POWER OF ATTORNEY

If the proxy form is signed under a power of attorney on behalf of a Shareholder, then the attorney must make sure that either the original power of attorney or a certified copy is sent with the proxy form, unless the power of attorney has already been provided to the Share Registry.

CORPORATE REPRESENTATIVES

If a representative of a corporate Shareholder or a corporate proxy will be attending the Meeting, the representative should bring to the Meeting adequate evidence of their appointment, unless this has previously been provided to the Share Registry.

An appointment of corporate representative form may be obtained from Computershare by online at: <https://www-au.computershare.com/Investor/#Help/PrintableForms>.

VOTING BY NON-REGISTERED SHAREHOLDERS IN CANADA

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Canadian Shareholders are “non-registered” or “beneficial” Shareholders (“Non-Registered Shareholders”) because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares.

Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (“Intermediary”) that the Non-Registered Shareholder deals with in respect of the Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“CDS”)) of which the Intermediary is a participant.

In accordance with applicable securities law requirements, the Company will have distributed copies, via mail or electronically, of the Meeting Materials to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders.

Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form (“VIF”) which is not signed by the Intermediary and which, when properly completed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “VIF”) which the Intermediary must follow. Typically, the VIF will consist of a one-page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in Canada and the United States. Broadridge typically prepares a machine-readable VIF, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone). Broadridge then tabulates the results of all votes received from the non-registered shareholders which it provides to Computershare to present at the Meeting. Sometimes, instead of the one-page pre-printed form, the VIF will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. For this form of proxy to validly constitute a VIF, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. A Non-Registered Shareholder who receives a VIF cannot use that form to vote his or her Shares at the Meeting;

OR

- (ii) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Investor Services, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided.

The Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and how the VIF is to be delivered.

A Non-Registered Shareholder may revoke a VIF or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a VIF or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting. Non-Registered Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("Objecting Beneficial Owners" or "OBOs") and those who do not object to their identity being made known to the issuers of the securities they own ("Non-Objecting Beneficial Owners" or "NOBOs").

The Company will not send Meeting Materials directly to the OBOs and NOBOs as it will send the Meeting Materials through intermediaries and agents to the OBOs and NOBOs.

Voting Exclusion Statement

For the definitions of Key Management Personnel (**KMP**) and Closely Related Parties, please refer to the Glossary on page 18.

The Corporations Act restricts members of the KMP of the Company and their Closely Related Parties from voting in relation to remuneration related Resolutions (such as Resolutions 1 and 8).

In addition, separate voting restrictions apply in respect of Resolution 8 under the ASX Listing Rules.

What this means for Shareholders

If you intend to appoint a member of the KMP (other than the Chairman of the Meeting) as your proxy, please ensure that you direct them how to vote on Resolution 1. If you do not do so, your proxy will not be able to vote on your behalf on Resolution 1.

If you intend to appoint the Chairman of the Meeting as your proxy (and you are not a KMP or a Closely Related Party), you are encouraged to direct him how to vote by marking a box for Resolution 1 (for example if you wish to vote for, or against, or to abstain from voting). If you appoint the Chairman as your proxy without directing him how to vote on a resolution where he is a related party, the Chairman will not be able to vote on your behalf. However, the Company will not disregard a vote cast by the Chairman of the Meeting where it is in accordance with a direction on the proxy form to vote as the proxy decides. The Chairman of the Meeting intends to vote in favour of all Resolution 1 (where permissible). If you do not want your vote exercised in favour of Resolution 1, you should direct the Chairman of the Meeting to vote “against”, or to abstain from voting on Resolution 1.

The Company will disregard votes cast on Resolution 1 by the persons detailed in the table below.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether to pass the Resolutions in the Notice of Meeting.

In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Financial Report, and on the management of Austral.

No resolution is required for this item, but Shareholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

The Company's auditor will be present at the Meeting. During the discussion of this item, the Auditor will be available to answer questions on the:

Please note that all written questions must be received at least five business days before the Meeting, that is, by 20 May 2022.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT FOR THE PERIOD ENDED 31 DECEMBER 2021

The Remuneration Report is set out in the Financial Report for the period ended 31 December 2021. The Remuneration Report details the Company's remuneration arrangements for the Directors and senior management of the Company.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 1 is advisory only and not binding on the Company or its Directors.

However, under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report then:

- If comments are made on the Remuneration Report at the Meeting, Austral's Remuneration Report will be required to include an explanation of the Board's proposed action response or, if no action is proposed, the Board's reasons for this; and
- If, at next year's AGM, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report are against it, Austral will be required to put to Shareholders a resolution proposing that an Extraordinary General Meeting (**EGM**) be called to consider the election of Directors (**Spill Resolution**). If the Spill Resolution is passed (i.e. more than 50% of the votes cast are in favour of it), all of the Directors (other than the Managing Director) will cease to hold office at the subsequent EGM, unless re-elected at that Meeting.

Last year, a resolution was passed to adopt the 2021 Remuneration Report, with in excess of 75% of votes cast in favour of the resolution on a poll (noting that in excess of 75% of proxies lodged were also in favour of the resolution).

In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Remuneration Report.

Clause 13.2 of the Constitution requires that all the Directors must retire at each Annual General Meeting. In accordance with this clause the Managing Director of the Company is exempt from retiring.

Directors who retire under clause 13.2 are eligible for re-election.

Clause 17.4 of the Constitution notes that a Managing Director shall not retire by rotation in accordance with clause 13.2. As Mr. Stabro Kasaneva is the Company's Managing Director, he is not required to retire as a Director and therefore does not require re-election at this meeting. In addition, ASX Listing Rule 14.5 requires that an entity which has directors to hold an election of directors at each annual general meeting.

4. RESOLUTION 8 - APPROVAL OF 10% CAPACITY TO ISSUE EQUITY SECURITIES

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholder approve this Resolution. However, if Shareholders approve this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) potential investments; and
- (b) general working capital.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.0380 50% decrease in issue price	\$0.076 issue prices ^(b)	\$0.152 100% increase in issue price
"A" is the number of shares on issue, being 612,311,353 Shares ^(a)	10% voting dilution ^(c)	61,231,135	61,231,135	61,231,135
	Funds raised	\$2,326,783	\$4,653,566	\$9,307,133
"A" is a 50% increase in shares on issue, being 918,467,030 Shares	10% voting dilution ^(c)	91,846,703	91,846,703	91,846,703
	Funds raised	\$3,490,175	\$6,980,349	\$13,960,699

"A" is a 100% increase in shares on issue, being 1,224,622,706 Shares	10% voting dilution ^(c)	122,462,271	122,462,271	122,462,271
	Funds raised	\$4,653,566	\$9,307,133	\$18,614,265

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 31 March 2022.
- (b) Based on the closing price of the Company's Shares on ASX as at 31 March 2022.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If an when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Board Recommendation: *The Directors recommend that Shareholders vote for this Resolution.*
