ASX Release

Net Tangible Asset Backing per Share

Thursday, 7 March 2019

In accordance with ASX Listing Rule 4.12, **Absolute Equity Performance Fund Limited** ACN 608 552 496 (ASX:**AEG**) advises that the following calculations have been made as at 28 February 2019.

Net Tangible Asset backing per Ordinary Share, **before** providing for estimated tax.	$1.042
Net Tangible Asset backing per Ordinary Share, **after** providing for estimated tax.	$1.063

The calculation of the above amounts has been made in accordance with the definition of net tangible asset backing in Chapter 19 of the Listing Rules and is subject to review by the Company's external auditor.

Please refer to the Company's "Monthly NTA and Performance Update" released separately, for further information.
