder. Such circumstances would include joining a competitor or actions that harm the Company’s stakeholders.

In the case of fraud or misconduct, all unvested rights would be forfeited

The maximum number of performance rights issued of 240,000 would, based on weighted average price of the Company’s shares for the 10 days to 27 August 2021 of 12.5 cents, have a current value of \$30,000 which represents 7.5% of Mr Rabbitt’s fixed annual remuneration.

The issue of shares, if the performance rights vest, would be subject to further shareholder approval at the 2024 AGM.

The general explanations of the CEO & MD’s remuneration arrangements were previously released to the Australian Stock Exchange and these remain unchanged. Mr Rabbitt’s total remuneration package (salary, short term & long term incentives) for the financial year ended 30 June 2021 was \$542,663.

## Remuneration strategy for the CEO & MD

The Company's remuneration levels are competitively set to attract and retain appropriately qualified and experienced directors and senior executives.

The remuneration of the CEO & MD includes a mix of fixed components and performance-based incentives comprising short term incentives ("STI's") and long term incentives ("LTI's").

Component	Settled	How Measured
Fixed	Cash	Market rates, reviewed annually.
Short Term Incentive ("STI")	Cash	The performance of the Consolidated Entity and the individual performance of the executives based on achievement of specific key performance indicators (KPI's) which include financial and non-financial targets. STI's and the associated KPI's are reviewed and set annually with STI payments, if any, being made post finalisation of the annual external audit.
Long Term Incentive ("LTI")	Share Based	The performance of the Consolidated Entity and the individual performance of the executives. The performance of the Consolidated Entity is based on total shareholder return and earnings per share. LTI's have a minimum period of 3 years and are forfeited if the executive ceases to be employed by the Consolidated Entity.

The board considers that the performance-based incentive is appropriate as it directly aligns the CEO & MD's reward with the Company's performance.

## ASX Listing Rules

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1 a director of the company;
- 10.14.2 an associate of the company; or
- 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of performance rights falls within ASX Listing Rule 10.14.1 above and therefore the Company requires the approval of its shareholders under ASX Listing Rule 10.14. **Resolution 10** seeks shareholder approval for the issue of performance rights under and for the purposes of ASX Listing Rule 10.14.

Shareholders should note that the issue of the performance rights and any shares that are ultimately issued, if and when the performance rights vest, are pursuant to Exception 14 under ASX Listing Rule 7.2, and accordingly, if approved, will not reduce the Company's 15% placement capacity.

## Directors' recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of this Resolution.

# Annexures

## Annexure A – Summary of All Employee Share Plan

Under Resolution 7 of this Notice of Meeting, the Company is seeking Shareholder approval of its proposed broad-based employee Share plan, the All Employee Share Plan (**AESP**).

Under the AESP, eligible employees of the Company (as determined by the Board) will be offered participation in the AESP and the right to be allocated up to \$1,000 worth of fully paid ordinary Shares. The Company's current intention is for the Shares allocated under the AESP to be acquired and held on behalf of participants via the Employee Share Trust.

The terms and conditions of the AESP are set out in comprehensive rules. A summary of the rules of the AESP is set out below.

The method of payment for Shares issued under the AESP will be determined by the Board from time to time, having regard to the following:

- (a) the Company may issue Shares to participants for such amount as determined (including for nil consideration);
- (b) the Shares may be purchased by employees either by cash or salary sacrifice, as permitted under applicable law;
- (c) the Company may make contributions on behalf of participants in relation to any Shares to be acquired or issued to participants; and/or
- (d) any combination of points (a) to (c) above.

The AESP does not include any provision to enable either the Company or an employee to loan money to another employee to facilitate their participation in the AESP.

The AESP has been structured to enable qualifying Australian based employees to receive Shares free of income tax, provided conditions in the current Australian tax legislation are satisfied. To comply with those requirements, Shares acquired under the AESP cannot be disposed of or sold until the earlier of three years after the date on which they are allocated to participants and the date on which the holder ceases to be an employee of the Company or one of its subsidiary companies.

Offers made under the AESP may be administered through a trust arrangement.

## Annexure B – Summary of Salary Sacrifice Employee Share Plan

Subject to the approval of Resolution 8 under this Notice of Meeting, the Company intends to renew the Salary Sacrifice Employee Share Plan (**SSP**) to assist in the reward, retention and motivation of the its employees.

Under the SSP, eligible employees (determined at the discretion of the Board) will be offered the right to acquire Shares in the Company by sacrificing a maximum of \$5,000 per annum of their pre-tax income. The Company's current intention is for the Shares allocated under the SSP to be acquired and held on behalf of participants via the Employee Share Trust.

Participating employees must elect to make their salary sacrifice contributions under the SSP by way of:

- (a) regular deductions from the participant's remuneration during the relevant year; or
- (b) a lump sum deduction from their remuneration in the first payroll period during the relevant year; or
- (c) deductions from the participant's commission and/or bonuses as or when the participant receives them; or
- (d) some other manner as determined and approved by the Board.

The SSP does not allow employees to participate in the plan in the following circumstances:

- (a) if, immediately after the Shares are acquired, the participant holds a beneficial interest in 10% or more of the Shares in the Company;
- (b) if, immediately after the Shares are acquired, the participant is in a position to cast, or to control the casting of, 10% or more of the maximum number of votes that might be cast at a general meeting of the Company; and/or
- (c) if ASIC Class Order 14/1000 is being relied on, unless the conditions for relying on that class order are satisfied.

As only a whole number of Shares can be purchased or issued under the SSP, the Company may deal with any residual contributions in any manner it sees fit, including:

- (a) holding it on behalf of the participant and applying it towards a future acquisition of Shares under the SSP;
- (b) donating it to a charity of the Company's choice; or
- (c) returning it to the participating employee.

Subject to certain conditions being satisfied, any income tax payable by an employee in relation to the acquisition of Shares can be deferred for up to 15 years.

Each participating employee may not dispose of, deal in or grant any security interest over a Share issued under the SSP until the earlier of:

- (a) the date which is 15 years after the date of issue, transfer or allocation of the Share under the SSP;
- (b) when the participant ceases to be an employee of the Company; or
- (c) the end of any other period determined by the Board.

Offers made under the SSP may be administered through a trust arrangement.

## Annexure C – Summary of Employee Share Option Plan

Subject to the approval of Resolution 9 under this Notice of Meeting, the Company intends to renew the Employee Share Option Plan (**ESOP**) to assist in the reward, retention and motivation of the Company's Directors, senior management, and other key employees.

Under the rules of the ESOP, the Board has the discretion to offer any of the following awards to senior management, directors and other nominated key employees:

- (a) options to acquire Shares;
- (b) performance rights to acquire Shares; and/or
- (c) Shares (referred to the ESOP as Share Awards).

The provision of the above securities to eligible employees is subject to service-based conditions and/or performance hurdles (collectively, the **Awards**).

The terms and conditions of the ESOP are set out in comprehensive rules. A summary of the rules of the ESOP is set out below:

- (a) The ESOP is open to Directors, senior management, and any other employees of the Company, as determined by the Board. Participation is voluntary.
- (b) The Board may determine the type and number of Awards to be issued under the ESOP to each participant and other terms of issue of the Awards, including:
  - (i) what service-based conditions and/or performance hurdles must be met by a participant in order for an Award to vest (if any);
  - (ii) the fee payable (if any) by a participant on the grant of Awards;
  - (iii) the exercise price of any option granted to a participant;
  - (iv) the period during which a vested option can be exercised; and
  - (v) any forfeiture conditions or disposal restrictions applying to the Awards and any Shares that a participant receives upon exercise of their options or performance rights.
- (c) When any service-based conditions and/or performance hurdles have been satisfied, participants will receive fully vested Shares or their options/performance rights will become vested and will be exercisable over/converted to Shares (as applicable).
- (d) Each option and performance right enables the participant to be issued, or to be transferred, one Share upon the exercise of an option or the conversion of a performance right, subject to the rules governing the ESOP and the terms of any particular offer.
- (e) Participants holding options or performance rights are not permitted to participate in new issues of securities by the Company, but adjustments may be made to the number of Shares over which the options or performance rights are granted and/or the exercise price (if any) to take into account changes in the capital structure of the Company, as a result of a reorganisation of its capital, in accordance with the rules of the ESOP and the ASX Listing Rules.
- (f) The ESOP limits the number of Awards that the Company may grant without Shareholder approval, such that the sum of all Awards on issue (assuming all options and performance rights were exercised) do not at any time exceed, in aggregate, 10% of the total issued capital of the Company as at the date of commencement of the ESOP.
- (g) The Board may delegate management and administration of the ESOP, together with any of their powers or discretions under the ESOP, to a committee of the Board or to any one or more persons selected by them as the Board thinks fit.

Offers made under the ESOP may be administered through a trust arrangement.
