Awarded Art Gallery NSW Contract

FOS Capital Ltd (ASX:FOS) is pleased to announce it has been awarded the contract to supply its Zero Framing Projector to the Art Gallery of NSW. The contract value of \$520,000 will be supplied over the coming months.

FOS, in conjunction with exclusive distribution partner Forma Lighting, developed the new 'Zero Framing Projector' specifically for use in art galleries and museums.

We are pleased to have been successful with this contract, competing against many established, quality luminaires in the market. We expect this to be one of many orders for this unique product and are looking forward to working closely with the gallery.

This Announcement has been authorised for release to ASX by the board of FOS Capital Ltd.
