

Monthly Net Tangible Asset (NTA) backing at 30 April 2022

The unaudited NTA backing for the Company's ordinary shares as at 30 April 2022 is as follows:

NTA before providing for estimated capital gains tax	\$41.58 per share
NTA after providing for estimated capital gains tax	\$34.23 per share

Under ASX Listing Rules the company is required to provide both the NTA before and the NTA after providing for estimated capital gains tax in respect of unrealized investment portfolio gains. The company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time.

The NTA figures for the previous month end, as at 31 March 2022, were \$41.37 before providing for capital gains tax and \$34.10 after providing for capital gains tax.

The calculation of the NTA figures is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.
