

ASX ANNOUNCEMENT

6 June 2022

Response to Media Article

Blackstone Minerals Limited (ASX: BSX) (“Company”) refers to an article published in this morning’s *Street Talk* in today’s Australian Financial Review titled “Vietnam’s Vingroup has eyes on Blackstone Minerals”.

With regards to the information published, Blackstone confirms discussions are ongoing with Vingroup in relation to its development strategy for the Company’s Ta Khoa Project. In line with Blackstone’s strategy, discussions are ongoing in relation to potential offtake and funding. These discussions are incomplete, and the company will make an announcement should it be required to in accordance with its continuous disclosure requirement.

There is no certainty a binding agreement will eventuate.

For and on behalf of the Board.
