APPOINTMENT OF TECHNICAL CONSULTANT

Balkan Mining and Minerals Ltd (BMM or the Company) (ASX: BMM) is pleased to announce the engagement of Pasala Exploration and Mining D.O.O (**Pasala**) to provide complementary consulting services to the Company as it ramps up its operations in the Balkans.

The engagement of Pasala provides the Company's growing team with additional resources in the development of its operations in the Balkans, assistance with the analysis and alignment of stakeholders' expectations, assistance with major stakeholder communication in the Balkan's region and to identify additional potential attractive opportunities for further investment in the region.

Pasala consults to various international companies, investors, institutions and organisations regarding their investment strategies and operations in Serbia.

The appointment of Pasala is an integral step in further strengthening BMM's ESG initiatives. The appointment of Pasala brings a wealth of knowledge within the Serbian mining industry in order to further refine our social and governance initiatives as we progress our activities.

BMM has a desire to be a market leader on all ESG fronts and will continually look for opportunities that can improve our environmental, social and governance initiatives.

Pursuant to Pasala's engagement terms, Pasala are to be issued 250,000 ordinary shares in the Company at an agreed issue price of \$0.595 per share in consideration for providing the abovementioned consulting services for a period of 12 months. These shares are subject to a 12-month voluntary escrow period.

Forward-looking Statements

Certain statements included in this release constitute forward-looking information. Statements regarding BMM's plans with respect to its mineral properties and programs are forward-looking statements. There can be no assurance that BMM's plans for development of its mineral properties will proceed as currently expected. There can also be no assurance that BMM will be able to confirm the presence of additional mineral resources, that any mineralisation will prove to be economic or that a mine will successfully be developed on any of BMM's mineral properties. The performance of BMM may be influenced by a number of factors which are outside the control of the Company and its Directors, staff, and contractors.

These statements include, but are not limited to statements regarding future production, resources or reserves and exploration results. All such statements are subject to certain risks and uncertainties, many of which are difficult to predict and generally beyond the control of the Company, that could cause actual results to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include, but are not limited to: (i) those relating to the interpretation of exploration sample, mapping and drill results, the geology, grade and continuity of mineral deposits and conclusions of economic evaluations, (ii) risks relating to possible variations in reserves and resources, grade, planned mining dilution and ore loss, or recovery rates and changes in project parameters as plans continue to be refined, (iii) the potential for delays in exploration or development activities or the completion of feasibility studies, (iv) risks related to commodity price and foreign exchange rate fluctuations, (v) risks related to failure to obtain adequate financing on a timely basis and on acceptable terms or delays in obtaining governmental approvals or in the completion of development or construction activities, and (vi) other risks and uncertainties related to the company's prospects, properties and business strategy.

There is continuing uncertainty as to the full impact of COVID-19 on BMM's business, the Australian economy, share markets and the economies in which BMM conducts business. Given the high degree of uncertainty surrounding the extent and duration of the COVID-19 pandemic, it is not currently possible to assess the full impact of COVID-19 on BMM's business or the price of BMM securities.

Except for statutory liability which cannot be excluded, each of BMM, its officers, employees and advisors expressly disclaim any responsibility for the accuracy or completeness of the material contained in these forward-looking statements and excludes all liability whatsoever (including in negligence) for any loss or damage which may be suffered by any person as a consequence of any information in forward-looking statements or any error or omission. BMM undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events other than required by the Corporations Act and ASX Listing Rules. Accordingly, you should not place undue reliance on any forward-looking statement.
