Dear Nathan

**Trading Halt**

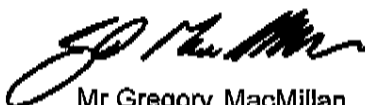

Phylogica Limited ("Phylogica" or "the Company") (ASX Code: PYC) requests an immediate trading halt be placed on its securities pending an announcement.

The company requests this trading halt pending signing of formal documentation shortly with a large pharmaceutical and biotechnology group regarding a new research partnership utilizing the Company's vast and unique library of protein fragments (phylomers).

Phylogica can see no reason why a trading halt should not be put on its securities. The Company's securities are to remain in the trading halt until the earlier of the commencement of normal trading on 21 December 2009 or when the announcement is released to the market.

If an announcement is not made at the end of the trading halt period, the Company will request a voluntary suspension of its securities.

Regards

Mr Gregory MacMillan  
Company Secretary
