How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the proxy form accompanying this Notice of Meeting or by submitting their proxy appointment and voting instructions by person, post, courier or facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the meeting, if possible, so that their holding may be checked against the Company's Share register and attendances recorded. A properly executed original (or certified copy) of an appropriate power of attorney under which an attorney has been authorised to attend and vote at the Meeting must be received by the Company's Share registry by 11am (AWST) on 16 November 2021 (48 hours before the commencement of the Meeting) in the same manner as outlined for proxy forms below to be effective.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of their appointment, including any authority under which it is signed unless previously given to the Company's Share registry.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit.
- Should any resolution, other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

- Shareholders who return their proxy forms with a direction how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chairman of the meeting as their proxy to vote on their behalf. If a proxy form is returned but the nominated proxy does not attend the Meeting, the Chairman of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chairman of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used where possible to support each of the resolutions proposed in this Notice.

- To be effective, proxies must be received by 11am (AWST) on 16 November 2021. Proxies received after this time will be invalid.

- Proxies may be lodged using any of the following methods:

Online: www.linkmarketservices.com.au

By fax: +61 2 9287 0309 (outside Australia)

The proxy form must be signed by the Shareholder or the Shareholder's attorney. Proxies given by corporations must be executed in accordance with the Corporations Act. Where the appointment of a proxy is signed by the appointer's attorney, a certified copy of the power of attorney, or the power itself, must be received by the Company at the above address, or by facsimile, and by 11am (AWST) on 16 November 2021. If facsimile transmission is used, the power of attorney must be certified.

Shareholders who are entitled to vote

In accordance with Regulations 7.11.37 and 7.11.38 of the *Corporations Regulations 2001*, the Board has determined that a person's entitlement to vote at the Meeting will be the entitlement of that person set out in the register of Shareholders as at 4.00pm (AWST) on 16 November 2021.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of Anova Metals Limited ("**Anova**" or the "**Company**").

FINANCIAL REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2021 together with the Directors' declaration and report in relation to that financial year and the auditor's report on those financial statements. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of accounts; and
- the independence of the auditor in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the auditor or their representative to answer any written questions submitted to the auditor under section 250PA of the Corporations Act.

RESOLUTION 1 – NON-BINDING RESOLUTION TO ADOPT REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a Resolution that the remuneration report as disclosed in the Company's 2021 Annual Report be adopted.

The remuneration report is set out in the Company's 2021 Annual Report and is also available on the Company's website (www.anovametals.com.au).

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the remuneration report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended 30 June 2020 did not receive a vote of more than 25% against its adoption at the Company's last general meeting held on 26 November 2020. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the remuneration report it will not result in the Company putting a Spill Resolution to Shareholders. However, a Spill Resolution will be required if the remuneration report at the 2022 annual general meeting receives a vote of more than 25% against its adoption.

The remuneration report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the remuneration report.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice. In particular, the directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the Resolution.

Shareholders are urged to carefully read the proxy form and provide a direction to the proxy on how to vote on this Resolution.

RESOLUTION 2 – RE-ELECTION OF MR EDWARD RIGG AS A DIRECTOR

Rule 7.3 of the Constitution provides that at every annual general meeting of the Company, one-third of the Directors (excluding any alternate Directors and the Managing Director), rounded down to the nearest whole number, shall retire from office. A retiring Director is eligible for re-election.

Pursuant to Rule 7.3(d) of the Company's Constitution, Mr Edward Rigg retires by way of rotation and being eligible, offers himself for re-election as a Director.

Mr Rigg has extensive experience in the execution of mergers, acquisitions and capital raisings for both public and private companies and is an active originator of domestic and cross border transactions predominantly in the metals and mining and energy sectors. He is a co-founder of Argonaut, an integrated investment house with corporate, stockbroking and research and special situations financing capability in the Australia/Asian region, where he serves as Executive Chairman and Head of ECM. Prior to establishing Argonaut, Eddie was an Executive Director, Investment Banking of CIBC World Markets, a global investment bank. Eddie is a 40Under40 and City of Perth Business Award winner.

The Board considers that Mr Rigg, if elected, will continue to qualify as an independent Director.

The Directors support the re-election of Mr Rigg and recommend Shareholders vote in favour of this Resolution.

RESOLUTION 3 – ELECTION OF DR AMANDA BUCKINGHAM AS A DIRECTOR

Resolution 3 seeks approval for the election of Dr Amanda Buckingham as a Director with effect from the end of the Meeting.

Rule 7.2 of the Constitution provides that the Directors may at any time appoint a person to be a Director. Any Director so appointed holds office only until the next following annual general meeting and is then eligible for election, but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Dr Buckingham was appointed as an additional Non-Executive Director of the Company on 14 October 2021.

Dr Buckingham retires from office in accordance with the requirements of Rule 7.3(f) of the Constitution and being eligible, offers herself for re-election as a Director.

Dr Buckingham has been involved full-time in mineral exploration for over 20 years. Dr Buckingham founded and remains a major shareholder and director of companies in the United States, Australia and Singapore.

Dr Buckingham founded Fathom Geophysics in 2007, an industry leading geophysical group.

Dr Buckingham's early career was at major mining companies such as Rio Tinto and several listed juniors. She has wide-ranging exploration experience in North and Sub-Saharan Africa, North and South America, South East and Central Asia, Russia and Europe. Dr Buckingham is a research fellow at the University of Western Australia and a founder of Cygnus Gold Limited.

The Board considers that Dr Buckingham, if elected, will qualify as an independent Director.

The Directors support the election of Dr Buckingham and recommend Shareholders vote in favour of this Resolution.

RESOLUTION 4 – ADDITIONAL 10% PLACEMENT CAPACITY

3.1 Background to Resolution 4

Listing Rule 7.1A enables an Eligible Entity to seek approval by special resolution at its annual general meeting to issue Equity Securities up to 10% of its issued capital over a period of up to 12 months after the annual general meeting, in addition to those under the 15% annual placement capacity (**10% Placement Capacity**).

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and had a market capitalisation at the close of business on 13 October 2021 of \$31.52 million, based on a share price of \$0.022.

The effect of Resolution 4 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue during the period up to 12 months after the Meeting, without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

The equity securities must be in the same class as an existing class of quoted equity securities. The Company currently has only one class of equity securities on issue, being fully paid ordinary shares.

The exact number of equity securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid Shares issued in the 12 months:
 - (1) under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
 - (2) on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the 12-month period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;
 - (3) under an agreement to issue securities within Rule 7.2 exception 16 where:
 - the agreement was entered into before the 12-month period; or

- the agreement or issue was approved, or taken under the Listing Rules to be approved, under Listing Rule 7.1 or 7.4; and
- (4) with Shareholder approval under Listing Rule 7.1 or 7.4. This does not include any issue of Shares under the Company's 15% annual placement capacity without Shareholder approval;

(B) plus the number of partly paid shares that became fully paid in the 12 months; and

(C) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of Shares under Listing Rule 7.4.

If Resolution 4 is passed, the Company will be able to issue equity securities up to a combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

3.2 Technical information required by ASX Listing Rule 7.1A

In accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Date of issue

The 7.1A mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- the date that is 12 months after the date of this Meeting;
- the time and date of the Company's next annual general meeting; and
- the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities (**Agreed Issue Date**); or
- if the Equity Securities are not issued within 10 ASX trading days of the Agreed Issue Date, the date on which the Equity Securities are issued.

(c) Risk of dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the voting interests and may dilute the economic interests of Shareholders who do not receive Equity Securities under the issue.

The table below seeks to demonstrate the potential dilution of existing Shareholders resulting from the issue of Equity Securities under the 10% Placement Capacity calculated in accordance with the formula contained in Listing Rule 7.1A.2. The table does this by setting out the potential number of Shares issued and funds raised on the basis of:

- the current number of Shares on issue;
- the number of Shares on issue changing (variable 'A' in the formula); and
- a variation in the issue price of the Shares (noting that Shares may only be issued at up to a 25% discount based on the volume weighted average price of the Shares calculated over the 15 ASX trading days preceding the issue).

Voting Dilution				
No. of Shares on Issue (Variable A in formula)	Dilution Variable	\$0.011 (50% decrease in current Share Price)	\$0.022 (Current Share Price)	\$0.033 (50% increase in current Share Price)
1,433,094,200 (Current)	Additional 10% Shares Issued	143,309,420	143,309,420	143,309,420
	Funds Raised (\$)	1,576,404	3,152,807	4,729,211
2,149,641,300 (50% increase) *	Additional 10% Shares Issued	214,964,130	214,964,130	214,964,130
	Funds Raised (\$)	2,364,605	4,729,211	7,093,816
2,866,188,400 (100% increase) *	Additional 10% Shares Issued	286,618,840	286,618,840	286,618,840
	Funds Raised (\$)	3,152,807	6,305,614	9,458,422

Table 1: Voting Dilution

* The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that does not require Shareholder approval (such as under a pro-rata rights issue) or an issue of Shares with Shareholder approval under Listing Rule 7.1.

Table 1 uses the following assumptions:

- The current number of Shares on issue is the Shares on issue as at 11 October 2021.
- The current issue price is the closing price of the Shares on the ASX on 11 October 2021.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

- (iv) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (v) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (vi) the market price for the Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (vii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration to raise capital for future projects, to pursue growth opportunities, continued expenditure on the Company's current assets and for general working capital.

(e) Allocation under the 10% Placement Capacity

The allottees of any issue of Equity Securities to be issued under the 10% Placement Capacity have not been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of any issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (as applicable).

(f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval under Listing Rule 7.1A at its annual general meeting on 26 November 2020.

In the 12 months preceding the date of the meeting, the Company has not issued or agreed to issue any securities under Listing Rule 7.1A.2.

4.3 Recommendation

The Board recommends that Shareholders vote in favour of this Resolution.
