

## Announcement to Shareholders and the ASX

### SAUNDERS INTERNATIONAL SECURES \$17 MILLION IN NEW INFRASTRUCTURE PROJECTS

Sydney – 8 March 2022

Saunders International Ltd (ASX:SND) is pleased to announce today, that it has been awarded \$17 million in new Infrastructure projects. These new project awards include:

- The design and construction of a 52m long bridge for a NSW Local Government Authority in the Narrabri region.
- The construction of a 4 span, 45m long bridge including approach road works for a NSW Local Government Authority in the Port Macquarie region.
- The manufacture and delivery of 166 Super T bridge girders for 4 bridges as part of the Sydney Gateway project. The Sydney Gateway project provides a connection from the St Peters interchange to the domestic and international terminals at Sydney Airport.

These projects will contribute to Saunders' revenue and earnings from Q3-FY22 and through FY23. In addition to these wins, Saunders is the preferred contractor for circa \$11m of new infrastructure projects with final contractual negotiations currently being completed.

Chief Executive Officer, Mark Benson said: "Saunders has a strong track record of successfully delivering projects to the public and private infrastructure sector in NSW. These project wins highlight our capabilities in delivering projects to this sector and strengthens our relationships with key customers. These wins further validate our strategy to target the Federal and NSW Governments' infrastructure spend. With more bridge construction opportunities coming to market through the 'NSW Replacing Country Bridge' program, we are confident Saunders will continue its' growth in this sector."
