Kim Hyman  
Company Secretary

This ASX Announcement has been approved in accordance with the Company's published continuous disclosure policy and authorised for release by the Board of NRW Holdings Limited.

**About NRW Holdings Limited:** NRW is a leading provider of diversified contract services to the resources and infrastructure sectors. With extensive operations in all Australian States, except Tasmania, and an office in Canada, NRW's geographical diversification is complemented by its ability to deliver a wide range of services. NRW's Civil & Mining businesses provide civil construction, including bulk earthworks, road and rail construction and concrete installation, together with contract mining and drill and blast services. The MET operating unit offers tailored mine to market solutions, specialist maintenance (shutdown services and onsite maintenance), non-process infrastructure, innovative materials handling solutions, and complete turnkey design, construction and operation of minerals processing and energy projects. NRW also offers a comprehensive OEM capability, providing refurbishment and rebuild services for earthmoving equipment and machinery. NRW has a workforce of around 6,200 people supporting projects around Australia for clients across the resources, infrastructure, industrial engineering, maintenance and urban subdivision sectors
