## **APPOINTMENT OF A NEW DIRECTOR**

### **ANNOUNCEMENT TO THE TORONTO STOCK EXCHANGE AND AUSTRALIAN SECURITIES EXCHANGE**

**7 APRIL 2022**

The Board of RTG Mining Inc. (“**RTG**”, the “**Company**”) (**TSX Code: RTG, ASX Code: RTG**) is pleased to announce that Mr Kenneth Caruso has agreed to join the Board of Directors. Mr Caruso has over 40 years of legal experience, specialising in both civil and criminal matters, often involving international jurisdictions. Prior to his current position, he was a partner in the New York office of the global law firm, White & Case. Mr Caruso is one of the few lawyers in New York to be recognised for both white collar and commercial work, including in many of the most respected guides to leading lawyers.

Before he entered private practice, Mr Caruso served as an Assistant U.S. Attorney for the Southern District of New York and as Deputy Associate Attorney General at the U.S. Department of Justice in Washington, DC.

He holds a BA, from Rutgers College, magna cum laude, and a JD, from Columbia University School of Law in New York.

Mr Caruso will fill the vacancy occasioned by the retirement of Mr David Cruse. We would like to take this opportunity to thank Mr Cruse for his valued contribution to the Board over many years.

We welcome Mr Caruso to the RTG Board and look forward to working with him to progress the development of the exciting high grade copper gold mine in the Philippines, the Mabilo Project and also on a number of other new opportunities.

## **CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS**

The Toronto Stock Exchange has not reviewed nor does it accept responsibility for the accuracy or adequacy of this press release, which has been prepared by management.

This announcement includes certain “forward-looking statements” within the meaning of Canadian securities legislation including, among others, statements made or implied relating to the interpretation of exploration results, accuracy of mineral resource and mineral reserve estimates, parameters and assumptions used to estimate mineral reserves and mineral resources, realization of mineral reserve and mineral resource estimates, estimated economic results of the Mabilo Project, future operational and financial results, including estimated cashflow and the timing thereof, estimated expenditures, expansion, exploration and development activities and the timing thereof, including expectations regarding the DSO, plans for progressing Stage 2 development, completion of a debt funding package, the negotiation of contracts for start up works and offtake arrangements and the completion of merged documentation, RTG’s objectives, strategies to achieve those objectives, RTG’s beliefs, plans, estimates and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations. All statements, other than statements of historical fact, included herein, are forward-looking statements. Forward looking statements generally can be identified by words such as “objective”, “may”, “will”, “expected”, “likely”, “intend”, “estimate”, “anticipate”, “believe”, “should”, “plans”, or similar expressions suggesting future outcomes or events. Forward-looking statements involve various risks and uncertainties and are based on certain factors and assumptions. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from RTG’s expectations include uncertainties related to fluctuations in gold and other commodity prices and currency exchange rates; uncertainties relating to interpretation of drill results and the geology, continuity and grade of mineral deposits; uncertainty of estimates of capital and operating costs, recovery rates, production estimates and estimated economic return; the need for cooperation of government agencies in the development of RTG’s mineral projects; the need to obtain additional financing to develop RTG’s mineral projects; the possibility of delay in development programs or in construction projects and uncertainty of meeting anticipated program milestones for RTG’s mineral projects and other risks and uncertainties as discussed in RTG’s annual report for the year ended December 31, 2021

and detailed from time to time in our other filings with the Canadian securities regulatory authorities available at [www.sedar.com](http://www.sedar.com). The forward-looking statements made in this announcement relate only to events as of the date on which the statements are made. RTG will not release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this announcement except as required by law or by any appropriate regulatory authority.

**NOT FOR RELEASE OR DISTRIBUTION IN THE UNITED STATES**
