WEBINAR INVITATION TO SHAREHOLDERS

Q&A DISCUSSION ON THE MAKUUTU MINERAL RESOURCE ESTIMATE AND COMPANY OUTLOOK FOR 2022

Ionic Rare Earths Limited (**IonicRE** or the **Company**) (ASX: IXR) is pleased to invite shareholders to a Webinar Q&A Discussion on the today's MRE announcement (3rd May 2022) regarding the substantial increase to the Mineral Resource Estimate (MRE) at Makuutu and an overview of Company plans and activities for the year ahead.

Highlights:

- Significant increase to the Makuutu Mineral Resource Estimate (MRE) exceeds expectation
- Significant increase to Indicated resource to support Feasibility Study
- Makuutu now cementing its position as key strategic, near development ready, non-China controlled ionic adsorption clay (IAC) resource, and a potential long-life supplier of magnet and heavy rare earths, with product available for US and EU markets

Managing Director Tim Harrison will conduct a Webinar Q&A discussion for Shareholders and Investors on Thursday 5th May at 12.00pm AEST. Registration via the link below.

When: Thursday 5th May

Time: 12.00pm AEST
