# PARABELLUM RESOURCES LIMITED AND ITS CONTROLLED ENTITIES DIRECTORS' REPORT

The directors present their report on the consolidated group for the half-year ended 31 December 2024.

## Directors

The names of the directors in office at any time during, or since the end of, the period are as follows. Directors have been in office for the entire period unless otherwise stated.

Fabio Vergara (Non-Executive Director) (appointed 31 October 2024)  
Shaun Menezes (Non-Executive Director, Company Secretary and CFO)  
Mark Hohnen (Non-Executive Chairman) (resigned 31 October 2024)

## Principal Activities

## Review of Operations

The consolidated loss of the consolidated group for the financial period after providing for income tax amounted to \$1,255,724 (2023: \$4,294,780).

## NSW Nickel Copper Gold Cobalt Projects

The Company's NSW Projects comprise the Redlands/Whitbarrow, Recovery and Lunns Dam Projects in the Tottenham-Girilambone district - four granted exploration licenses covering approx. 690km<sup>2</sup> - and the Obley Project in the Yeoval district - one granted exploration license covering approx. 180km<sup>2</sup> (Map 1).

Map 1: PBL Project Location (Source PBL 4th October 2021)

The Company has identified the Miandetta/Redlands Cu prospect in the Redlands Project area as being the next area to continue exploration. A review of previous exploration of the Redlands Project (EL9188) highlighted the Miandetta/Redlands Cu prospect as having excellent potential for hosting Ni/Co/Cu mineralisation. Limited historic drilling identified that anomalous Ni-Cu mineralisation is hosted in the oxide profile above ultramafic rocks. The ultramafic rocks have a distinct strong magnetic signature (Figure 1) and a systematic drilling program was developed in order to test the magnitude of this target.

### *Preliminary metallurgical testwork*

Six bulk samples from the 2024 Redlands/Miandetta aircore drilling program were submitted to ALS Metallurgical laboratories for preliminary metallurgical testwork. The testwork involved atmospheric acid leach testing of Ni-Co laterite mineralisation from Redlands and Miandetta. Sample locations are shown on Figure 1.

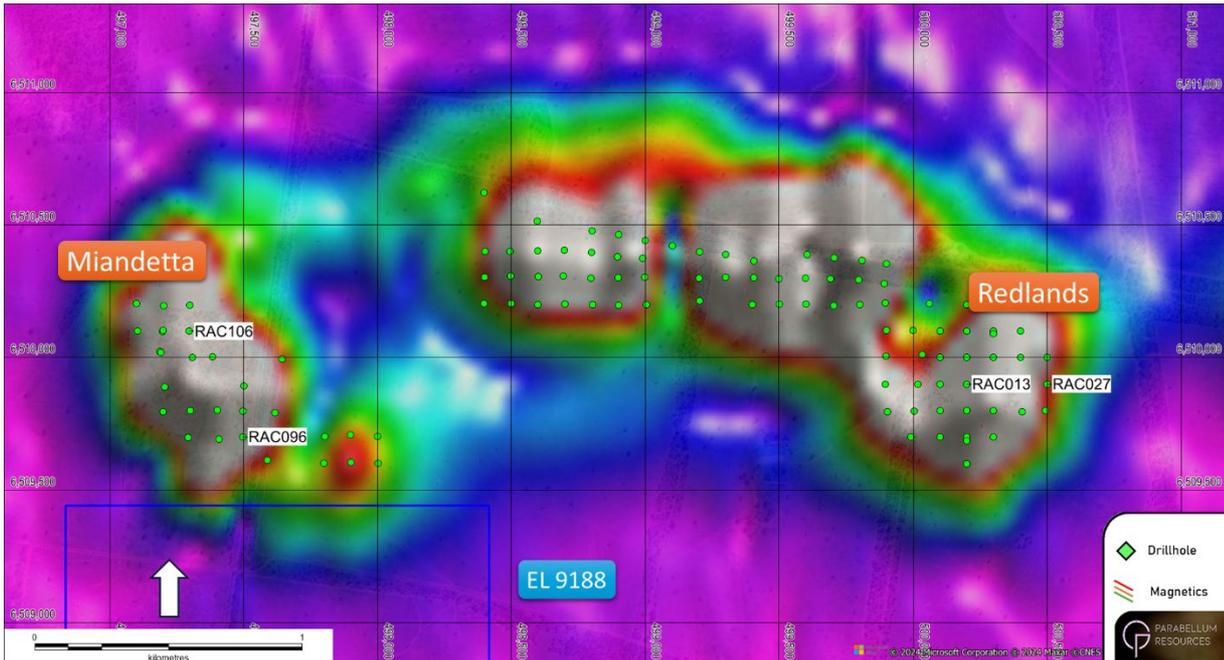

Figure 1 Redlands Prospect – Parabellum aircore/RC drillholes on airborne magnetics (analytical signal).

Overall, nickel cobalt recoveries for the saprolite samples are considered very encouraging at this stage of the testwork program.

#### Corporate

In October 2024, the Company received \$324,828 as a return of capital from the Tamarise investment.

#### Significant Changes in the State of Affairs

#### Events Subsequent to the End of the Reporting Period

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Parabellum Resources Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of Parabellum Resources Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2024 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
