ASX announcement

Appointment of Chief Operating Officer

Underground coal contractor Mastermyne Group Limited (ASX Code:MYE) today released a statement advising that it has appointed Mr John Stuart-Robertson as it's Chief Operating Officer.

Mr Stuart-Robertson comes to Mastermyne after having spent 18 years with the AJ Lucas Group of companies. During this time he worked in their drilling, pipeline and construction divisions. Mr Stuart Robertson has a strong operational background particularly in project delivery having managed many significant oil & gas and infrastructure projects. In his most recent role at AJ Lucas he assisted in the restructuring of the business.

Managing Director, Tony Caruso, said he was pleased about the appointment of Mr Stuart-Robertson after what has been an exhaustive and comprehensive recruitment process. "The second half of this financial year and FY2013 are shaping up to be very busy so this appointment was timely". He went on to say that this role is integral to supporting the ongoing sustainable growth of the business and looked forward to Mastermyne's operations teams drawing on the wealth of contracting experience held by Mr Stuart-Robertson.

About Mastermyne

Mastermyne Group Limited (ASX:MYE) was established in 1996 and is a leading provider of specialised services to the Australian coal mining industry. Mastermyne listed on the ASX on 7 May 2010.

It has three operating divisions, Mastermyne Underground (underground roadway development, installation of conveyors and longwall relocation), Mastermyne Engineering (design and engineering of specialised mining equipment and consumables) and Mastermyne Services (electrical, mechanical and maintenance services).

Based in Mackay Queensland, Mastermyne has operations in Queensland's Bowen Basin and the Illawarra and Hunter Valley regions in New South Wales.
