

# ASX Release

9 November 2021

## DUG to present at TechOpps 2021 virtual investment conference

DUG Technology Ltd (ASX: DUG) (“**DUG**” or the “**Company**”) advises that Managing Director, Dr Matthew Lamont, will be presenting at Market Eye’s TechOpps 2021 virtual conference on Wednesday, 10 November 2021.

The conference will be run over 10-11 November, with some of Australasia’s leading and emerging tech companies explaining how they’re transforming the way people live and helping society operate during these unprecedented times.

The Keynote speaker for the event is The Hon. Josh Frydenberg MP, Federal Treasurer and Deputy Leader of the Liberal Party.

Attendance is free. To register for the event and view the full program please go to: <https://techopps.live/>

DUG Technology will be presenting at 11:00am AEDT on Wednesday, 10 November 2021.

Authorised for release by the Board of DUG Technology Ltd.

**ENDS**

## About DUG

DUG is an ASX listed technology company, headquartered in Australia, that specialises in analytical software development and reliable, green, high-performance computing (HPC). The company is built on a strong foundation of applied science and a history of converting research into practical, real-world solutions. DUG delivers innovative software products and cost-effective, cloud-based HPC as a service backed by bespoke support for technology onboarding. DUG’s expertise in algorithm development and code optimisation enables clients to leverage big data and solve complex problems.

---

DUG is a global company with offices in Perth, London, Houston and Kuala Lumpur, supporting a diverse industrial client-base that includes radio-astronomy, biomedicine and meteorology, as well as the resource, government and education sectors. DUG designs, owns, and operates a network of some of the largest and greenest supercomputers on Earth. The company continues to invest and innovate at the forefront of software and HPC, working towards a climate-positive future.
