The Corporations Act restricts members of the KMP of the Company and their Closely Related Parties from voting in relation to remuneration related Resolutions (such as Resolution 1), voting prohibitions.

In addition, separate voting restrictions apply in respect of Resolution 4 under the ASX Listing Rules, voting exclusions.

If you do not do so, your proxy will not be able to vote on your behalf on Resolution 1.

If you intend to appoint the Chairman of the Meeting as your proxy, you are encouraged to direct him how to vote by marking the boxes for Resolution 1 (for example if you wish to vote for, or against, or to abstain from voting). If you appoint the Chairman as your proxy without directing him how to vote, the Proxy Form authorises him to vote as he decides on Resolution 1 (even though those Resolutions are connected with the remuneration of KMP). - (a) the person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution 1; or
- (b) the person is the Chairman of the Meeting and the appointment of the Chairman as proxy:
 - i. does not specify the way the proxy is to vote on Resolution 1; and
 - ii. expressly authorises the Chairman to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP.

Resolution 4 – Approval of Employee Incentive Plan

Voting Exclusion Statement:

The Company will disregard any votes cast in favour of Resolution 4 by a person who is eligible to participate in the employee incentive scheme.

 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

However, under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report then:

- if comments are made on the Remuneration Report at the Meeting, EMVision's 2021 Remuneration Report will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at next year's AGM, at least 25% of the votes cast on the resolution for adoption of the 2021 Remuneration Report are against it, EMVision will be required to put to Shareholders a resolution proposing that an Extraordinary General Meeting (**EGM**) be called to consider the election of Directors (**Spill Resolution**). If the Spill Resolution is passed (i.e. more than 50% of the votes cast are in favour of it), all of the Directors (other than the Managing Director) will cease to hold office at the subsequent EGM, unless re-elected at that Meeting.

In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Remuneration Report.

4. RESOLUTION 4 – APPROVAL OF EMPLOYEE INCENTIVE PLAN

Background

The Company's Employee Securities Incentive Plan (Plan) was disclosed on the ASX on 11 December 2018 as part of the Company's pre quotation disclosures and a summary of the terms of the Plan is set out in Schedule 1.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Equity Securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

As at the date of this Notice, the Company proposes to issue a maximum of 15,000,000 equity securities under the Plan within the three year period following approval of this Resolution. It is however noted that this maximum number is not intended to be a prediction of the actual number of equity securities to be issued under the Plan, but is instead a ceiling for the purposes of ASX Listing Rule 7.2 Exception 13(b).

ASX Listing Rules 7.1 and 7.1A

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.1A provides an eligible entity may issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting.

ASX Listing Rule 7.2

ASX Listing Rule 7.2 (Exception 13(b)) sets out an exception to ASX Listing Rules 7.1 and 7.1A which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rules 7.1 and 7.1A.

If Resolution 4 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue securities using its placement capacities and without Shareholder approval.

In the event that Shareholders do not approve Resolution 4, the Company will not be able to issue equity securities to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without seeking Shareholder approval in any 12 month period.

The number of securities issued under the Employee Incentive Plan since it was disclosed on the ASX on 11 December 2018 as part of the Company's pre quotation disclosures are:

Type	Number	Exercise Price	Expiry Date
Options	400,000	\$0.57	1-Jul-2022
Options	1,000,000	\$1.25	6-May-2023
Options	400,000	\$1.90	1-Sep-2023
Options	700,000	\$3.95	29-Sep-2023
Options	200,000	\$4.50	1-Feb-2024
Options	750,000	\$4.45	20-Oct-2024
Total	3,450,000		

Shareholder approval

Shareholder approval is sought for the adoption of the Plan in accordance with ASX Listing Rule 7.2 (Exception 13(b)).

Any future issues of Shares under the Plan to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

Board recommendation: *The Directors unanimously recommend that Shareholders vote in favour of the approval of the Employee Securities Incentive Plan.*

5. RESOLUTIONS 5 – APPROVAL OF 10% PLACEMENT CAPACITY

5.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes and as at the date of this Notice has a market capitalisation of approximately \$211,980,914.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (please refer to Section 5.2(c) below).

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

5.2 ASX Listing Rule 7.1A

(a) Shareholder approval and Specific information required by Listing Rule 14.1A

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

If Resolution 5 is passed the Company will have the ability to issue Equity Securities under the 10% Placement Facility.

If Resolution 5 is not passed the Company will not have the ability to issue Equity Securities under the 10% Placement Facility.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of the Notice, the Company has one quoted class of Equity Securities on issue on the ASX, being the Shares (ASX Code: EMV).

(c) Formula for calculating 10% Placement Capacity

The exact number of Equity Securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (C) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of Shares under the Company's 15% placement capacity without Shareholder approval; and
- (D) less the number of Shares cancelled in the previous 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating the Company's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

5.3 Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5.

(a) Approval Period

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(b) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Purpose of Issue under 10% Placement Capacity

The Company may seek to issue the Equity Securities under the 10% Placement Facility in order to fund the Company's ongoing product development, clinical trials, regulatory approvals, corporate administration and general working. The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon any issue of Equity Securities.

(d) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A.2)	Dilution			
	Issue Price (per Share)	\$1.45 (50% decrease in current issue price)	\$2.90 (Current issue price)	\$4.35 (50% increase in current issue price)
73,096,867	Shares issued - 10% voting dilution	7,309,687	7,309,687	7,309,687
(Current Variable A)	Funds raised	\$10,599,046	\$21,198,091	\$31,797,137

109,645,301 (50% increase in Variable A)*	Shares issued - 10% voting dilution	10,964,530	10,964,530	10,964,530
	Funds raised	\$15,898,569	\$31,797,137	\$47,695,706
146,193,734 (100% increase in Variable A)*	Shares issued - 10% voting dilution	14,619,373	14,619,373	14,619,373
	Funds raised	\$21,198,091	\$42,396,183	\$63,594,274

The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue, a scrip issued under a takeover offer or the issue of Shares on the exercise of options which complied with ASX Listing Rules when issued) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. Variable "A" in the above table is calculated with reference to the total shares on issue as at 25 October 2021.
2. The issue price set out above is the closing price of the Shares on the ASX on 25 October 2021.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;

- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new assets or investments.

(f) Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained approval under ASX Listing Rule 7.1A at an Annual General Meeting on 26 November 2020.

No Equity Securities were issued under Listing Rule 7.1A in the 12 month period preceding the date of the Meeting.

At the time of despatching the Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.

Board recommendation: *The Directors unanimously recommend that Shareholders vote in favour of the resolution.*

SCHEDULE 1: SUMMARY OF THE COMPANY'S EMPLOYEE SECURITIES INCENTIVE PLAN

The Company's Employee Securities Incentive Plan (**Plan**) was disclosed on the ASX on 11 December 2018. A summary of the terms of the Plan is set out below:

Eligible Participant

Eligible Participant means a person that:

- i. is an "eligible participant" (as that term is defined in ASIC Class Order 14/1000) in relation to the Company or an Associated Body Corporate (as that term is defined in ASIC Class Order 14/1000); and
- ii. has been determined by the Board to be eligible to participate in the Plan from time to time.

Purpose

The purpose of the Plan is to:

- i. assist in the reward, retention and motivation of Eligible Participants;
- ii. link the reward of Eligible Participants to Shareholder value creation; and
- iii. align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

Eligibility, invitation and application

- i. The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.
- ii. On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.
- iii. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 15 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- i. any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- ii. any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that

allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

Rights attaching to Plan Shares

All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- i. transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- ii. take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the

Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
