

## Change of Director's Holding – Jeremy Young

Jeremy Young, as director and co-founder of Atomos, today announces a change in shareholding of the Young Family Trust, of which he is a beneficiary. The trust sold 10,000,000 shares of which 7,272,727 shares were via an on-market sale and a further 2,727,273 via an off-market transfer.

The other beneficiary of the Young Family Trust is Claire Young. Claire was instrumental in helping to build Atomos and Jeremy would like to acknowledge that fact and thank her for all efforts and support across the years. This share sale is the first time that either Jeremy or Claire have sold an interest in Atomos since the company was first founded in 2010 and results in an appropriate realisation for the efforts across the years. The proceeds will be used for a number of matters including the settlement of tax and other obligations and the purchase by Claire of a home.

Post the transaction the Young Family Trust will continue to hold an interest of 7,731,333 shares.

Authorised for ASX release by Jeremy Young, Director and Co-Founder.

**About Atomos:**

Atomos is a global video technology company delivering award-winning, simple to use monitor-recorder content creation products. These products give content creators across the rapidly growing social, pro-video and entertainment markets a faster, higher quality and more affordable production system.

Atomos' range of products take images directly from the sensor of all major camera manufacturers, then enhance, record and distribute them in high-quality formats for content creation using the major video editing software programs. Since being founded in 2010, Atomos has established strategic relationships with key technology providers within the ecosystem including Apple, Adobe, Sony, Canon, Panasonic, Nikon and JVC Kenwood.

Atomos is based in Australia with offices in the USA, Japan, China, UK and Germany and has a worldwide distribution partner network.
