

## FLEXIROAM PARTNERS WITH SPLIT TO OFFER BNPL TO MALAYSIAN AND SINGAPOREAN MOBILE USERS - CLARIFICATION

Flexiroam Limited (ASX: **FRX**) (**Flexiroam** or the **Company**) refers to its announcement dated 3 March 2021 in relation to an agreement with Split, a leading Singapore and Malaysia-based FinTech company offering buy-now-pay-later (**BNPL**) solutions (**Agreement**).

Under the Agreement, Split will be offered as a Flexiroam Wallet payment option to purchase Flexiroam products, with customers being able to make payments in up to three interest-free instalments. Split will earn a transaction fee on each sale generated via its payment portal.

The Agreement is for an initial 18-month term unless either party gives at least 30 days' notice to terminate prior to the expiry of the current term. The Agreement otherwise contains terms and conditions which are customary for an agreement of this nature.

At present, the economic impact of the Agreement with Split is unknown due to the variable nature of the transaction fee that is dependent on customer usage. Flexiroam, however, expects that partnering with Split may have a material impact on Flexiroam's growth prospects.
