NATIVE TITLE & HERITAGE AGREEMENT FOR CROWN PRINCE & LYDIA SIGNED

Ora Gold Limited (ASX: OAU) (**Ora Gold** or **Company**) is pleased to announce that the Native Title and Heritage Agreement (“Agreement”) between the Company’s subsidiary, Zeus Mining Pty Ltd (“Zeus”) the Wajarri Yamaji Aboriginal Corporation (CN7878) (“WYAC”) and the Ngoonooru Wajarri Land Committee has been fully executed.

The mining lease applications for both the Crown Prince (M51/886) and Lydia (M51/889) Projects can now be granted.

The Agreement also provides for the future mining tenements applied for or renewed by Zeus that are within the WYAC native title claim area, to be covered by the Agreement. The WYAC may not unreasonably refuse or delay agreement for such future tenements to be included.

Under the Agreement certain commercial benefits will flow to WYAC, including cash and equity (total value \$50,000), and the Agreement provides strong protection for Aboriginal cultural heritage and the environment. Ora Gold looks forward to building a meaningful relationship with WYAC and the local traditional owners who participated in the negotiation of the Agreement.

Ora Gold will continue to work on development plans for the Crown Prince resource and will update the market in due course.

The release of this ASX announcement was approved and authorised by the Chairman, Rick Crabb.
