**About Gefen Technologies**

Gefen Technologies is the world's first platform provider that transforms agent-based networks into digital sales fleets.

Gefen's platform enables the fast transformation of existing agent networks at a large scale, empowering agents and the brands they represent to thrive in today's digital-first world. It is the only solution that enables the digital distribution of business strategy, tactics and processes through agents all the way to the last mile - the end customer.

Agent networks and global enterprises that have deployed Gefen's fully automated technology benefit from unique insights on their customers, compliance-at-scale and a more satisfied sales force. Agents become more efficient, productive and professional while also exceeding customer's omnichannel service and sales expectations. Gefen is already being used by some of the world's leading insurers and is currently expanding into new sectors and verticals.

With Gefen, any agent becomes a digital expert in an instant. Transform your agents into an entirely evolved digital distribution fleet - with unparalleled business results.
