Dear Shannon,

**REQUEST FOR A TRADING HALT UNDER ASX LISTING RULE 17.1**

In accordance with Listing Rule 17.1, Inca Minerals Limited (ASX: ICG) requests an immediate voluntary trading halt of the Company's securities pending an announcement on the government drill hole NDIBK04 assay results. NDIBK04 occurs on ground which Inca is the successful applicant for an Exploration Licence EL32808 (ASX release: 6 December 2021).

Geoscience Australia plan to publish these results, among other data on their online portal today. The data has not been viewed by the Company prior to its release to the public.

The Company requests that the trading halt be lifted on the earlier of the commencement of normal trading on Thursday, 7 April 2022 or when the anticipated announcement is released to the market. The Company is not aware of any reason why the trading halt should not be granted, nor any other information necessary to inform the market about the trading halt. Please call me on 041 999 7171 should there be any questions.

Yours sincerely,

Mal Smartt  
Joint Company Secretary
