Dear Kate,

The Board of CommQuest Limited (ASX: CQU) requests that the securities of the Company be placed into Trading Halt on the Australian Securities Exchange (ASX) prior to the commencement of trading on Monday 23<sup>rd</sup> March 2009.

The Company continues to be met with deteriorating trading conditions in the current economic climate and the Board is meeting today to further consider and assess the Company's Restructure Plan in light of these conditions to determine the best course of action.

The Board anticipates being in a position to make an announcement to the market prior to the commencement of trade on Wednesday 25<sup>th</sup> March 2009.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully
