

## ASX Announcement | 15 September 2017 Crowd Mobile Limited (ASX:CM8)

### Vesting of Class C Performance Rights

**15 September, 2017** – Crowd Mobile Limited (**the Company**) attaches an Appendix 3B in relation to the issue of performance shares to employees as detailed below.

The Company has issued 2,912,844 fully paid ordinary shares upon vesting of Class C performance rights that were granted under its Performance Rights Plan which was approved by shareholders at the Company's General Meeting on 17 December 2014.

The performance rights were issued to key selected employees of the Company as part of their long-term incentive remuneration. In total for this tranche, 3,250,000 performance rights were issued and each performance right entitled its holder to receive one fully paid ordinary share in the Company upon satisfaction of prescribed performance conditions which was measured over a 3-year period. However, 337,156 performance rights were offset to fund the tax payable by the Company on the employee's behalf and therefore will not convert into Performance Shares.

Further details are provided in the attached Appendix 3B.
