Parties

Each person whose name and contact details are set out in Schedule 1 (the *Initial Guarantors*).

AusNet Services Holdings Pty Ltd (ABN 97 086 006 859) of Level 31, 2 Southbank Boulevard, Southbank Victoria 3006 (the *Issuer*).

Recitals

- A The Issuer proposes to issue Notes from time to time.
- B Notes are unconditionally and irrevocably guaranteed by the Guarantors under the Guarantee.

It is agreed as follows.

1 Deed

1.1 Benefit and entitlement

Each Holder has the benefit of, and is entitled to enforce, this deed even though it is not a party to, or is not in existence at the time of execution and delivery of, this deed.

1.2 Rights independent

Each Holder may enforce its rights under this deed independently from each other Holder.

1.3 Holders bound

Each Holder and any person claiming through or under a Holder is bound by this deed. The Notes will be issued on the basis that each Holder is taken to have notice of, and be bound by, all the provisions of this deed and the terms and conditions of the Notes.

1.4 Joint and individual liability

Each Guarantor is liable for the obligations of the Guarantors under this deed both individually and jointly with one or more other persons named in this deed as a 'Guarantor'.

1.5 Assignment of rights

The Guarantors are not entitled to assign or transfer all or any of their rights, benefits and obligations under this deed. Each Holder is entitled to assign all or any of its rights and benefits under this deed.

1.6 Issuer's role

The Issuer is a party to this deed solely for the purposes set out in clause 15 (Changes to Guarantors).

2 Guarantee and indemnity

2.1 Guarantee

Each Guarantor unconditionally and irrevocably guarantees payment to each Holder of the Guaranteed Money. If the Issuer does not pay the Guaranteed Money on time and in accordance with the Note Documents, then each Guarantor agrees to pay the Guaranteed Money to the Holder on demand from the Holder. A demand may be made at any time and from time to time and whether or not the Holder has made demand on the Issuer.

2.2 Indemnity

Each Guarantor unconditionally and irrevocably agrees:

- (a) that any sum that, although expressed to be payable by the Issuer under the Note Documents, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, such Guarantor or any Holder) not recoverable from such Guarantor on the basis of this Guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor; and
- (b) as a primary obligation to indemnify each Holder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under the Note Documents not being paid on the date and otherwise in the manner specified in this Guarantee or any payment obligation of the Issuer under the Note Documents being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Holders), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum. It is not necessary for a Holder to incur expense or make payment before enforcing this right of indemnity.

2.3 No demand

Notwithstanding the provisions of clause 2.1 (Guarantee), no demand is required and the Guarantors' payment obligations under this deed will become due immediately where the Issuer fails to pay in accordance with the Note Documents any amount due to any person who is from time to time a Holder.

3 Interest on overdue amounts

3.1 Obligation to pay

If a Guarantor does not pay any amount under this deed (including an amount of interest payable under this clause 3.1) on the due date for payment, the Guarantor must pay interest on that amount at the Default Rate. The interest accrues daily from (and including) the due date to (but excluding) the date of actual payment and is calculated on actual days elapsed and a year of 365 days.

3.2 Compounding

Interest payable under clause 3.1 (Obligation to pay) which is not paid when due for payment is added to the overdue amount every 30 days. Interest is payable on the increased overdue amount at the Default Rate in the manner set out in clause 3.1 (Obligation to pay).

3.3 Interest following judgment

If a liability becomes merged in a judgment, the Guarantor must pay interest on the amount of that liability as an independent obligation. This interest:

- (a) accrues daily from (and including) the date the liability becomes due for payment both before and after the judgment up to (but excluding) the date the liability is paid; and
- (b) is calculated at the rate fixed or payable under the judgment rate or the Default Rate (whichever is higher).

4 Waiver of rights

Each Guarantor waives any right it has of first requiring any Holder to commence proceedings or enforce any other right against the Issuer or any other person before claiming under this deed.

5 Covenants

Each Guarantor agrees to comply with the covenants relating to them set out in the terms and conditions of the Notes.

6 Nature of guarantee

The guarantee and indemnity created by this deed is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Guaranteed Money.

7 Rights of the Holders are protected

Rights given to the Holders under this deed, and each Guarantor's liabilities under it, are not affected by any act or omission of a Holder or any other person or by anything else that might otherwise affect them under law or otherwise. For example, those rights and liabilities are not affected by:

- (a) any act or omission:
 - (i) varying or replacing any arrangement under which the Guaranteed Money is expressed to be owing;
 - (ii) releasing the Issuer or giving the Issuer a concession (such as more time to pay);
 - (iii) releasing any person who gives a guarantee or indemnity in connection with any of the Issuer's obligations (including under clause 15.3 (Release of Guarantor));
 - (iv) releasing, losing the benefit of, or not obtaining any security interest or negotiable instrument;
 - (v) by which the obligations of any person who guarantees any of the Issuer's obligations (including under this deed) may not be enforceable;
 - (vi) by which any person who was intended to guarantee any of the Issuer's obligations does not do so, or does not do so effectively;
 - (vii) by which a person who is a co-surety or co-indemnifier for payment of the Guaranteed Money is discharged under an agreement or by operation of law; or
 - (viii) by which any security interest which could be registered is not registered;
- (b) a person dealing in any way with a security interest, guarantee, indemnity, judgment or negotiable instrument;
- (c) the death, mental or physical disability or insolvency of any person including a Guarantor or the Issuer;
- (d) changes in the membership, name or business of any person;
- (e) the Issuer opening an account with them;
- (f) acquiescence or delay by a Holder or any other person; or
- (g) an assignment of rights in connection with the Guaranteed Money.

8 Guarantor's rights are suspended

As long as any of the Guaranteed Money remains unpaid, each Guarantor may not, without the consent of the Holders:

- (a) reduce its liability under this deed by claiming that it or the Issuer or any other person has a right of set-off or counterclaim against any Holder;

- (b) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, or security interest given in connection with the Guaranteed Money or any other amount payable under this deed. (For example, a Guarantor may not try to enforce or require the enforcement of any security interest any Holder has taken to ensure repayment of the Guaranteed Money);
- (c) claim an amount from the Issuer, or another guarantor of the Guaranteed Money (including a person who has signed this deed as a 'Guarantor'), under a right of indemnity; or
- (d) claim an amount in the insolvency of the Issuer or of another guarantor of the Guaranteed Money (including a person who has signed this deed as a 'Guarantor').

9 Reinstatement of rights

Under law relating to insolvency, a person may claim that a transaction (including a payment) in connection with this deed, the Notes or the Guaranteed Money is void or voidable. If a claim is made and upheld, conceded or compromised, then:

- (a) each Holder is immediately entitled as against each Guarantor to the rights in respect of the Guaranteed Money to which they were entitled immediately before the transaction; and
- (b) each Guarantor agrees to do anything (including signing any document) to restore to a Holder any security interest (including the security interest created by this deed) held by them from the Guarantor immediately before the transaction.

This clause survives the termination of any Note Document and remains in full force and effect despite any settlement of account or the occurrence of any other thing.

10 Costs

10.1 What the Guarantors agree to pay

The Guarantors agree to pay each Holder promptly on demand:

- (a) the Holder's costs, charges and expenses properly incurred in making, enforcing and doing anything in connection with this deed including, but not limited to, legal costs and expenses on a full indemnity basis; and
- (b) any stamp duties which are payable in connection with this deed or a payment, receipt or other transaction contemplated by it.

10.2 Order of payment

Money paid to a Holder by the Guarantors must be applied first against payment of costs, charges and expenses under this clause then against other obligations under this deed.

11 Payments

11.1 Manner of payment

Each Guarantor agrees to make payments (including by way of reimbursement) under this deed:

- (a) in immediately available funds; and
- (b) in full without set-off or counterclaim, and without any deduction in respect of Taxes unless required by law or made for or on account of FATCA.

If a Holder directs the Guarantor to pay a particular party or in a particular manner, the Guarantor is taken to have satisfied its obligation to a Holder by paying in accordance with the direction, to the extent of the amount of such payment.

The Guarantor satisfies a payment obligation only when the Holder or the person to whom it has directed payment actually receives the amount.

11.2 Currency of payment

The Guarantor waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Guarantor satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

12 Withholding tax

12.1 Payments by Guarantor

Subject to clause 12.2 (Withholding tax exemptions), if a law requires a Guarantor to withhold or deduct an amount in respect of Taxes from a payment under this deed such that a Holder (**Indemnified Party**) would not actually receive on the due date the full amount provided for under this deed, then:

- (a) the Guarantor agrees to withhold or deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by the Commonwealth of Australia or a political sub-division of it, the Guarantor must pay an additional amount so that, after making the deduction, the Indemnified Party is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

12.2 Withholding tax exemptions

The Guarantor is not required to pay an additional amount under clause 12.1(b) (Payments by Guarantor):

- (a) to the extent the Issuer would not, if it were making a payment of Guaranteed Money, be liable for the additional amount under Condition 13.3 or 13.4 of the Notes; or
- (b) where the withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation to the Guarantor under section 255 of the Tax Act or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or any similar law.

 - (iii) such document will be returned to the Custodian on request and is capable of being made available in respect of any other legal proceeding, claim or action brought by another Holder in relation to such other Holder's rights under this deed.

The Issuer may only do this and the release will only be effective if, upon releasing the Guarantor from the guarantee and indemnity under this deed, the Issuer would not be in breach of clause 15.1 (Issuer's obligations). The consent of Holders is not required as a condition to the release of any Guarantor under this clause 15.3.
